REDEMPTION OF THE DAMNED: VOL. 1 AERIAL PHENOMENA Martin Shough, 2019-06-28
UNRAVELLING AERIAL MYSTERIES OF THE PAST Charles Fort published his first and most influential book *The Book of the Damned* a century ago in 1919, collecting together many historical reports of strange aerial phenomena. Since the birth of the UFO controversy in 1947, Fort's writings have been cited in countless books and web pages. Yet this is the first time in a hundred years that researchers have systematically verified the sources and content of every one of these oft-recycled stories, correcting many errors, placing each case in its historical context, and submitting it to a careful scientific investigation in an attempt to find a conventional answer. What were these reported phenomena? Is it possible to find non-exotic explanations? With the advantage of modern knowledge, methods, and resources, in most cases, the answer proves to be yes. Some of the solutions found may shock the general reader and surprise even specialists. Yet in the end, a few well-documented events remain unexplained.
