Pragmatism And Political Theory:

Pragmatism and Political Theory Matthew Festenstein, 2013-04-24 This exciting new book is the first comprehensive and critical study of the relationship between the Pragmatist tradition and political theory Festenstein develops his argument through a detailed and original reading of four key thinkers John Dewey Richard Rorty Jurgen Habermas and Hilary Putnam

Pragmatism and Political Theory Matthew Festenstein, 1997 This exciting new book is the first comprehensive and critical study of the relationship between the Pragmatist tradition and political theory Festenstein develops his argument through a detailed and original reading of four key thinkers John Dewey Richard Rorty Jurgen Habermas and Hilary Putnam

Pragmatism and Political Theory Matthew Festenstein, 1997-12-22 Pragmatism has enjoyed a considerable revival in the latter part of the twentieth century but what precisely constitutes pragmatism remains a matter of dispute In reconstructing the pragmatic tradition in political philosophy Matthew Festenstein rejects the idea that it is a single cohesive doctrine His incisive analysis brings out the commonalities and shared concerns among contemporary pragmatists while making clear their differences in how they would resolve those concerns His study begins with the work of John Dewey and the moral and psychological conceptions that shaped his philosophy Here Festenstein lays out the major philosophic issues with which first Dewey and then his heirs would grapple The book's second part traces how Dewey's approach has been differently developed especially in the work of three contemporary pragmatic thinkers Richard Rorty Jurgen Habermas and Hilary Putnam This first full length critical study of the relationship between the pragmatist tradition and political philosophy fills a significant gap in contemporary thought

Richard Rorty Michael Bacon, 2007-01-01 Richard Rorty is both the most prominent and the most provocative recent exponent of pragmatism This book offers a sympathetic reconstruction of Rorty's account of pragmatism in which the aspiration to underwrite inquiry by reference to standards outside of any particular community is given up in favor of a view of inquiry as answerable exclusively to the norms implicit within contingent human practices Rorty hopes that pragmatism so conceived can help effect a transition towards what he calls an anti authoritarian society a society in which responsibility is owed solely to one's fellow citizens The book examines the relationship between pragmatism and political liberalism a form of liberalism which sets aside discussion of truth and value and seeks instead to derive a constitutional settlement in which citizens can freely pursue their individual projects and purposes It presents a critical assessment of Rorty's ideal of a liberal utopia inhabited by strong poets and liberal ironists By focusing on the relationship between the philosophical and political the book argues that Rorty provides a compelling statement of pragmatism containing insights that command the attention of contemporary liberal philosophers Through textual analysis and reconstruction it argues that while Rorty's account needs to be amended at several points it remains a powerful and attractive one and not the incoherent and pernicious folly that critics often take it to be Well researched lively and succinct Richard Rorty Pragmatism and Political Liberalism is ideally suited to specialists and graduate students in philosophy and

political theory Pragmatism and the Wide View of Democracy Roberto Frega, 2019-06-22 The aim of this book is to provide a fresh wider and more compelling account of democracy than the one we usually find in conventional contemporary political theory Telling the story of democracy as a broad societal project rather than as merely a political regime Frega delivers an account more in tune with our everyday experience and ordinary intuitions bringing back into political theory the notion that democracy denotes first and foremost a form of society and only secondarily a specific political regime The theoretical shift accomplished is major Claiming that such a view of democracy is capable of replacing the mainstream categories of justice freedom and non domination in their hegemonic function of all encompassing political concepts Frega then argues for democracy as the broader normative framework within which to rethink the meaning and forms of associated living in all spheres of personal social economic and political life Drawing on diverse traditions of American pragmatism and critical theory as well as tackling political issues which are at the core of contemporary theoretical debates this book invites a rethinking of political theory to one more concerned with the political circumstances of social life rather than remaining confined in the narrowly circumscribed space of a theory of government The Priority of Democracy Jack Knight, James Johnson, 2011-08-22 Why democracy is the best way of deciding how decisions should be made Pragmatism and its consequences are central issues in American politics today yet scholars rarely examine in detail the relationship between pragmatism and politics In The Priority of Democracy Jack Knight and James Johnson systematically explore the subject and make a strong case for adopting a pragmatist approach to democratic politics and for giving priority to democracy in the process of selecting and reforming political institutions What is the primary value of democracy When should we make decisions democratically and when should we rely on markets And when should we accept the decisions of unelected officials such as judges or bureaucrats Knight and Johnson explore how a commitment to pragmatism should affect our answers to such important questions They conclude that democracy is a good way of determining how these kinds of decisions should be made even if what the democratic process determines is that not all decisions should be made democratically So for example the democratically elected U S Congress may legitimately remove monetary policy from democratic decision making by putting it under the control of the Federal Reserve Knight and Johnson argue that pragmatism offers an original and compelling justification of democracy in terms of the unique contributions democratic institutions can make to processes of institutional choice This focus highlights the important role that democracy plays not in achieving consensus or commonality but rather in addressing conflicts Indeed Knight and Johnson suggest that democratic politics is perhaps best seen less as a way of reaching consensus or agreement than as a way of structuring the terms of persistent disagreement **A Pragmatist Philosophy of Democracy** Robert B. Talisse, 2013-08-21 In this book Robert B Talisse advances a series of pragmatic arguments against Deweyan democracy Drawing upon the epistemology of the founder of pragmatism Charles S Peirce Talisse develops a conception of democracy that is anti Deweyan but nonetheless pragmatist The result is a new

pragmatist option in democratic theory Community Denied James Hoopes,1998 Did modern American social thought take a wrong turn when it followed John Dewey and William James In this searching history of early twentieth century political theory James Hoopes suggests that contrary to conventional wisdom these pragmatic philosophers did not provide the basis for a socially minded political theory Dewey and James did not provide intellectual safeguards against the amoral acceptance of realpolitik and managerial elitism that has given liberalism a bad name Hoopes finds a more substantial basis for liberal political theory in the communitarian based pragmatism of Charles Sanders Peirce Had modern social thought been influenced by Peirce argues Hoopes society could be seen as a set of interpretive relationships rather than a collection of discrete interests to be managed from the top down by elitist experts Hoopes traces the influence of James and Dewey in the thought of Walter Lippman Reinhold Niebuhr and Mary Parker Follett He concludes with a critical examination of contemporary thinkers most notably Richard Rorty who believe that James and Dewey offered the most socially useful philosophy within the pragmatic tradition Combining philosophy political theory history and close textual analysis in original ways Community Denied offers a bold departure from previous studies of the subject and demonstrates the damage done to liberalism by reliance on a philosophy with no way of truly conceptualizing community **Encyclopedia of Political Theory** Mark Bevir,2010-03-18 How do we arrange our collective affairs Why do we live together in the ways we do How ought we to live together All humans think about the world they live in its history and future and the ideals by which they want to live in relation to others How we think today decisively influences the world of tomorrow This encyclopedia attempts to bring greater clarity and understanding to political debate Drawing together a team of international scholars the Encyclopedia of Political Theory examines the ideas of the major political theorists from before Plato to our own times the main schools of political thought the concepts and issues that have captured the imagination and attention of political theorists and some of the main institutions and practices inspired by political thought With more than 450 entries these three volumes provide a quick one stop source to key topics in the field Key Features Examines the global landscape of all the key theories and the theorists behind them Includes specific lists of entries that deal with constitutional thought and democratic thought Refers to distinctive norms and features of various governments legal systems and societies Devotes large parts to the history of ideas about government ethics and society Provides a chronology of political theory to help readers see how a given theorist school or issue fits into the bigger historical picture Key Themes Ancient Thought Applied Ethics Biographies Comparative Theory Constitutional Thought Critical Theory Democratic Thought Early Modern Thought International Theory Justice Liberal Theory Medieval Thought Modern Theory Power and Authority Religious Thought Self and Community This work is designed to serve as a reference source for anyone interested in the roots of contemporary political theory It will be a welcome addition to any academic or public library **Pragmatism** Michael Bacon,2012-05-14 Pragmatism An Introduction provides an account of the arguments of the central figures of the most important philosophical tradition in the American

history of ideas pragmatism This wide ranging and accessible study explores the work of the classical pragmatists Charles Sanders Peirce William James and John Dewey as well as more recent philosophers including Richard Rorty Richard J Bernstein Cheryl Misak and Robert B Brandom Michael Bacon examines how pragmatists argue for the importance of connecting philosophy to practice In so doing they set themselves in opposition to many of the presumptions that have dominated philosophy since Descartes The book demonstrates how pragmatists reject the Cartesian spectator theory of knowledge in which the mind is viewed as seeking accurately to represent items in the world and replace it with an understanding of truth and knowledge in terms of the roles they play within our social practices The book explores the diverse range of positions that have engendered marked and sometimes acrimonious disputes amongst pragmatists Bacon identifies the themes underlying these differences revealing a greater commonality than many commentators have recognized The result is an illuminating narrative of a rich philosophical movement that will be of interest to students in philosophy political theory and the history of ideas

The Practice of Political Theory Clayton Chin, 2018-08-28 Recent political thought has grappled with a crisis in philosophical foundations how do we justify the explicit and implicit normative claims and assumptions that guide political decisions and social criticism In *The Practice of Political Theory* Clayton Chin presents a critical reconstruction of the work of Richard Rorty that intervenes in the current surge of methodological debates in political thought arguing that Rorty provides us with unrecognized tools for resolving key foundational issues Chin illustrates the significance of Rorty's thought for contemporary political thinking casting his conception of philosophy as cultural politics as a resource for new models of sociopolitical criticism He juxtaposes Rorty's pragmatism with the ontological turn illuminating them as alternative interventions in the current debate over the crisis of foundations in philosophy Chin places Rorty in dialogue with continental philosophy and those working within its legacy Focused on both important questions in pragmatist scholarship and central issues in contemporary political thought *The Practice of Political Theory* is an important response to the vexed questions of justification and pluralism

John Dewey: Political theory and social practice J. E. Tiles, 1992

Political Theory Eddy Asirvatham | KK Misra, 1995 This text is a classic in Indian political literature as the original author belongs to the Idealist school of great political thinkers such as T H Green and Bosanquet It is a comprehensive treatise on basic structure of established political theories be it Bosanquet's idealistic theory of the State to liberal and anti idealist view as expressed by L T Hobhouse to the Marxian theory of the State The textbook follows an ideological approach where it rejects the attitude of those behaviouralists who place undue emphasis on methods techniques and skills rather than on first principles and value judgements it is developed for the undergraduate students of Political Science Pass and honours courses Aspirants of various competitive examinations such as Civil Services Examination and state public service commission examinations will also find the book extremely useful

Vocations of Political Theory Jason A. Frank, John Tambornino, 2000 Content Description pt 1 Invoking political theory Political theory from vocation to

invocation Sheldon S Wolin pt 2 Theorizing loss Specters and angels at the end of history Wendy Brown The politics of nostalgia and theories of loss J Peter Euben pt 3 Thinking in time Can theorists make time for belief Russell Arben Fox The history of political thought as a vocation a pragmatist defense David Paul Mandell pt 4 The politics of ordinary life Political theory for losers Thomas L Dumm Feminism s flight from the ordinary Linda M B Zerilli pt 5 Political knowledge Conceptions of science in political theory a tale of cloaks and daggers Mark B Brown Political theory as a provocation an ethos of political theory Lon Troyer Gramsci organic intellectuals and cultural studies lessons for political theorists Shane Gunster pt 6 Practicing political theory Reading the body hobbes body politics and the task of political theory Samantha Frost Work shame and the chain gang the new civic education Jill Locke The nobility of democracy William E Connolly **Truth, Politics, Morality** Cheryl Misak, 2002-02-07 Cheryl Misak argues that truth ought to be reinstated to a central position in moral and political philosophy She argues that the correct account of truth is one found in a certain kind of pragmatism a true belief is one upon which inquiry could not improve a belief which would not be defeated by experience and argument This account is not only an improvement on the views of central figures such as Rawls and Habermas but it can also make sense of the idea that despite conflict pluralism and the expression of difference our moral and political beliefs aim at truth and can be subject to criticism Anyone interested in a fresh discussion of political theory and philosophy will find this a fascinating read

Routledge International Handbook of Contemporary Social and Political Theory Gerard Delanty, Stephen P. Turner, 2021-09-20 The triangular relationship between the social the political and the cultural has opened up social and political theory to new challenges The social can no longer be reduced to the category of society and the political extends beyond the traditional concerns of the nature of the state and political authority This Handbook will address a range of issues that have recently emerged from the disciplines of social and political theory focusing on key themes as opposed to schools of thought or major theorists It is divided into three sections which address the most influential theoretical traditions that have emerged from the legacy of the twentieth century the most important new and emerging frameworks of analysis today the major theoretical problems in recent social and political theory The Second edition is an enlarged revised and updated version of the first edition which was published in 2011 and comprised 42 chapters The new edition consists of 50 chapters of which seventeen are entirely new chapters covering topics that have become increasingly prominent in social and political theory in recent years such as populism the new materialism postcolonialism Deleuzian theory post humanism post capitalism as well as older topics that were not covered in the first edition such as Arendt the gift critical realism anarchism All chapters retained from the first edition have been thoroughly revised and updated The Routledge International Handbook of Contemporary Social and Political Theory encompasses the most up to date developments in contemporary social and political theory and as such is an essential research tool for both undergraduate and postgraduate students as well as researchers working in the fields of political theory social and political philosophy contemporary social theory and cultural

theory **Defending Rorty** William M. Curtis, 2015-08-14 Liberal democracy needs a clear eyed robust defense to deal with the increasingly complex challenges it faces in the twenty first century Unfortunately much of contemporary liberal theory has rejected this endeavor for fear of appearing culturally hegemonic Instead liberal theorists have sought to gut liberalism of its ethical substance in order to render it more tolerant of non liberal ways of life This theoretical effort is misguided however because successful liberal democracy is an ethically demanding political regime that requires its citizenry to display certain virtues and habits of mind Against the grain of contemporary theory philosopher Richard Rorty blends American pragmatism and romanticism to produce a comprehensive vision of liberal modernity that features a virtue based conception of liberal democracy In doing so Rorty defends his pragmatic liberalism against a host of notable interlocutors including Charles Taylor Nancy Fraser Hilary Putnam Richard J Bernstein and Jean Bethke Elshtain **The Routledge Handbook of Social Epistemology** Miranda Fricker, Peter J. Graham, David Henderson, Nikolaj J.L.L. Pedersen, 2019-07-19 Edited by an international team of leading scholars The Routledge Handbook of Social Epistemology is the first major reference work devoted to this growing field The Handbook s 46 chapters all appearing in print here for the first time and written by philosophers and social theorists from around the world are organized into eight main parts Historical Backgrounds The Epistemology of Testimony Disagreement Diversity and Relativism Science and Social Epistemology The Epistemology of Groups Feminist Epistemology The Epistemology of Democracy Further Horizons for Social Epistemology With lists of references after each chapter and a comprehensive index this volume will prove to be the definitive guide to the burgeoning interdisciplinary field of social epistemology **Knowing Democracy - A Pragmatist Account of the Epistemic Dimension in Democratic Politics** Michael I. Räber, 2020-10-06 How can we justify democracy s trust in the political judgments of ordinary people In Knowing Democracy Michael Räber situates this question between two dominant alternative paradigms of thinking about the reflective qualities of democratic life on the one hand recent epistemic theories of democracy which are based on the assumption that political participation promotes truth and on the other hand theories of political judgment that are indebted to Hannah Arendt s aesthetic conception of political judgment By foregrounding the concept of political judgment in democracies the book shows that a democratic theory of political judgments based on John Dewey s pragmatism can navigate the shortcomings of both these paradigms While epistemic theories are overly and narrowly rationalistic and Arendtian theories are overly aesthetic the neo Deweyan conception of political judgment proposed in this book suggests a third path that combines the rationalist and the aesthetic elements of political conduct in a way that goes beyond a merely epistemic or a merely aesthetic conception of political judgment in democracy The justification for democracy s trust in ordinary people s political judgments Räber argues resides in an egalitarian conception of democratic inquiry that blends the epistemic and the aesthetic aspects of the making of political judgments By offering a rigorous scholarly analysis of the epistemic and aesthetic foundations of democracy from a pragmatist perspective Knowing

Democracy contributes to the current debates in political epistemology and aesthetics and politics both of which ask about the appropriate reflective and experiential circumstances of democratic politics The book brings together for the first time debates on epistemic democracy aesthetic judgment and those on pragmatist social epistemology and establishes an original pragmatist conception of epistemic democracy Issues in Political Systems Research: 2011 Edition ,2012-01-09 Issues in Political Systems Research 2011 Edition is a ScholarlyEditions eBook that delivers timely authoritative and comprehensive information about Political Systems Research The editors have built Issues in Political Systems Research 2011 Edition on the vast information databases of ScholarlyNews You can expect the information about Political Systems Research in this eBook to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of Issues in Political Systems Research 2011 Edition has been produced by the world s leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More information is available at <http://www.ScholarlyEditions.com>

Pragmatism And Political Theory Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Pragmatism And Political Theory free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Pragmatism And Political Theory free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Pragmatism And Political Theory free PDF files is

convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Pragmatism And Political Theory. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Pragmatism And Political Theory any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Pragmatism And Political Theory Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone.
