

The background of the slide is a painting of a mountain landscape. In the foreground, there are dark, reddish-brown, rocky slopes. In the middle ground, there are steep, rugged mountains with patches of yellowish-brown and green. The sky is a pale, hazy blue with soft white clouds. A dark green horizontal band is overlaid on the upper part of the image, containing the title and author's name in white text.

Changing The Rules Jennifer C. Kelsey,2016-01-06 We often hear that gaining the vote was the first major legal change for women in this country the subject is now included as a part of our national curriculum We have undoubtedly come a long way women today lead very different lives to ones they led in the past But how did we get here Do you know what actually happened between the time when a wife was expected to be submissive to her husband treated as a second class citizen and confined to her domestic sphere and the liberating time when women finally achieved the financial and legal independence that could be so easily taken for granted This had to be achieved before the vote was even won Western women today have the privilege of a relatively equal footing but all around us we hear stories of women in other cultures who are in the process of obtaining this freedom or who are still desperately fighting for it We have been there the parallels are obvious we only have to look back Changing the Rules looks at how children were conditioned to play their future parts in the marriage game and how Victorian women went on to challenge the rules of play By listening to the women s voices and by sharing their own often shocking experiences you will learn to appreciate just how difficult their task was and why we should not undervalue their achievement This fascinating look back into women s history will appeal to those with an interest in the Victorian period as well as readers wishing to learn more about the struggles that women faced

Good Housekeeping ,1921 The Boarding School Girls Soosan Latham,Roya Ferdows,2017-09-06 They were children Put on a train in a strange land they waved goodbye to a parent as they headed to an educational institution that unbeknownst to them was to become their new home Separated from their loving families they strived to meet the expectations of the grownups and in some cases to rebel against them Now independent women compassionate mothers and astute professionals they look back on their youth in the 1960 s and 1970 s to make sense of why they were sent away and to give meaning to the sources that have sustained them over the years Ex boarders themselves Latham and Ferdows provide vivid and emotionally embodied narratives of everyday lives of The Boarding School Girls This unique collection of stories

explores key issues of identity and lifespan development to seek understanding of the influence of national religious and family culture on development within two conflicting sets of cultural values Combining unique qualitative data with illuminating tales of resilience and accomplishment in what is likely to simultaneously inform and inspire readers with feelings of joy and sadness love and hate abandonment and hope but mainly trust and forgiveness The stories of eleven little rich Persian girls are a nostalgic reminder of their past cross cultural ordeals a pragmatic perspective on psychological implications of boarding school education in England and a celebration of the possibilities of the future The Boarding School Girls is valuable reading for students in cultural developmental and educational psychology and the humanities as well as clinical psychologists and educators looking at the impact of boarding school on adolescent development *Folk Dancing for High School Girls* ,1925
