Making Of The Pope 2005:

The Making of the Pope 2005 Andrew M. Greeley, 2005-09-28 Father Andrew Greeley recounts the dramatic unfolding of the centuries old conclave of cardinals in this firsthand account of the papal election of 2005 16 page insert *Pope Benedict XVI* Thomas Streissguth, 2006-08-15 Biography of the German Cardinal who succeeded John Paul II to become Pope Benedict XVI

Tuning the Rig Fred Herron, 2012-07-10 To tune the rig describes adjusting a ship s rigging the rig of a well tuned boat allows the sails to function well This task must be performed to ensure the best performance by the ship Tuning the Rig takes that metaphor as a guide for Catholic educators and administrators as well as for the larger church It argues from a variety of perspectives rooted in the Catholic imagination that the rig constantly needs to be re tuned to balance between visions of the church as teacher and learner Why should this matter to Catholic educators To Herron our understanding of the church as learner is at the heart of our understanding of ourselves as disciples One of the logical consequences of this era of baptismal consciousness is a rising awareness on the part of the laity that their task is not simply to pay pray and obey but to grow and journey in faith Herron s focus ranges from issues closely pertaining to Catholic schools to the larger questions of the Catholic imagination The underlying thread however is the challenge of maintaining the richness of the Catholic imagination of tuning the rig in changing times and the ordinary life of the church Closing Chapters Thomas G. Welsh, 2011-12-16 Closing Chapters attempts to explain the disintegration of urban parochial schools in Youngstown Ohio a onetime industrial center that lost all but one of its eighteen Catholic parochial elementary schools between 1960 and 2006 Through this examination of Youngstown Welsh sheds light on a significant national phenomenon the fragmentation of American Catholic identity

Roman Catholicism in America Chester Gillis, 2020-03-24 Who are American Catholics and what do they believe and practice How has American Catholicism influenced and been influenced by American culture and society This book examines the history of American Catholics from the colonial era to the present with an emphasis on changes and challenges in the contemporary church Chester Gillis chronicles America Catholics where they have come from how they have integrated into American society and how the church has influenced their lives He highlights key events and people examines data on Catholics and their relationship to the church and considers the church s positions and actions on politics education and gender and sexuality in the context of its history and doctrines This second edition of *Roman Catholicism in America* pays particular attention to the tumultuous past twenty years and points toward the future of the religion in the United States It examines the unprecedented crisis of sexual abuse by priests the legal moral financial and institutional repercussions of which continue to this day and the bishops role in it Gillis also discusses the election of Pope Francis and the controversial role Catholic leadership has played in American politics
