Put Your Hands Here:

Put Your Hands Here... Gordon Goulden, 2002 A surrealistic adventure set in near future Europe Two distinct but incomplete personalities are brought together during the fulfillment of a Nostradamus prophecy The traveller is a man that meets a dream cast guide while searching coastal Portugal for exotic vineyards According to this Zen style teacher he is in search of his incomplete soul His other half is in France disillusioned and trying to live out his mid life crisis as an artist The two are completely unaware of one another The artist is circumstantially drawn to England where he meets a gypsy wicca soul that accompanies him on a pilgrimage to Stonehenge while the traveller banters with the illusive body changing teacher as he explains the unique state of affairs that needs to be accommodated to bring the souls together and work out karmic debts

Making Music William C. Allsbrook Jr., 2023-06-23 The banjo has been emblematic of the Southern Appalachian Mountains since the late twentieth century Making Music The Banjo in a Southern Appalachian County takes a close look at the instrument and banjo players in Haywood County North Carolina Author William C Allsbrook Jr MD presents the oral histories of thirty two banjo players all but two of whom were born in Haywood County These talented musicians recount in their own words their earliest memories of music and of the banjo as well as the appeal of the banjo They also discuss learning to play the instrument including what it feels like playing the banjo many describing occasional flow states In the book Allsbrook explores an in home musical folkway that developed along the colonial frontier By the mid 1800s frontier expansion had ceased in Haywood County due to geographic barriers but the in home musical tradition including the banjo survived in largely isolated areas Vestiges of that tradition remain to this day although the region has undergone significant changes over the lifetimes of the musicians interviewed As a result the survival of the in home tradition is not guaranteed Readers are invited into the private lives of the banjo players and asked to consider the future of the banjo in the face of contemporary trends The future will be shaped by how this remarkable mountain culture continues to adapt to these challenges Still this thriving community of banjo players represents the vibrant legacy of the banjo in Haywood County and the persistence of tradition in the twenty first century

Jesus, the Christ Thomas Sutton, 1999-10-25 I was raised in a Christian home I loved hearing stories about Jesus and his life here on earth Growing up I became less and less enthusiastic about my religion for several reasons One critical reason was a natural process As I matured I became more aware of the hypocrisy of religion You know Do as I say not as I do One day a week act like a Christian and the other six days be selfish greedy and a bigot At that time my faith wasn't strong enough to endure Now I know that if I look hard enough I can find hypocrisy in anything I pray that I've grown beyond the paradox My book is an attempt to make the first four books of the New Testament easy to read It's written in prose In other words it's a narrative of Jesus' life using the first four Gospels My book combines Matthew Mark Luke and John into a chronological narrative of Jesus' life It is written through the eyes of you as Peter The book is Scriptural It doesn't change alter or sensationalize the original versions of events In some instances I

combine multiple versions of the same event into one My inspiration for writing this book is to bring enthusiasm about Jesus to Christians and new revelations to non Christians Scriptures quoted from The Holy Bible New Century Version copyright 1987 1988 1991 by Word Publishing Nashville TN Used by permission *Badlands Born* Wade Peterson, 2019-11-19 She tried to take the easy way out But life after death is killer Jasmine Shaw believed being dead would solve all her problems But instead of reconnecting with her deceased twin brother she wakes up in a grim desert afterlife where zombies want to munch on her brains And no sooner does she escape that fate than she is pursued by an indestructible psycho samurai Harried and terrified Jasmine teams up with an Eighties glam rocker wannabe to navigate the unforgiving landscape and her master her emerging powers But with a horde of flesh eaters and the katana wielding nutjob hot on their heels all roads seem to lead to ruin Will Jasmine find her sibling at the passage to Heaven or will she be skewered by a warrior s blade *Badlands Born* is the first book in the gritty post apocalyptic *Badlands Born* fantasy series If you re a fan of *The Gunslinger* *World War Z* and *Mad Max* you ve found your next read If you like complex heroines gruesome ghouls and Eighties Easter eggs you ll flip for this page turner Buy *Badlands Born* to not die again today Keywords Adventure Post Apocalyptic Afterlife Dark Fantasy magic survival monsters zombies Max Brooks Neil Gaiman spellbinding magic journey road trip undead hell cannibal maniac free first in series free fantasy action packed magic power rock and roll rock n roll metaphysical portal fantasy *Badlands Cursed* Enter the Samurai [Fake News in the Gospel](#) Joseph Codsí, 2024-04-18 Gerd L demann and other Gospel scholars debated the question of the resurrection with William Lane Craig and failed to show that the story of Jesus burial by Joseph of Arimathea was not historical and that there is another burial story in the Gospel of John 19 31 33 Joseph Codsí invites them to read this book and discuss this question all over again In addition the second part of this book is about repressed memories in the Gospel of Mark So far scholars have discussed what is said overtly in the sacred texts They did not notice the existence of enigmatic texts that do not mention what they know hide what organizes them and unveil solely by their form what they erase from their content What those texts reveal is that in the last phase of his life Jesus received special revelations concerning God s plans for Israel According to those plans the temple sacrifices will become obsolete and the Passover meal will be celebrated anywhere in the world not just in Jerusalem When Jesus revealed this to the five and four thousand people they recognized in him the prophet who was to come and they wanted to make him king **Journey with Jesus through the Scriptures** Raphael Johnny Johnston, Christ held nothing back in coming to this earth to save sinners You ve just read it Of His fullness we have all received He gave His all for me The question naturally arises what have I given in return for this grace and truth John continues by telling his readers that No one has seen God at any time but you see God has been revealed in His only begotten Son Jesus Christ So if I want to see God all I have to do is to look at Jesus Christ His Son In Him lies the fullness of the Godhead Don t get bogged down with theological nuances just look to and at Jesus and you will be saved Join author Raphael Johnny Johnston as he finds the Jesus revealed in the books of Psalms Mark and John Short

The Children's Bible Charles Foster Kent Henry A. Sherman,2016-08-24 The Children's Bible provides in simple English a translation of selections from both the Old and the New Testament These selections have been made as a result of more than twenty five years of observation and study The text is that of the Bible itself but in the language of the child so that it may easily be read to the younger children and by those who are older It is not in words of one syllable for while the child is reading the Bible he should gradually learn the meaning of new words and idioms The Bible contains the foundations on which the religious life of the child must be built The immortal stories and songs of the Old and New Testaments are his richest inheritance from the past To give him this heritage in language and form that he can understand and enjoy is the duty and privilege of his parents and teachers It is hoped that The Children's Bible will meet the need and the demand which parents and educators alike have long felt and often expressed for a simple translation of selections from the Bible most suited to the needs and the interests of the child It is also believed that after the child has learned to appreciate and love these stories and songs he will be eager and able to read the Bible as a whole with genuine interest and understanding
