*Franciscan Lectio* Dan Riley OFM,2022-10-04

Franciscan Lectio is for all those on a spiritual journey who long to see the world more beautifully and deeply and become more attentive and present An ancient tradition dating back to the third century lectio divina has long served as an avenue of contemplative prayer but the practice has often been systematized intellectualized or only practiced by monastics Few authors have attempted to universalize lectio using contemporary language or approach it from a Franciscan perspective St Paul says that the Word of God is alive and active in our hearing and if the incarnation is true then the Word can be experienced in all places Lectio therefore is not only a spiritual practice for reading sacred texts but can be applied to any felt experience Our experiences too are sacred we need only to acknowledge their depth and beauty In the spirit of St Francis of Assisi we can see the God of all creation who has always been hidden in plain sight a presence that shows forth in every created thing In *Franciscan Lectio* Fr Dan Riley comes alongside us in our own encounters with lectio and inspires our spiritual imagination through story art poetry nature Franciscan mysticism and Scripture helping us to see that all of life is unitive and sacred
