Major Problems In The History Of Imperial Russia:

Major Problems in the History of Imperial Russia James Cracraft, 1994 Focusing on internal developments in Imperial Russia this book provides even handed coverage of the period with thorough attention to the eighteenth and nineteenth centuries Political history is balanced with a clear vision of social and economic change *The Cambridge History of Russia: Volume 2, Imperial Russia, 1689-1917* Maureen Perrie, D. C. B. Lieven, Ronald Grigor Suny, 2006-08-17 A definitive new history of Russia from early Rus to the collapse of the Soviet Union *A History of Russia Volume 1* Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss's accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists *A Companion to the Russian Revolution* Daniel Orlovsky, 2020-08-21 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world It altered the geo political landscape of not only Eurasia but of the entire globe The impact of this immense event is still felt in the present day The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity the causes and meanings of revolution are many as is reflected in contemporary scholarship on the subject *A Companion to the Russian Revolution* offers more than thirty original essays written by a team of respected scholars and historians of 20th century Russian history Presenting a wide range of contemporary perspectives the Companion discusses topics including the dynamics of violence in war and revolution Russian political parties the transformation of the Orthodox church Bolshevism Liberalism and more Although primarily focused on 1917 itself and the singular Revolutionary experience in that year this book also explores time periods such as the First Russian Revolution early Soviet government the Civil War period and even into the 1920 s Presents a wide range of original essays that discuss Brings together in depth coverage of political history party history cultural history and new social approaches Explores the long range causes influence on early Soviet culture and global after life of the Russian Revolution Offers broadly conceived contemporary views of the revolution largely based on the author's original research Links Russian revolutions to Russian Civil Wars as concepts *A Companion to the Russian Revolution* is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon *The Soviet Famine of 1946-47 in Global and Historical Perspective* N. Ganson, 2009-04-27 This book illuminates a little known but tremendously significant twentieth century crisis in the Soviet Union Drawing on archival materials declassified since the fall of communism Nicholas Ganson situates the

famine of 1946-47 at the crossroads of Soviet social and political history World War II the Cold War ideology and famine in the modern world He sheds light on the perspectives of Soviet elites and gives voice to the famine's victims In revealing the multi-causality of the postwar hunger this ambitious work challenges the received wisdom about the relationship between politics and famine

Russia in World History Barbara Alpern Engel, Janet Martin, 2015 A lively introduction to Russia's dramatic history from its origins to the present this volume concisely describes how its peoples overcame constant challenges including devastating foreign invasions to become an ethnically and religiously diverse land empire the first communist society and a major world power

A History Of Russia Volume 2 Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post-Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

Cultivating the Colonies Christina Folke Ax, Niels Brimnes, Niklas Thode Jensen, Karen Oslund, 2014-06-16 The essays collected in *Cultivating the Colonies* demonstrate how the relationship between colonial power and nature reveals the nature of power Each essay explores how colonial governments translated ideas about the management of exotic nature and foreign people into practice and how they literally got their hands dirty in the business of empire The eleven essays include studies of animal husbandry in the Philippines, farming in Indochina, and indigenous medicine in India They are global in scope, ranging from the Russian North to Mozambique, examining the consequences of colonialism on nature, including its impact on animals, fisheries, farmlands, medical practices, and even the diets of indigenous people *Cultivating the Colonies* establishes beyond all possible doubt the importance of the environment as a locus for studying the power of the colonial state

Beyond the Monastery Walls Patrick Lally Michelson, 2017-07-11 As the cultural and ideological foundations of imperial Russia were threatened by forces of modernity, an array of Orthodox churchmen, theologians, and lay thinkers turned to asceticism, hoping to ensure the coming Kingdom of God promised to the Russian nation

Creating Kashubia Joshua C. Blank, 2016-05-02 A groundbreaking work that looks at the changing ways in which Canada's first Polish community views itself

Imperial Odessa: Peoples, Spaces, Identities Evrydiki Sifneos, 2017-09-25 *Imperial Odessa: Peoples, Spaces, Identities* is a book about a cosmopolitan city written by a cosmopolitan scholar with a literary flair Evrydiki Sifneos conceives Odessa as more of a *fin de siècle* east Mediterranean port metropolis than as a provincial port city of the Russian Empire in the nineteenth century due

to two of its principal characteristics its function as a hub of international trade and travel and the multi ethnic character of its inhabitants The book unfolds around two interpenetrating axes The first one introduces a new peripatetic approach that discovers the space of the city and the other the one that has given it its dynamic is the socio economic transformations that germinated within the political changes *The Siberian Curse* Fiona Hill, Clifford G. Gaddy, 2003 Hill and Gaddy frame the problems of Siberia more clearly and offer policy recommendations which are more concrete and coherent than any previous analyses of Siberia from Russian or foreign sources of which I am aware Robert Cottrell New York Review of Books The Transfigured Kingdom Ernest A. Zitser, 2018-09-05 In this richly comparative analysis of late Muscovite and early Imperial court culture Ernest A Zitser provides a corrective to the secular bias of the scholarly literature about the reforms of Peter the Great Zitser demonstrates that the tsar s supposedly secularizing reforms rested on a fundamentally religious conception of his personal political mission In particular Zitser shows that the carnivalesque and often obscene activities of the so called Most Comical All Drunken Council served as a type of Baroque political sacrament a monarchical rite of power that elevated the tsar s person above normal men guaranteed his prerogative over church affairs and bound the participants into a community of believers in his God given authority charisma The author suggests that by implicating Peter s royal priesthood in taboo breaking libertine ceremonies the organizers of such sacred parodies inducted select members of the Russian political elite into a new system of distinctions between nobility and baseness sacrality and profanity tradition and modernity Tracing the ways in which the tsar and his courtiers appropriated aspects of Muscovite and European traditions to suit their needs and aspirations The Transfigured Kingdom offers one of the first discussions of the gendered nature of political power at the court of Russia s self proclaimed Father of the Fatherland and reveals the role of symbolism myth and ritual in shaping political order in early modern Europe Rebels in the Name of the Tsar Daniel Field, 2025-08-01 In *Rebels in the Name of the Tsar* originally published in 1989 Daniel Field explores one of the most puzzling phenomena of late imperial Russia the devotion of the common people to the person of the Tsar His comprehensive and engaging study addresses the question of naive monarchism from the various standpoints of the government the radicals and the peasants themselves In the introductory chapter Field reviews the myth of the tsar and how it has changed over time He then moves on to detailed case studies of two important peasant uprisings Bezdna 1861 and Chigirin 1877 Through analysis of well chosen documents translated for the first time and intelligent balanced commentary Field offers the most complete interpretation yet of these important events In the final chapter he reexamines our preconceptions about peasants and draws innovative conclusions about the nature of their lives and thoughts *Rebels in the Name of the Tsar* is essential reading for students and teachers of Russian history and peasant sociology and for the interested layperson **Russian Nationalism Since 1856** Astrid S. Tuminez, 2000 This thoughtful book describes the range of nationalist ideas that have taken root in Russia since 1856 Drawing on a wide range of archival documents and unparalleled interview material from the post Soviet period Tuminez analyzes two cases_ Russian

panslavism in 1856 1878 and great power nationalism in 1905 1914 when aggressive nationalist ideas clearly influenced Russian foreign policy and contributed to decisions to go to war Yet not all forms of nationalism have been malevolent and the author assesses competing nationalist ideologies in the post Soviet period to clarify the conditions under which a particularly belligerent nationalism could flourish and influence Russian international behavior Veiled Empire Douglas T. Northrop, 2016-06-08 Drawing on extensive research in the archives of Russia and Uzbekistan Douglas Northrop here reconstructs the turbulent history of a Soviet campaign that sought to end the seclusion of Muslim women In Uzbekistan it focused above all on a massive effort to eliminate the heavy horsehair and cotton veils worn by many women and girls This campaign against the veil was in Northrop's view emblematic of the larger Soviet attempt to bring the proletarian revolution to Muslim Central Asia a region Bolsheviks saw as primitive and backward The Soviets focused on women and the family in an effort to forge a new liberated social order This unveiling campaign however took place in the context of a half century of Russian colonization and the long standing suspicion of rural Muslim peasants toward an urban colonial state Widespread resistance to the idea of unveiling quickly appeared and developed into a broader anti Soviet animosity among Uzbeks of both sexes Over the next quarter century a bitter and often violent confrontation ensued with battles being waged over indigenous practices of veiling and seclusion New local and national identities coalesced around these very practices that had been placed under attack Veils became powerful anticolonial symbols for the Uzbek nation as well as important markers of Muslim propriety Bolshevik leaders who had seen this campaign as an excellent way to enlist allies while proving their own European credentials as enlightened reformers thus inadvertently strengthened the seclusion of Uzbek women precisely the reverse of what they set out to do Northrop's fascinating and evocative book shows both the fluidity of Central Asian cultural practices and the real limits that existed on Stalinist authority even during the ostensibly totalitarian 1930s Aspiration, Representation and Memory Jessica Munns, Penny Richards, Jonathan W. Spangler, 2016-03-09 Exploiting the turbulence and strife of sixteenth century France the House of Guise arose from a provincial power base to establish themselves as dominant political players in France and indeed Europe marrying within royal and princely circles and occupying the most important ecclesiastical and military positions Propelled by ambitions derived from their position as cadets of a minor sovereign house they represent a cadre of early modern elites who are difficult to categorise neatly neither fully sovereign princes nor fully subject nobility They might have spent most of their time in one state France but their interests were always trans national contested spaces far from the major centres of monarchical power from the Ardennes to the Italian peninsula were frequent theatres of activity for semi sovereign border families such as the Lorraine Guise This nexus of activity and the interplay between princely status and representation is the subject of this book The essays in this collection approach Guise aims ambitions and self fashioning using this trans national dimension as context their desire for increased royal rather than merely princely power and prestige and the use of representation visual and literary in order to achieve it Guise claims to

thrones and territories from Jerusalem to Naples are explored alongside the Guise dream of Italy with in depth studies of Henry of Lorraine fifth Duke of Guise and his attempts in the mid seventeenth century to gain a throne in Naples The combination of the violence and drama of their lives at the centres of European power and their adroit use of publicity ensured that versions of their strongly delineated images were appropriated by chroniclers playwrights and artists in which they sometimes featured as they would have wished as heroes and heroines frequently as villains and ultimately as characters in the narratives of national heritage

The Insurgency in Chechnya and the North Caucasus Robert W. Schaefer, 2010-10-22 For the first time a military expert on both Russia and insurgency offers the definitive guide on activities in Southern Russia explaining why the Russian approach to counter terrorism is failing and why terrorist and insurgent attacks in Russia have sharply increased over the past three years The Insurgency in Chechnya and the North Caucasus From Gazavat to Jihad is an comprehensive treatment of this 300 year old conflict Thematically organized it cuts through the rhetoric to provide a contextual framework with which readers can truly understand the why and how of one of the world s longest running contemporary insurgencies despite Russia s best efforts to eradicate it A fascinating case study of a counterinsurgency campaign that is in direct contravention of U S and Western strategy the book also examines the differences and linkages between insurgency and terrorism the origins of conflict in the North Caucasus and the influences of different strains of Islam of al Qaida and of the War on Terror A critical examination of never before revealed Russian counterinsurgency COIN campaigns explains why those campaigns have consistently failed and why the region has seen such an upswing in violence since the conflict was officially declared over less than two years ago

Major Problems In The History Of Imperial Russia Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Major Problems In The History Of Imperial Russia free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Major Problems In The History Of Imperial Russia free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Major Problems In The History Of Imperial Russia free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Major Problems In The History Of Imperial Russia. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu,

provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Major Problems In The History Of Imperial Russia any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Major Problems In The History Of Imperial Russia Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
