Doerksen,1997 This book remedies the lack of scholarly attention given to the conforming Church of England under James I 1603 25 The Jacobean church was not a lax hiatus between the Elizabethan and the Laudian but a vibrant positive force for writers like George Herbert and John Donne Shown by recent historians to be clearly Protestant in its leadership it maintained a middle way that included at its center both moderate and conforming puritans as well as Calvinist bishops An examination of their writings reveals differences between Arminian custodians of order like Hooker and Andrewes and Calvinist preaching pastors like Donne and Herbert This book also explores significant resonances between Herbert and Richard Sibbes a fully conforming puritan whose writings Herbert likely knew      **Dictionary of national biography, ed.**

**by L. Stephen (and S. Lee). [With] Suppl. 3 vols.;Index and epitome [and] Errata Dictionary,1890      Preaching in Eighteenth-century London Jennifer Farooq,2013** This book looks at the role of preaching culture in eighteenth century England Beyond the confines of churches preaching was heard at political anniversaries and elections thanksgiving and fast days and society and charity meetings all of which were major occasions on the English political and social calendars Dozens of sermons were published each year and the popularity of sermons both from the pulpit and in print make them crucial for understanding the role of religion in eighteenth century society To provide a broad perspective on preaching culture this book focuses on print and manuscript evidence for preaching in London London had a unique combination of preaching venues and audiences including St Paul s cathedral parliament the royal court the corporation of London London based societies and numerous parish churches and Dissenting meetinghouses The capital had the greatest range of preaching anywhere in England However many of the developments in London reflected trends in preaching culture across the country This was a period when English society experienced significant social religious and political changes and preachers roles evolved in response to these changes Early in the century preachers were heavily engaged in partisan politics However as these party heats waned they increasingly became involved with societies and charities that were part of the blossoming English urban culture The book also explores the impact of sermons on society by looking at contemporary perceptions of preaching trends in the publication of sermons the process of the publication and the distribution of sermons and the reception of sermons It demonstrates how preachers of various denominations adapted to an increasingly literate and print centred culture and the continuing vitality of oral preaching culture The book will be of interest not only to scholars of religion and sermon literature but also to those interested in eighteenth century politics urban society oral and print cultures and publishing JENNIFER FAROOQ is an independent scholar      **The British Critic ,1814      The British Critic, and Quarterly Theological Review ,1814      British Critic, Quarterly Theological Review, and Ecclesiastical Record**
