Collins, Chester Gould, 2005 Dick Tracy debuted in American newspapers in 1931 a revolutionary cops and robbers strip that drew its inspiration from the mob drenched headlines of the day Hero Tracy had joined the police force in the wake of a personal tragedy and set out to settle the score with an endless string of underworld figures Acclaimed mystery author Max Allan Collins took over scripting duties on Dick Tracy from the strip's creator Chester Gould in 1978 and began an 11 year run on the strip that was at once faithful to the original and as innovative as had been the original on its first publication
