Birds Speak-out ... Joe Bishop, 2008-08-29 A Word To The Reader This Book is for the Birds It is their answer to the Lion King and the watery search for the fish named Nemo Birds collect a lot of history since they fly all over the world They are not restricted to the land as the Lion King nor the Fish limited to the water They collect information written on the walls of dark caves by the mouse disguised as a Bird the Bat they collect nautical information from Sea Gulls and they have been known to extract information from the toughest person by squeezing it from him her when hung around his her neck as an Albatross If there are any grammatical errors in this Book they are due to the strict one to one translation of the information the Author collected from the traditional chirping Birds and those who talk squawk and quack such as Parrots Crows and Ducks Also errors may have occurred when the Birds gathered information written in Ebonics and that information was translated by the Secretary Bird into Ebirdnics the universal language of the Birds Draft versions of this Book have existed at various times and the Covers of those draft versions have been included in this Book
