Makarios Pragmatism V Idealism:

Makarios: Pragmatism V. Idealism P. N. Vanezis, **Makarios** Stanley Mayes, 1981-03-26 Makarios Demetris Assos, 2018-08-30 When Mikhail Makarios became head of the Church of Cyprus in 1950 Greek Cypriots presumed that he would lead the struggle for union with Greece partly because the Church was perceived to be the custodian of this nationalist tradition And though Archbishop Makarios III pursued this objective energetically by 1959 he had signed the agreements that established an independent Cyprus republic ending the dream of enosis and setting the scene for today's struggles to bring peace to the island In this first English language biography of one of the most important figures in Cypriot modern history Demetris Assos shows how Makarios oscillated between his personal nationalist romantic idealism and the management of hard political realities on the ground and argues a nuanced understanding of this ambivalence is crucial to contextualise and explain his actions Assos shows how by the 1950s the political authority of Makarios position became intertwined with his spiritual power He also unpicks the influence of the Orthodox Church on modern Cypriot history A new analysis of the Cyprus experience this is an essential addition to our understanding of the Cyprus problem and a new portrait of one of the great Cypriots The Archbishops of Cyprus in the Modern Age Michalis N. Michael, Andrekos

Varnava, 2013-07-26 Cyprus Historical and Contemporary Studies Since the onset of Ottoman rule but more especially from the mid 18th Century the archbishops of the autocephalous Cypriot Orthodox Church have wielded a great deal of political power Most people of a certain age will remember the bearded monk who became a Greek nationalist politician and the first President of the Republic of Cyprus in 1960 Archbishop Makarios III Indeed his presence at Madame Tussaud's is a reminder of his stature But were all Cypriot archbishops such political and powerful Greek nationalists This study is unique in its exploration of the peculiar role of the archbishop ethnarch and as such offers valuable historical and political insights into the phenomenon This book offers a political history of religious authorities in the pre modern modern and post modern eras It examines how nationalist politics evolved and was co-opted by religious authorities in order to re-establish political hegemony from a secular European colonial power and the consequences this entailed after the end of the British empire

Propaganda and the Cyprus Revolt Maria Hadjiathanasiou, 2020-05-14 During the EOKA period of Greek Cypriot revolt against British colonial rule the Greek Cypriots and the British deployed propaganda as a means of swaying allegiances both within Cyprus and on the international scene Propaganda and the Cyprus Revolt places new emphasis on the vital role propaganda played in turning the tide against British colonial control over Cyprus Examining the increase of violence and coercion during this period of revolt this book examines how the opposing sides mobilization of propaganda offered two alternative visions for the future of Cyprus that divided opinion to the ultimate detriment of British counterinsurgency efforts Detailing the deployment of propaganda by both parties across radio television and print channels the book draws upon previously unpublished archival material in order to paint a detailed picture of how the British Empire

lost control over the hearts and minds of the Greek Cypriot people This study shines new light on a crucial period of Cypriot history and contributes to wider transnational debates around the use of propaganda and the end of empire This will be an essential read for students of Cyprus history and British colonial history The Cyprus Question as an Issue of Turkish Foreign Policy and Turkish-American Relations, 1959-2003 Nasuh Uslu,2003 This book mainly focuses on the Cyprus question as a pivotal issue of Turkish foreign policy and Turkish American relations The Cyprus question was a constant factor in US Turkish relations in the past and it still conditions the Turkish American alliance which is an important element of the present international relations The period covered in this book is from 1960 1975 After experiencing a perfect honeymoon period in the 1950s the durability strength and cohesion of the US Turkish alliance were tested by severe problems between 1960 and 1975 At the core of all the problems was there the Cyprus question affecting the general tendency of the relationship between the two countries and the attitude of policy makers of both states Finally the period covering from 1974 onward up to the present is generally studied with particular emphasis on Turkish American relations and a supplementary chapter at the end of the book gives the latest developments from the Turkish point of view The Turkish-American Relationship Between 1947 and 2003 Nasuh Uslu,2003 Turkish American Relationship Between 1947 2003 The History of a Distinctive Alliance *Great Power Politics in Cyprus* Haralambos Alexandrou,Michalis Kontos,Nikos Panayiotides,2014-06-30 This volume approaches foreign interventions in Cyprus from two different angles a vertical angle which corresponds to a case by case historical analysis of foreign interventions which have taken place throughout the modern history of Cyprus and a horizontal angle which corresponds to the implementation of systemic models of analysis in approaching foreign interventions in Cyprus Furthermore the volume deals with domestic perceptions formed as a result of foreign interventions in Cyprus focusing particularly on their impact on the politics and public rhetoric of the Cyprus problem especially as regards the Greek Cypriot community *The EOKA Cause* Andrew R. Novo,2020-11-12 This book explores the origins conduct and failure of Greek Cypriot nationalists to achieve the unification of Cyprus with Greece Andrew Novo addresses the anti colonial struggle in the context of the competition for the nationalist narrative in Cyprus between the Left and Right the duelling Greek Cypriot and Turkish Cypriot nationalisms in Cyprus the role of Turkey and Greece in the conflict on the island and the concerns of the British Empire during its retrenchment following the Second World War More than a narrative history of the period an analysis of British policy or a description of counter insurgency operations this book lays out an examination of the underpinnings of the enosis cause and its manifestation in action It argues that the strategic myopia of the enosis movement shackled the cause defined its conduct and was the primary reason for its failure Divided and occupied Cyprus and the world deal with its unresolved legacy to this day The United States and the Making of Modern Greece James Edward Miller,2009 Focusing on one of the most dramatic and controversial periods in modern Greek history and in the history of the Cold War James Edward Miller provides the first study to employ a wide range of international
