Rogers,2020-02-05 Create loyal engaged and results focused teams and organizations using a practical five part servant leadership formula Think of a world where people go to work completely engaged are inspired to do more than they ever thought possible remain 100% loyal to the teams and organizations they belong to are achieving mind blowing

results and gladly and even passionately follow their leader's direction. Is that a world you want to be a part of? The reality is you really can. However, it's not the world most people and leaders currently live in. When employees were asked in a Gallup poll whether their supervisor or anyone else at work cared about them, only 4 out of 10 strongly agreed with that statement. That is a startling number. We have a lot of work to do. Old leadership practices don't work anymore. In his work with hundreds of leaders and teams, Michael Rogers has created a practical approach to leadership that works. It is the Care to Lead Leader™. Care to Lead Leaders are different than most leaders. Most leaders talk of caring with their lips but are far from actually leading with their hearts. Care to Lead Leaders lead from their heart. They understand that leading from the heart wins the hearts of those they lead, which makes leading more purposeful and a lot easier. Through Michael's five-part SONIC leadership formula, you will become a Care to Lead Leader. You will discover one simple Care to Lead Leader practice that can literally revolutionize the culture of your teams and/or organizations. How to build real trust on your teams and/or organizations and explode creativity and the volume of ideas. How to have more courage and second-guess yourself less. Practical tips on skyrocketing individual performance. The secret to creating the most loyal followers on the planet. How to take your teams and/or organizations to unprecedented levels of achievement and results. In this book, Michael illustrates his ideas and concepts through introspective questions and inspiring stories that keep you engaged and have you regularly looking at your own leadership and asking, "Am I the kind of leader people really want to follow?" After reading this book, you'll have the tools to apply practical servant leadership approaches that create buy-in into bigger visions, improve loyalty and engagement, and move your teams and organizations to unprecedented levels of action.

The Worst Call Ever! Kyle Garlett, Patrick O'Neal, 2008-12-24. In any sport, whenever an official takes the field, court, ice ring, or pitch, they do so with a bright red bull's-eye on their backs. For even with their great accuracy and passion for the game, they do make errors, occasionally great big fat ones that change the tide of sports history. In *The Worst Call Ever*, keepers of truth and enlightenment sportswriters Kyle Garlett and Patrick O'Neal expose the most injurious mistakes and desecrations, document their lasting damage, which to some wronged parties has evolved into a condition akin to post-traumatic stress disorder, and hopefully become the soothing balm of reconciliation. Each piece details the play in question and examines the players and stakes involved, the scope of the injustice, and the path of change that was often its result. Garlett and O'Neal cover mishaps in all sports, from the four Major Leagues to golf and auto racing to even curling, in this fascinating look at the worst calls in sports history.
