A Promise of Success: A Guide to Raising African American Males for Academic Achievement and Beyond Pasquale De Marco,2025-07-20 In a society where African American males face significant challenges this book offers a beacon of hope and inspiration It tells the stories of young Black men who have beaten the odds and achieved academic success and it reveals the secrets to their success Through in depth interviews with parents and children this book identifies six essential strategies that contribute to academic achievement among African American males

- 1 Child focused love Parents who show their sons unconditional love and support create a foundation for success They are there for their sons through the good times and the bad providing a safe and nurturing environment
- 2 Strong limit setting and discipline Parents who set clear rules and boundaries and enforce them consistently help their sons learn self discipline and responsibility They also teach their sons how to behave appropriately in different settings
- 3 Continually high expectations Parents who have high expectations for their sons and communicate those expectations clearly help their sons develop a strong work ethic and a belief in their own abilities They encourage their sons to challenge themselves and to never give up on their dreams
- 4 Open consistent and strong communication Parents who communicate openly and honestly with their sons help them build strong relationships and trust They are there to listen to their sons concerns and to offer guidance and support
- 5 Positive racial identity and positive male identity Parents who help their sons develop a positive racial identity and a positive male identity help them to feel good about themselves and to be proud of who they are They teach their sons about their history and culture and help them to develop a sense of self worth
- 6 Full use of community resources Parents who take advantage of community resources can provide their sons with additional support and opportunities This may include enrolling their sons in after school programs connecting them with mentors or seeking out financial assistance By following these six strategies parents can help their African American sons beat the odds and achieve academic success This book is a valuable resource for parents educators and anyone else who is concerned about the education and well being of young Black men It offers a powerful message of hope and empowerment showing that it is possible for African American males to succeed in school and beyond If you like this book write a review
