Air Force, 1957      *The Cutting Edge* Jeffery Deaver, 2018-04-10 Lincoln Rhyme and Amelia Sachs return to New York City to investigate a triple murder and confront a killer terrorizing couples at their happiest and most vulnerable in this explosive New York Times bestseller In the early hours of a quiet weekend morning in Manhattan s Diamond District a brutal triple murder shocks the city Lincoln Rhyme and Amelia Sachs quickly take the case Curiously the killer has left behind a half million dollars worth of gems at the murder scene a jewelry store on 47th street As more crimes follow it becomes clear that the killer s target is not gems but engaged couples themselves The Promisor vows to take the lives of men and women during their most precious moments midway through the purchase of an engagement ring after a meeting with a wedding planner trying on the perfect gown for a day that will never come The Promisor arrives silently armed with knife or gun and a time of bliss is transformed in an instant to one of horror Soon the Promiser makes a dangerous mistake leaving behind an innocent witness Vimal Lahori a talented young diamond cutter who can help Rhyme and Sachs blow the lid off the case They must track down Vimal before the killer can correct his fatal error Then disaster strikes threatening to tear apart the very fabric of the city and providing the perfect cover for the killer to slip through the cracks      In Hot Joseph L. Hutton, Jr., 2025-03-11 Told through the eyes of a Marine Lieutenant who dropped out of college this autobiography recounts the Vietnam tour of Joseph L Hutton Jr in his own words Joining the Marine Corps and then working his way up Hutton provides an inside the wire and sometimes humorous often exciting look at the life and daily routine of a Marine Aviation Lieutenant flying the UH 1E Helicopter As he and his friends fought an unpopular war these young men fought hard played hard suffered personal losses and enjoyed successes together

while suffering the hardship of separation from their loved ones As members of Marine Light Helicopter Squadron 167 the only Marine Helicopter squadron ever formed in combat and at one time the largest helicopter squadron in the Marine Corps they faced difficult conditions and accomplished significant missions while working short handed and under the pressure of adverse weather and significant enemy resistance They performed the unlikely and accomplished the near impossible developing their own tactics and procedures while receiving conflicting guidance from the ever changing leadership all done without recognition or reward Illustrated throughout with images from the author s private collection this autobiography presents the story of Hutton and the brave young men with whom he served

Siegecraft - No Fortress Impregnable Harold Skaarup,2003-04-06 It has been said that the taking of a fortress depends primarily on the making of a good plan to take it and the proper implementation and application of the resources to make the plan work Long before a fortress has been besieged and conquered it has to have been outthought before it can be outfought This book outlines some of the more successfully thought out sieges and demonstrates why it is that no fortress is impregnable A siege can be described as an assault on an opposing force attempting to defend itself from behind a position of some strength Whenever the pendulum of technology swings against the status quo the defenders of a fortification have usually been compelled to surrender We must stay ahead of the pendulum and not be out thought long before we are out fought for as it will be shown in this book no fortress is impregnable      *A Farther Shore* Gerry Adams,2003-11-04 He s been imprisoned shot at denounced shunned and banned yet Sinn F in president Gerry Adams remains resolute in his belief that peace is the only viable option for the Irish people Adams led the oldest revolutionary movement in Ireland on an extraordinary journey from armed insurrection to active participation in government Now he tells the story of the tumultuous series of events that led to the historic Good Friday Agreement as only he can with a tireless crusader s conviction and an insider s penetrating insight In vivid detail Adams describes the harrowing attack on his life and he offers new details about the peace process We learn of previously undisclosed talks between republicans and the British government and of conflicts and surprising alliances between key players Adams reveals details of his discussions with the IRA leadership and tells how republicans differed dissidents emerged and the first IRA cessation of violence broke down He recounts meetings in the Clinton White House tells what roles Irish Americans and South Africans played in the process and describes the secret involvement of those within the Catholic Church Then triumphantly this inspiring story climaxes with the Good Friday Agreement what was agreed and what was promised Gerry Adams brings a sense of immediacy to this story of hope in what was long considered an intractable conflict He conveys the acute tensions of the peace process and the ever present sense of teetering on the brink of both joyous accomplishment and continued despair With a sharp eye and sensitive ear for the more humorous foibles of political allies and enemies alike Adams offers illuminating portraits of the leading characters through cease fires and standoffs discussions and confrontations Among the featured players are John Major Tony Blair Bill and Hillary Clinton Jean Kennedy Smith and Nelson Mandela As the preeminent republican strategist of his generation Gerry Adams provides the first comprehensive account of the principles and tactics underpinning modern Irish republicanism And in a world where peace processes are needed more urgently than ever *A Farther Shore* provides a template for conflict resolution
