DIVINE LOVE - Transforming the Soul James E. Padgett (Recorder),2008-08-18 This is volume one of 5 books Altogether the books contain the messages received from angelic realms by means of automatic writing through the mediumistic work of James E Padgett between 1914 and 1920 They reveal information such as the realities of the spirit and soul universe the qualities and attributes of the Creator laws of Divine Love and natural Love qualities of Absolute Truth understanding the human soul spirit body and mortal body soul progression on earth and in the spirit world spiritual laws such as the law of compensation and the law of attraction the two paths of spiritual development as first presented by Jesus in the first century each path resulting in the purification of the soul but only one path resulting in eternal progression complete emotional bliss and immortality The major theme of the basic principles governing the reception of Divine Love by the human soul is also covered *The Southwestern Reporter* ,1918 *Gospel of Divine Love - Revealed by Jesus* James E. Padgett

(Medium),2008-12-01 Can beliefs be healed that were created in error Of course they can and this is precisely why Jesus returned to give these messages to mankind He did this in order to show the truths he taught 2 000 years ago Yes he did return and rather than take time to show the many errors in the Bible Jesus instead presents what he really said and meant Read this book and investigate the central message of Jesus revealed anew today The core teaching of Jesus is that it is the will of our Heavenly Father to give the great gift of His Divine Love Learn what this means and how this love may change your life This book is a new compilation of selected spirit writings from a larger collection generally known as the Padgett Messages James Padgett received these messages between 1914 and 1920 and though they were delivered by the spirit world nearly a century ago the reader will discover that they remain relevant and true today **Love Is in the Air** Brenda J. Scruggs,2021-04-19 Love Is in the Air Letter 79 Dear Frederick Did you know that an act of generosity can move you delight you and shake up your world in the most wonderful way Well it can Your generosity of time has moved me delighted me and has shaken up my world in a wonderful way I appreciate you spending so much time with me on the telephone I can t even begin to imagine how things would have been had we not been able to communicate in that way Everybody s time is important to them yet you have shared so much of yours with me I love you Frederick Yours forever and a day Lauren This novel was written based on actual events After having been in a great marriage for many years Lauren was saddened by the death of her husband She could not remain stagnant she had to move on with her life Once you are in a loving relationship and it ends knowing what love is and how it feels you want to be in another loving relationship Lauren met several men along the way but none of them was what she was looking for Then along came Frederick Frederick attended the same high school

as Lauren but they did not really know each other during those years They knew of each other but they did not know each other Who knew that years later they would meet and share in a relationship Lauren was a devout Christian and Frederick was not A rocky road is ahead for Lauren and Frederick as they try to adjust to each other as well as accommodate their families desires for them to not be in a relationship Much drama surrounds this couple as they try to plug her positive into his negative Will they make it Only time will tell This is their story as told by Lauren *Good Or God?* John Bevere,2015-08-11 These days the terms good and God seem synonymous We believe what s generally accepted as good must be in line with God s will Generosity humility justice good Selfishness arrogance cruelty evil The distinction seems pretty straightforward But is that all there is to it If good is so obvious why does the Bible say that we need discernment to recognize it Good or God isn t another self help message This book will do more than ask you to change your behavior It will empower you to engage with God on a level that will change every aspect of your life Love Online Aaron Ben-Ze'ev,2004-01-19 Computers have changed not just the way we work but the way we love Falling in and out of love flirting cheating even having sex online have all become part of the modern way of living and loving Yet we know very little about these new types of relationship How is an online affair where the two people involved may never see or meet each other different from an affair in the real world Is online sex still cheating on your partner Why do people tell complete strangers their most intimate secrets What are the rules of engagement Will online affairs change the monogamous nature of romantic relationships These are just some of the questions Professor Aaron Ben Ze ev distinguished writer and academic addresses in this book a full length study of love online Accessible shocking entertaining enlightening this book will change the way you look at cyberspace and love forever
