Mere Christian Stories From The Light:

Mere Christian Michael Coren, 2002 Thank you for the tears dear brother Yes that is what I have just shed After reading your deeply moving stories What stories Michael I have just sent them round our office staff and the tears are flowing with gratitude for the marvelous goodness of God Thank you for your friendship RAVI ZACHARIAS Michael Coren is abundantly worth reading His unique perspectives open up whole new vistas on the Christian faith We are fortunate to have this new book from him TONY CAMPOLO Sometimes laughter sometimes confrontation always informative and intellectually stimulating Michael skillfully nudges me into thinking laterally about issues small and great His newspaper columns his books published in many languages and his personal appearances have the same practical attitude changing impact DAVID MAINSE Michael Coren well known journalist TV radio host and author of more than 10 books including a popular C S Lewis biography takes a cue from the master story teller himself borrowing from one of his great titles and delivering some Lewis style inspiring stories of his own Mere Christian is a collection of heart warming stories and strong opinions with a refreshing perspective on God s presence in the life of every believer This book contains some of Michael s best insights and wit It s filled with carefully woven reflections on Christendom s most controversial subjects and moving anecdotes that will bring the reader into contact with ordinary people who experience the extraordinary work of God in their every day lives Michael can be reached at www.michaelcoren.com Reading Light William H Cooper Jr, 2018-05-23 What are Christians filling their minds with in order to stand strong in this present age of postmodernism and total moral relevance This is a question that springs to mind when one scans the shelves of the local Christian bookstore With that in mind Reading Light presents guidance for Christian readers featuring recommendations for Christian books that were both educational and enjoyable It serves not as a scholar offering a lecture but as a friend sharing a good read with others and describing what benefits they can gain from each book Author William H Cooper Jr stresses the need for Christians to read books with spiritual substance He focuses on ten authors and their most prominent works exploring their lives and considering the reasons each book might be beneficial Intended for individuals Sunday school groups or book clubs this guide provides Christians with essential recommendations for readable books with the promise of great reward Shadowlands and Songs of Light Kevin Ott, 2016-10-01 The Bible tells Christians not to grieve as the world grieves and to rejoice in their sufferings Yet when author Kevin Ott lost his mother unexpectedly in 2010 he sank into a wintry depression When life seemed the darkest something surprising happened While exploring eighteen C S Lewis books and thirteen U2 albums he experienced tremendous stabs of joy the unusual heaven birthed joy that Lewis wrote about in the midst of grief This revelation not only pulled Kevin out of depression it forever changed the way he experienced the love and joy of Christ In Shadowlands and Songs of Light you will Learn fascinating details about C S Lewis discover his unique definition of joy understand how to apply his revelations about joy to suffering and learn to recognize and cooperate with God s strategic use of joy Enjoy a grand tour of U2 s discography

with a special emphasis on their exploration of joy and suffering Clearly understand from the perspective of music theory explained in common terms why the music of U2 is so emotionally powerful and how it serves as a perfect analogy for Lewis's concepts of joy and the Christian ability to rejoice in suffering Find inspiration from the personal stories of U2 especially the tragedies that engulfed their youth in Dublin and see how they worked through that grief and discovered a joy that has kept the band together for over thirty five years When the out of control nature of the world and your weaknesses throw you off balance you can experience God's grandeur and joy discovering heaven's perspective until it becomes your instinctive default vantage point every day Light, 1927 **New Light from Old Stories** Leslie J. Hoppe, 2005 The Hebrew Scriptures far from being merely a prelude leading up to the New Testament are replete with theological values that can illumine the Christian life today The author explicates this thesis by demonstrating how these values are underscored in Old Testament stories He groups the representative samples of these stories in six chapters Beginning Moses and the Exodus Brothers Heroes Kings and Prophets Each chapter shows how these old stories shed light on the values concerns challenges and ideals of Christians today Parish Bible studies college and seminary courses on Old Testament and on preaching and anyone who wishes to learn more about how Scripture can enrich their lives will benefit from this book **BOOK JACKET** **The Light on the Tracks** Greg S. Sykes, 2013-01-25 In the days leading up to World War II young Sam McCord searches for an escape from the world crumbling around him through the pursuit of a local legend the Light on the Tracks The Light appears every fall around Halloween and dances and shimmer on the railroad tracks south of town beckoning shifting hinting Some say it's a ghost others say it's an angel Some claim they have heard it whisper words to them as they rode past on the midnight train others claim it has reached for them as if it had human hands They felt its shimmering heat caress their skin but was it a gesture of affection or hunger The legend grows as the sightings continue and Sam is enraptured by his pursuit of the legend It's his escape from a life gone awry His father was once the most respected most influential man in town as he preached from the pulpit in the little one room church but a deadly illness swept Sam's mother from this life and stole his father's sight and the people of Black Mountain claim the blindness is God's judgment the reckoning of the Almighty for some secret sin the McCords were hiding Of course life didn't get any easier when his father adopted Sam's older brother Simon named after the man that bore Jesus' cross to Golgotha Simon has his own cross to bear he's the adopted son of the town's outcast but more importantly he's black in a city of white Southerners The Ku Klux Klan has been active in the last few months and Simon's name continually makes the circuits of the town rumor mill The Klan is coming for him The question isn't if it's when

Hope & Death: Christian Responses MICHAEL A. DAUPHINAIS, ROGER W. NUTT, 2023-01-27 Paul famously challenges his readers in 1 Corinthians If for this life only we have hoped in Christ we are of all men most to be pitied What does it mean to hope in Christ for the life to come How can we intellectually defend such hope in the midst of secularist and materialist trends so prevalent in contemporary society Even if we believe as Christians in eternal life how do we find

meaning in such hope when the injustices of the world and our own suffering often loom so large Drawing primarily upon the witness of biblical revelation and its reception and formulation in the teachings of Thomas Aquinas the essays in Hope Death Christian Responses answer contemporary questions related to how Christians might face suffering and death with hopeful minds and hearts The essays recover Christian hope in three main parts what hope reveals about God s nature and his providence how hope responds to and clarifies the meaning of human suffering and the way in which all hope draws human beings to an end beyond this world CONTRIBUTORS GUY MANSINI OSB ANDREW D SWAFFORD MATTHEW J RAMAGE WILLIAM M WRIGHT IV ROGER W NUTT MICHAEL A DAUPHINAIS JEFFREY M WALKEY JOHN RZIHA ROMANUS CESSARIO OP STEVEN A LONG ADAM VAN WART TAYLOR PATRICK O NEILL BRYAN KROMHOLTZ OP Living Salty and Light-filled Lives in the Workplace, Second Edition Luke Brad Bobo, 2017-05-31 The workplace can be very rewarding for the Christian worker But let s face it the workplace can also be the most challenging place to be salt and light as Jesus commands in Matt 5 13 16 It is daunting to consider that on average we work 90 000 hours over the course of our working lives Living Salty and Light filled Lives in the Workplace gives Christian workers some practical ways to be salt and light in the workplace It will help the Christian white and blue collar worker live salty and light filled lives in the workplace *Dark and Light Stories* Eustace Clare Grenville Murray, 1880 *Revisiting Narnia* Shanna Caughey, 2009-06-22 Theologians psychologists academics feminists and fantasists offer humor insight and fresh perspectives on the enchanting and beloved Chronicles of Narnia series Such contributors as fantasists Sarah Zettel and Lawrence Watt Evans children s literature scholar Naomi Wood and C S Lewis scholars Colin Duriez and Joseph Pearce discuss topics such as J R R Tolkien and Middle Earth s influence on the conception of Narnia the relevance of allegory for both Christians and non Christians the idea of divine providence in Narnia and Narnia s influence on modern day witchcraft Fans of the wildly popular series will revel in the examination of all aspects of C S Lewis and his magical Narnia Stories in Light and Shadow Bret Harte, 2016-10-01 This eclectic collection of stories from American author Bret Harte highlights his skill with characterization and ingenious plot construction Unser Karl an espionage tale set in Germany has a surprising twist ending The Passing of Enriquez is the final episode in a series of tales recounting the exploits of Enriquez Saltello a charming and loquacious fellow whose bad luck in love is legendary Family of Light Barbara Marciniak, 1998-10-01 With compassion and compelling insight the Pleiadians those system busting time travelers from the future take us on a journey through the uncharted lands of The Book of Earth which comprises all human experience While our world goes belly up in these most absurd of times they offer us tools for survival During the crucial period between 1987 and 2012 a nanosecond in the annals of existence where secrets and solutions are stored we have the unique opportunity to move from the deepest of density to the highest of frequencies where we shift from linear to multi dimensional living To make this transition we must face not only the limitations of our 3 D world with its electronic manipulation and mind control we must embrace our own wounds and those of our ancestors and

our leaders To heal ourselves to raise our frequency from one of despair and fear to one of great inspiration and love the Pleiadians urge us to rethink and reevaluate our lives You shall change you will change you must change because this is the season of change

Reader's Guide to Literature in English Mark Hawkins-Dady,2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study

Slow to Judge David Capes,Refraction,2015-07-07 God invites us to judge and to help correct wrongs from a place of understanding Sometimes we pre judge a person based on our own biases and superficial experiences We stifle dialog before the conversation even begins If all we know is our own faith and we never put it side by side with what others believe our spiritual growth and commitments can be easily stunted By truly listening and learning from those with different beliefs we can broaden and deepen our kingdom commitments It is possible to stand up for Jesus to articulate our faith clearly as witnesses and to defend our faith effectively while at the same time not being perceived as judgmental Christians need to be faithful witnesses to God who are willing to listen to people with drastically different stories In those exchanges when we suspend judgment and truly listen we will find truth and beauty and goodness in some of the most unexpected places We will also find that if we truly listen we may be given a chance to speak Features include Help for interfaith and intercultural dialog Thought provoking questions for spiritual conversation or reflection

Surprised by Laughter Terry Lindvall,2012-01-17 Surprised by Laughter looks at the career and writings of C S Lewis and discovers a man whose life and beliefs were sustained by joy and humor All of his life C S Lewis possessed a spirit of individuality An atheist from childhood he became a Christian as an adult and eventually knew international acclaim as a respected theologian He was known worldwide for his works of fiction especially the Chronicles of Narnia and for his books on life and faith including Mere Christianity A Grief Observed and Surprised by Joy But perhaps the most visible difference in his life was his abiding sense of humor It was through this humor that he often reached his readers and listeners allowing him to effectively touch so many lives Terry Lindvall takes an in depth look at Lewis s joyful approach toward living dividing his study of C S Lewis s wit into the four origins of laughter in Uncle Screwtape s eleventh letter to a junior devil in Lewis s The Screwtape Letters joy fun the joke proper and flippancy Lindvall writes One bright and compelling feature we can see sparking in his sunlight and dancing in his moonlight is laughter Yet it is not too large to see at once because it inhabited all Lewis was and did Surprised by Laughter reveals a Lewis who enjoyed the gift of laughter and who willingly shared that gift with others in order to spread his faith

The History of Christianity in the Light of Modern Knowledge Cyril Bailey (and others.),1929 *Imagination and the Arts in C. S. Lewis* Peter J. Schakel,2011 Imagination has long been regarded as central to C S Lewis s life and to his creative and critical works but this is the first study to provide a thorough analysis of his theory of imagination including the different ways he

used the word and how those uses relate to each other Peter Schakel begins by concentrating on the way reading or engaging with the other arts is an imaginative activity He focuses on three books in which imagination is the central theme Surprised by Joy An Experiment in Criticism and The Discarded Image and shows the important role of imagination in Lewis s theory of education He then examines imagination and reading in Lewis s fiction concentrating specifically on the Chronicles of Narnia the most imaginative of his works He looks at how the imaginative experience of reading the Chronicles is affected by the physical texture of the books the illustrations revisions of the texts the order in which the books are read and their narrative voice the storyteller who becomes almost a character in the stories Imagination and the Arts in C S Lewis also explores Lewis s ideas about imagination in the nonliterary arts Although Lewis regarded engagement with the arts as essential to a well rounded and satisfying life critics of his work and even biographers have given little attention to this aspect of his life Schakel reviews the place of music dance art and architecture in Lewis s life the ways in which he uses them as content in his poems and stories and how he develops some of the deepest most significant themes of his stories through them Schakel concludes by analyzing the uses and abuses of imagination He looks first at moral imagination Although Lewis did not use this term Schakel shows how Lewis developed the concept in That Hideous Strength and The Abolition of Man long before it became popularized in the 1980s and 1990s While readers often concentrate on the Christian dimension of Lewis s works equally or more important to him was their moral dimension Imagination and the Arts in C S Lewis will appeal to students and teachers of both children s literature and twentieth century British writers It will also be of value to readers who wish to compare Lewis s creations with more recent imaginative works such as the Harry Potter series Fresh Light from the Ancient Monuments Sayce,1885 *Fresh Light from the Ancient Monuments* Archibald Henry Sayce,1885
