Making Christian Decisions In An Age Of Deception:

Making Christian Decisions in an Age of Deception Loyst R Streeter, 2021-02-06 A Changing World Christians as never before in history are being required to make decisions that previous generations never had to face Choices such as are you for or against stem cell research genetic engineering the right to die cloning security versus freedom environmental legislation global warming etceteras In addition there are the constant pleas for financial support from a hundred or more religious humanitarian and political organizations disaster relief children s hospitals television evangelists animal rights supporters requests that are not limited to local needs but global concerns The list goes on and on Sound decisions require an understanding not merely of the issue but also of the morals ethics mores culture and customs of society Furthermore time itself plays an important part in any decision What was true in a previous generation may no longer apply in today's world Last but by no means least Christians must answer to a higher authority What if anything do the scriptures teach that can help sort through the conflicting claims and rhetoric coming from every quarter In a world rife with mendacity and alternative facts responsible adults need to be constantly vigilant for deception especially when it is deceitfully disguised under the cloaks of religion and patriotism It is the Author's hope that this book will provide to the reader a valuable understanding into the decision making process itself and will help clarify all of the factors involved While this book is written from a Christian perspective anyone who is required to make important decisions will benefit from its insight and increase their ability to discern the true from the false As a result they will develop a much greater confidence in making sound decisions which in turn will lead to a more just and better world for themselves their children and all mankind Loyst R Streeter **Making Christian Decisions in an Age of Deception** Loyst Streeter, 2012 [Making Christian Decisions in an Age of Deception](#) Loyst R. Constructing Moral Concepts of God in a Global Age Myriam Renaud, 2022-07-29 *Constructing Moral Concepts of God in a Global Age* focuses on what people say and think about God rather than on arguments about God's existence It advances a theological method or step by step approach to explore and reframe personal convictions about God and the worldviews shaped by those convictions Since a moral God is more likely to foster a moral life this method integrates an ethical check to ensure that understandings of God and their associated worldviews are validly moral The proposed method builds on the work of twentieth century theologian Gordon Kaufman during the Kantian phase of his work It anticipates a person like God who hears prayers loves without end and comforts in times of hardship To accommodate today's pluralistic and globalized world the ethical check integrated in the method is a widely collaborative and vetted global ethic the Parliament of the World's Religions Declaration Towards a Global Ethic This volume of constructive philosophical theology is written for seminary students educators clergy study groups and anyone interested in delving more deeply and systematically into understandings of God whether their own or those of others

Christianity - the Simple Made Impossible Alan G. Shinkfield, 2009-09-02 [The Path](#) Rev. Dr. Ebele Okonkwo

Onuigbo,2016-06-23 Decision making is a fundamental aspect of our daily lives shaping our paths through the resolutions we reach after careful consideration From the simplest choices to the most complex dilemmas individuals continuously navigate the terrain of decision making throughout their lifetimes These decisions serve as compass points guiding us toward the fulfillment of our goals and aspirations whether they lead to positive outcomes or negative consequences How many individuals truly take the time to thoroughly consider the available facts before diving into the decision making process Engaging in wise deliberation of facts prior to making a decision is crucial for ensuring that the resulting choice will have a meaningful impact whether on the individual themselves or the circumstances at hand So how does one go about making a wise decision It involves carefully weighing the available information considering potential consequences and evaluating the implications for both oneself and others in the surrounding community Ultimately the decisions we make not only shape our own lives but also have far reaching effects on the well being and experiences of those around us In the modern world we observe a striking dichotomy between Jesus purpose driven ethos and the prevalent self centered pursuits that often consume individuals Amidst the clamor for material possessions societal status and personal comfort many seem to lose sight of life s deeper significance While the pursuit of such desires is not inherently erroneous an excessive fixation on them can obscure individuals from fulfilling their higher calling Synod on Synodality: Death Knell of the Church Rev. Fr. Conrad Saldanha ,2022-07-31 Synod on Synodality Is one of the most insidious action ever of a Pope in the history of humanity since its beginning which will definitely lead to its ultimate death The Synod in a true Socio Marxist Humanistic spirit rejects the true authority given by Christ to the Church The ultimate act of destruction of the institution founded by Christ The Author well versed in these games shows how Francis as Pope in a way rejects the elite governing body and reaches out to any untrained humans apparent empowerment in true Marxist style in order to surreptitiously arrive at his own predetermined goal through the Synod on Synodality The author having been instrumental in exposing such frauds right through his youth brings out the power game play at work In this people are merely used through lies and intrigues as a pawn to achieve one s own insidious agenda a predetermined end detrimental to their Salvation Thus the author analyses the mind set of Francis to reaffirm the point through pertinent select examples to keep the book short and the urgency to reach out palpable To assuage the faithful the author briefly and logically brings out the reason for such a catastrophic situation in the Church and the way to deal with it Ultimately the book doesn t disappoint but consoles one in the right hope that leads to peace Why wait pick up a copy of the book now so as to save your soul and of the many *From Rags to Royalty* Connie Cenac,2006-03

WHEN GIANTS RETURN: The 7 Battles Every Believer Must Win Dr. Mishael Carson,2025-11-08 THE GIANTS ARE BACK They Never Really Left They Just Got Smarter The terror at Kadesh Barnea wasn t about physical size When the spies reported We saw the Nephilim there we seemed like grasshoppers in our own eyes and we looked the same to them Numbers 13 33 they weren t just describing giants outside the walls They were confessing the giants that had already conquered their

hearts That confession cost an entire generation their destiny Forty years of wandering Forty years of watching promises turn to dust in the desert wind Forty years of knowing they could have been living in milk and honey but chose to believe in giants instead Here s the truth bomb The giants blocking your promised land aren t just out there they re inside you Fear Compromise Pride Lust Strife Deception Depression Seven ancient enemies that occupied Canaan are back and they re occupying YOU And they re winning The Pattern Repeats History doesn t just rhyme it roars The same enemies that kept Israel out of Canaan for forty years are keeping believers out of their spiritual inheritance today Different names same spirits Different weapons same war Look around How many Christians do you know who are living in the fullness of God s promises How many are walking in genuine freedom unshakeable peace and transformative power Now count how many are stuck in cycles the same battles the same defeats the same wilderness wanderings their parents and grandparents faced The giants didn t disappear They adapted They traded iron spears for invisible chains They swapped city walls for mental strongholds They exchanged physical intimidation for psychological warfare And they re more effective than ever because most of us don t even know we re in a fight Why This Matters Right Now You re at a Jordan River moment God has promises with your name on them purpose calling freedom breakthrough impact Divine appointments waiting Kingdom assignments prepared A spiritual inheritance purchased by the blood of Christ and guaranteed by His resurrection But between you and that promised land Giants Big ones Mean ones And they re not moving without a fight They ve been squatting on your territory for years maybe decades They ve convinced you their presence is normal that their voice is yours that their limitations are just reality They ve redecorated your prison cell so comfortably you ve forgotten you re in captivity The bad news These giants are real powerful and strategic They know your weaknesses better than you do They ve studied your family line learned your triggers and perfected their attacks over generations The good news They re not invincible Israel conquered them David conquered them And Christ already crushed them at Calvary The even better news You re about to learn their weaknesses their tactics and exactly how to take them down The Ancient Blueprint When God commanded Israel to drive out the seven nations of Canaan He wasn t just giving military orders He was revealing a spiritual pattern that would echo through every generation Paul understood this when he wrote These things happened to them as examples and were written down as warnings for us on whom the culmination of the ages has come 1 Corinthians 10:11 Translation The seven Canaanite nations weren t just historical peoples they re spiritual blueprints showing you exactly what s trying to sabotage your destiny Consider the precision Seven nations Not six Not eight Seven the number of completion of spiritual fullness These weren t random tribes they were a complete system of opposition a full spectrum of spiritual resistance designed to keep God s people from their inheritance The Hittites sons of terror The giant of FEAR that paralyzes your faith The Gergashites clay dwellers The giant of COMPROMISE that erodes your standards The Amorites mountain talkers The giant of PRIDE that elevates self above God The Canaanites merchants traders The giant of LUST that trades eternal for temporal The Perizzites

belonging to a village The giant of STRIFE that divides and conquers the Hivites villagers The giant of DECEPTION that distorts truth The Jebusites threshers The giant of DEPRESSION that beats you down Each name reveals nature Each territory exposes strategy Each battle teaches victory Your Promised Land Is Occupied Territory Here s what nobody told you when you got saved Accepting Christ gets you out of Egypt but it doesn t automatically get Egypt out of you Salvation breaks Pharaoh s chains but you still have to face the giants The Promised Land Your spiritual inheritance victory and abundant life in Christ The Giants Internal enemies that occupy that territory and fight to keep you out This is why so many believers live beneath their privilege They re saved but not free Forgiven but not transformed Heaven bound but earth defeated They crossed the Red Sea but never crossed the Jordan They escaped slavery but never entered abundance The land is yours by divine decree purchased by divine blood guaranteed by divine promise But it s occupied And God s method hasn t changed Little by little I will drive them out before you until you have increased enough to take possession of the land Exodus 23 30 Notice God could evict these enemies instantly He doesn t Why Because the battle isn t just about the land it s about who you become in taking it Every giant you face is designed to develop something in you that comfort never could Every victory rewrites your spiritual DNA Every conquered territory expands your capacity for God s presence and power The Cost of Coexistence Israel made a fatal mistake Instead of driving out the inhabitants completely they decided to coexist When Israel became strong they subjected the Canaanites to forced labor but did not drive them out completely Joshua 17 13 Sound familiar I can manage this fear I just won t let it control me completely A little compromise won t hurt I know where to draw the line This depression is just part of who I am I ve learned to live with it Every giant you tolerate becomes a generational curse Every enemy you refuse to confront becomes an inheritance you pass to your children The Canaanites Israel left alive became thorns in their sides and snares to their souls for generations Your compromise today is your child s captivity tomorrow Your tolerated giant becomes their inherited stronghold The battle you refuse to fight is the war they ll have to wage This Book Is Your Battle Manual This isn t another self help book with seven steps to a better you This is spiritual warfare intelligence a detailed reconnaissance report on the enemies occupying your inheritance Each chapter breaks down one giant Its Identity Who this enemy really is and how it operates Its Weapons The specific tactics and lies it uses against you Its Weakness Every giant has an Achilles heel you ll learn each one Its Defeat The exact biblical strategy to bring it down Your Victory How to not just win but occupy and maintain conquered territory You ll discover why David picked up five stones he was ready for Goliath s four brothers You ll understand why some giants take fasting to defeat while others require community You ll learn the difference between a giant that s defeated and one that s just hiding Most importantly you ll stop fighting symptoms and start destroying roots The Three Levels of Victory As you journey through this book you ll experience victory on three levels Level 1 Recognition You can t defeat what you won t identify Most believers are losing battles they don t know they re in conquered by enemies they ve befriended The first victory is simply seeing the giant for what it is not a

personality quirk not a family trait not just how life is but an enemy of your soul occupying stolen territory

Level 2 Resistance

Once exposed giants get aggressive They've been comfortable in the shadows light threatens their existence This level is where most believers get stuck they see the enemy but lack the strategy to defeat it You'll learn not just to resist but to go on the offensive

Level 3 Replacement

Empty territory invites occupation It's not enough to evict giants you must fill that space with God's presence and purpose This is where freedom becomes transformation where victory becomes inheritance where surviving becomes thriving

Ready for War

Joshua stood at the edge of the Jordan River staring at the same land that terrified his generation forty years earlier The giants hadn't shrunk The walls hadn't crumbled The challenge hadn't diminished But Joshua had changed He'd watched Moses He'd witnessed miracles He'd waited four decades for this moment And when God said Be strong and courageous Do not be afraid do not be discouraged for the LORD your God will be with you wherever you go Joshua 1:9 Joshua didn't count giants he counted on God Same command Same promise Different enemy Same God The question isn't whether you can defeat these giants Christ already won that victory The question is whether you'll appropriate what's already yours whether you'll fight for what's been freely given whether you'll possess what's been purchased Your giants are real but they're not rightful They're powerful but they're not permanent They're intimidating but they're not invincible And they know something you're about to learn Their time is up

The Journey Ahead

In the pages that follow you'll meet your enemies face to face You'll learn their names study their nature and discover their defeat But more than that you'll meet the Giant Killer who lives in you the One who makes grasshoppers into giant slayers who turns shepherd boys into kings who transforms fugitives into warriors This isn't just about winning battles It's about taking territory It's about generational deliverance It's about becoming who God created you to be and doing what God created you to do The giants are real The war is real But so is your victory So is your inheritance So is the God who goes before you Let's go giant hunting

A Final Word Before We Begin

One last thing Giants don't die quietly When you start this journey expect pushback Expect the very enemies exposed in these pages to rage against your reading to distract your attention to minimize the message They know what happens when God's people get serious about their inheritance But remember Their intimidation is proof of their desperation Their roar reveals their fear They know that an awakened equipped determined child of God is their worst nightmare You're about to become that nightmare Welcome to the war you were born to win

The Healing Gods

Candy Gunther Brown, 2013-07-30 The question typically asked about complementary and alternative medicine CAM is whether it works However an issue of equal or greater significance is why it is supposed to work

The Healing Gods

Complementary and Alternative Medicine in Christian America explains how and why CAM entered the American biomedical mainstream and won cultural acceptance even among evangelical and other theologically conservative Christians despite its ties to non-Christian religions and the lack of scientific evidence of its efficacy and safety Before the 1960s most of the practices Candy Gunther Brown considers yoga chiropractic acupuncture Reiki Therapeutic Touch meditation martial arts homeopathy anticancer

diets were dismissed as medically and religiously questionable These once suspect health practices gained approval as they were re categorized as non religious though generically spiritual health care fitness or scientific techniques Although CAM claims are similar to religious claims CAM gained cultural legitimacy because people interpret it as science instead of religion Holistic health care raises ethical and legal questions of informed consent consumer protection and religious establishment at the center of biomedical ethics tort law and constitutional law The Healing Gods confronts these issues getting to the heart of values such as personal autonomy self determination religious equality and religious voluntarism

The Judgments of the Watchers James Lewallen,2022-08-01 The author of this book was driven by a vision that God so impressed upon him that he was compelled to understand its interpretation and purpose Contained herein is a detailed account of the ancient Watchers during the early times of earth s co habitation with mankind As such we are finally given a meticulously clear account of the origin of not simply the sin nature but the vehicle of the perversion and wickedness that we have inherited in our lives today By way of a rebellion that was diabolical in nature this wickedness was brought to the earthly plane by a group of fallen angels from the angelic realm who in their righteous state were called Holy Watchers These angelic hosts were created by God Himself to act as protectors and guardians of mankind in accordance with the Creator s purpose however there was a group of these Watchers fallen angels who left their heavenly abode and their responsibility for which they were created as protectorates for humanity and were driven from Heaven by their own compulsion of lust for the beautiful women of the earth The result has been catastrophic to mankind The offspring of these fallen angels became the Giants in the land the Nephilim who brought forth such a vile and perverse nature of evil into the earth that God the Father of Creation was forced to bring His judgments upon the evil Watchers and their offspring In the meantime even since the flood the effect of this rebellious nature upon the earth has been to defile mankind and everything aligned with goodness and truth And mankind is still contending with this evil to this day *The Big Picture Making Sense Out of Life and Religion* Sean Williams,2009-06-01 This book points out the undeniable similarities between The Gospel of Thomas the psychedelic experience the mystic path and the near death experience in order to put together the big picture and expose the truth about our existence Can you put together the similarities and understand the TRUTH that organized religion and the government have sought to keep from us Do you have the ears to HEAR Provincial Families of the Renaissance James S. than those of Florence Venice and Milan In addition writes historian James Grubb these experiences offer new perspectives from which to reassess familiar assumptions about domestic life in the fifteenth century Based on memoirs and other records left by thirteen merchant families from the Veneto cities of Verona and Vincenza Provincial Families of the Renaissance is an engrossing study of daily lives that have until now been overlooked by scholars Grubb examines the attitudes and experiences of families undistinguished in their modest means and local ambitions from the majority of their compatriots uncovering a detailed historical landscape rich in social obligations commercial activities and religious beliefs Grubb s comprehensive analysis of his subjects compelling if inconspicuous lives investigates every significant aspect of private experience during the Renaissance marriage birth death household relations work land social status and spirituality In reconstructing provincial life in the Veneto Grubb discovers in his subjects an independence of mind that mediated their reception of metropolitan ideologies far more than the historiography of the Renaissance might suggest These unremarkable provincials were agents of their own destiny influenced in equal measures by prevailing attitudes local customs and personal convictions James Grubb is exploring new terrain in this book Distinguished by its clarity and eloquence this is a superior work of historical writing and analysis that merits comparison with the best monographs on the social history of Renaissance Italy Gene Brucker University of California at Berkeley
