## **Merchants In Plenty Joseph Smyths Belfast Directories Of 1807 And 1808:**

*Merchants in Plenty* J. R. R. Adams, Joseph Smyth, 1991 The Belfast of the first decade of the 19th century was a bustling and growing town of some 22 000 inhabitants It was dominated by the cotton industry and the linen trade The foundations of such potentially important enterprises as engineering and shipbuilding were being laid Yet this was still a period when a trip to Dublin took 21 hours by coach with a double guard for extra security and when the inhabitants were ferried around the town by sedan chair The directories here reprinted from unique copies in the Linen Hall Library vividly recreate this Belfast of cotton mills and learned societies sailmakers and booksellers It will be of interest both to genealogists and to those who care for the history of Belfast

### **Tracing your Family History using Irish Newspapers and other Printed Materials**

*The 'Natural Leaders' and their World* Jonathan Jeffrey Wright, 2013-01-03 This book is a richly detailed exploration of the complex and cosmopolitan urban culture inhabited by the Presbyterian elite of late Georgian Belfast which will prove to be of interest to a wide range of scholars working on the political cultural and intellectual histories of both Ireland and Britain during the age of reform

### **Women, Politics, and the Irish Public Sphere in the Age of Revolution**

Catriona Kennedy, 2025-04-28 The late eighteenth century age of revolutions has long been identified as a key moment in the gendering of modern democratic politics one which opened up new debates on the rights of women while often re affirming the masculinity of the political citizen In Ireland the revolutionary era saw the rise of the radical United Irish movement mass popular mobilisation and reached a violent d nouement in the 1798 rebellion But what did Ireland s age of revolution mean for women Was radical republicanism able to imagine women as political actors How did Irish women experience and navigate the intense ideological conflicts of the 1790s Addressing these and related questions this is the first book length study of women and Irish politics in the late eighteenth century Revising a stubborn tendency to present women s political engagements in this period as largely mediated through men it stresses instead women s concerns initiatives and networks It reconstructs the distinctively gendered political cultures of Ireland s principal communities the dynastic politics of the Protestant elite the dynamic oppositional culture of Belfast Presbyterianism the urban and agrarian radicalism of unpropertied Catholics and asks how these shaped the meanings of the 1790s for women In looking beyond the homosocial

spaces of the club pub lodge and corps it reveals a complexly gendered public sphere in which women were often active participants As the subjects of United Irish addresses religious sermons state surveillance and post rebellion commemoration women emerge as a clear if overlooked constituency in Ireland s age of revolution And it suggests how our understanding of revolution might change when viewed from the perspective of women

**The Presbyterians of Ulster, 1680-1730** Robert Whan, 2013 A comprehensive survey and analysis of the Presbyterian community in its important formative period The Presbyterian community in Ulster was created by waves of immigration massively reinforced in the 1690s as Scots fled successive poor harvests and famine and by 1700 Presbyterians formed the largest Protestant community in the north of Ireland This book is a comprehensive survey and analysis of the Presbyterian community in this important formative period It shows how the Presbyterians formed a highly organised self confident community which exercised a rigorous discipline over its members and had a well developed intellectual life It considers the various social groups within the community demonstrating how the always small aristocratic and gentry component dwindled and was virtually extinct by the 1730s the Presbyterians deriving their strength from the middling sorts clergy doctors lawyers merchants traders and in particular successful farmers and those active in the rapidly growing linen trades and among the laborious poor It discusses how Presbyterians were part of the economically dynamic element of Irish society how they took the lead in the emigration movement to the American colonies and how they maintained links with Scotland and related to other communities in Ireland and elsewhere Later in the eighteenth century the Presbyterian community went on to form the backbone of the Republican separatist movement ROBERT WHAN obtained his Ph D in History from Queen s University Belfast

*John Mitchel, Ulster and the Great Irish Famine* Kenneth Dawson, 2017-07-25 The Belfast Jacobin is the first ever biography of Samuel Neilson a founding member of the Society of United Irishmen whose profound influence on this radical movement was to alter the course of Irish history Samuel Neilson joined Wolfe Tone and Thomas Russell at the inaugural meeting of the United Irishmen in 1791 forming a radical front that would challenge the political realities of the day in increasingly strident ways As editor of the Northern Star Neilson was to be a principal figure in shaping the United Irishmen s ideology before the newspaper was suppressed by the military He brought the excitement caused by the French Revolution into Irish focus putting public dissatisfaction into words and later gathering the forces necessary for revolt Kenneth Dawson conducting original research and drawing upon innumerable archive sources reveals Neilson s formidable strength as an organiser of radical politics his incessant run ins with the authorities and his central role in planning the United Irish Rebellion of 1798 Samuel Neilson brought talk of revolution to the street The Belfast Jacobin is a pivotal history that illuminates the true import of his deeds and writing sorely obscured in many accounts of the 1790s

*The First Irish Cities* David Dickson, 2021-06-08 The untold story of a group of Irish cities and their remarkable development before the age of industrialization A backward corner of Europe in 1600 Ireland was transformed during the following centuries This was most evident in the rise of its

cities notably Dublin and Cork David Dickson explores ten urban centers and their patterns of physical social and cultural evolution relating this to the legacies of a violent past and he reflects on their subsequent partial eclipse Beautifully illustrated this account reveals how the country's cities were distinctive and through the Irish diaspora influential beyond Ireland's shores

**Familia 1994: Ulster Geneological Review: Number 10** Trevor Parkhill, 1994-12 Familia which was first published in 1985 aims to provide informed writing on sources and case studies relating to that area where Irish history and genealogy overlap with mutual benefit Members of the Foundation's Guild receive Familia and the Directory of Irish Family History Research as part of the return on their annual subscription

**The First Great Charity of This Town** Olwen Purdue, 2022-08-24 Belfast Charitable Society was established in 1752 with the purpose of raising funds to build a poorhouse and hospital for the poor of Belfast twenty years later the foundation stone of the Poorhouse was laid From here the Society would go on to assume increasing responsibility for a range of matters relating to health welfare and public order and its members would play a key part in the civic life of Belfast It continues to provide vital social services to this day and its Poorhouse now Clifton House is still one of the finest buildings in the city During the century following the establishment of the Society Belfast was transformed from a relatively small mercantile town into a major industrial city a transformation that was accompanied by political upheaval and the major societal challenges associated with rapid industrialisation and urban growth Taking as its focus the work of the Society the global connections that influenced its thinking and the societal issues it sought to address this fascinating volume provides valuable insights into the wider social economic and political life of the nineteenth century Irish town of which the Society became such an iconic part
