Pursuit Of Revival:

The Pursuit of Revival Stephen Hill, 1997 Missionary evangelist Stephen Hill writes about the ongoing revival at Brownsville Assembly of God in Pensacola Florida in which he has played a pivotal role and which has attracted the attention of people around the world *Revivals Visitations And Moves Of God*, 2021-07-01 Revival is bringing something that is dead back to life Much of today's Church needs reviving When God comes in an unusual way releasing His presence and power over and above what a church normally experiences we call it a visitation of God Every visitation of God should become a habitation of God and become a move of God going beyond that local church into the community city and nation The move of God results in evangelization missions and the fulfilling of the Great Commission Starting in the book of Acts and down through the centuries there have been numerous visitations and moves of God We look at Church history Understanding history helps us correctly interpret the present and prepare for the future We draw inspiration insight and lessons from what God has done in the past by reviewing stories and asking relevant questions What can we learn from Church history about revivals visitations and moves of God What does it take for a visitation of God to become a move of God What are signs of a genuine visitation of God How do we steward a revival a visitation and a move of God The latter rain falls just before harvest Therefore be patient brethren until the coming of the Lord See how the farmer waits for the precious fruit of the earth waiting patiently for it until it receives the early and latter rain You also be patient Establish your hearts for the coming of the Lord is at hand James 5 7 8 In biblical context the early rains were showers that usually came during October November and prepared the ground for the seed The latter rain fell during March April and was necessary for the ripening of the crops before harvest If we believe God is preparing for a mighty endtime outpouring a great visitation and ingathering of harvest before His return then we must get ourselves and our congregations ready for the latter rain of the Holy Spirit Watch our online Sunday Church service live stream every Sunday at 10 30am Indian Time GMT 5 30 Spirit filled anointed worship Word and ministry for healing miracles and deliverance YOUTUBE <https://youtube.com/allpeopleschurchbangalore> WEBSITE <https://apcwo.org/live> Our other websites and free resources CHURCH <https://apcwo.org> FREE SERMONS <https://apcwo.org/sermons> FREE BOOKS <https://apcwo.org/books> DAILY DEVOTIONALS <https://apcwo.org/resources/daily-devotional> JESUS CHRIST <https://examiningjesus.com> BIBLE COLLEGE <https://apcbiblecollege.org> E LEARNING <https://apcbiblecollege.org/elearn> COUNSELING <https://chrysalislife.org> MUSIC <https://apcmusic.org> MINISTERS FELLOWSHIP <https://pamfi.org> CHURCH APP <https://apcwo.org/app> CHURCHES <https://apcwo.org/ministries/churches> This book may be freely used by individuals small groups churches and ministries for non commercial purposes These are not to be sold and must be distributed freely

Assemblies of God **Pentecostal Churches in Transition** Shane Clifton, 2009 The global growth of Pentecostal movements during the course of the twentieth century has been widely documented although to date there has been little written on their developing ecclesiology After making the case for a concrete rather than idealised approach to ecclesiology this book describes and analyses the transitions that have framed the ways in which Australian Pentecostals have understood church life and mission From a loosely knit faith missions movement to congregational free church structures to the so called apostolic models of mega churches Australian pentecostalism stands as a microcosmos of ecclesial developments that have occurred throughout the world This book therefore provides a means of reflecting upon what has been gained and lost in the process of ecclesiological change **The Virtual Church-And How to Avoid It** Peter C. Glover, 2004-03 God's Opportunity Athanasios Scott Tonk, 2016-02-05 We human beings have messed up so badly We have atomized the Body of Christ so that only a miracle can heal the wounds of the Body again But God is already acting to heal the Body of His Son as you will see in part 1 of the book This book does not deal in generalities when it comes to Christians It views the Body of Christ as one big family complete with a mother our heavenly Father His Son who is the head of the Body and children kissin cousins aunts uncles and so forth Oh yes we have had our fights but they have all been family fights Now this book issues a challenge to all of the members of the family Appreciate one another s heritage and bring it to the table of the Lord This book is also a call to greater evangelism and mission but it by and large recognizes that the churches are going all out to bring the world to Christ Its Gods Time Its Kingdom Time Its the Fullness of Time Its Gods Opportunity **Civilisational Repositioning** Samer Khair Ahmad, 2015-09-08 This book confronts the decades overdue Arab revival through a criticism of civilisation which is composed of two parts firstly researching others and identifying our commonalities in the making of success and secondly so as to prepare well for the future decades of global development find the way to overcome our present obstructions which will enable a long awaited revival When Hell Invades The Churches Andrew Stunich, 2022-10-14 When Hell Invades The Churches An Expose of Redding Bethel and the New Apostolic Reformation reveals how the New Age has entered the church just as Dave Hunt warned in his seminal 1985 book The Seduction of Christianity Mr Stunich has courageously exposed how New Age Temples like Bethel Church are masquerading as Christian churches and how a new breed of American entrepreneur the pastorpreneur is mixing business and faux Christianity in order to achieve great worldly success while leading millions of Christians dangerously astray and far from the narrow path that leads to salvation and into a new experienced based contra Scriptural religion masquerading as Christianity Readers will be shocked to see how far Bethel has strayed from the truth yet still manages to deceive most of the world into believing that it is a Christian church If you have any doubt that the great apostasy falling away predicted in 2 Thessalonians 2 is well underway this book will dispel any doubts This book peels back the curtain on the New Apostolic Reformation and lays bare how absurd its claims are that new apostles and prophets now guide the church while the movement spews out countless

false prophecies and false claims of new revelations from God But this book should be of equal interest to secular readers and all who wish to preserve the separation between church and state for this book exposes how a new form of faux Christianity seeks dominion over all human endeavors both public and private and in the process is causing both spiritual and temporal harm on a global scale

Business of the Heart John Corrigan, 2023-04-28 The Businessmen's Revival was a religious revival that unfolded in the wake of the 1857 market crash among white middle class Protestants Delving into the religious history of Boston in the 1850s John Corrigan gives an imaginative and wide ranging interpretive study of the revival's significance He uses it as a focal point for addressing a spectacular range of phenomena in American culture the ecclesiastical and business history of Boston gender roles and family life the history of the theater and public spectacle education boycott culture and especially ideas about emotion during this period This vividly written narrative recovers the emotional experiences of individuals from a wide array of little used sources including diaries correspondence public records and other materials From these sources Corrigan discovers that for these Protestants the expression of emotion was a matter of transactions They saw emotion as a commodity and conceptualized relations between people and between individuals and God as transactions of emotion governed by contract Religion became a business relation with God with prayer as its legal tender Entering this relationship they were conducting the business of the heart This innovative study shows that the revival with its commodification of emotional experience became an occasion for white Protestants to underscore differences between themselves and others The display of emotion was a primary indicator of membership in the Protestant majority as much as language skin color or dress style As Corrigan unravels the significance of these culturally constructed standards for emotional life his book makes an important contribution to recent efforts to explore the links between religion and emotion and is an important new chapter in the history of religion

Passionate Pursuit Kim Owens, 2025-05-27 In an age of excess the primary enemy of revival is enough When you're comfortable and full you lose the desperation required to keep a heart on fire for Jesus Ultimately our enough leads not to fullness but to empty cold hearts Igniting the fires of personal revival seasoned revivalist and pastor Kim Owens shows that a heart on fire for Jesus is the antidote to apathy and complacency Sharing vital revelations biblical wisdom and practical principles discovered in a 10 year sustained revival Pastor Kim equips you to transform a life of spiritual dryness into one with spiritual zeal maintain a holy desperation for God prioritize a passionate pursuit of Jesus experience a vibrant contagious relationship with Christ There will be no personal revival if there's no personal pursuit In these difficult times before Christ's return it's imperative we live in his presence and fullness on fire
