Putting Love To Work In Marriage:

Putting Love to Work in Marriage Charles De Santo, Terri Robinson Williams, 1988 Count each and every one as life multiplies again and again in this lush and fascinating book about the rainforest Putting Islam to Work Gregory Starrett, 1998-03-26 The development of mass education and the mass media have transformed the Islamic tradition in contemporary Egypt and the wider Muslim world In Putting Islam to Work Gregory Starrett focuses on the historical interplay of power and public culture showing how these new forms of communication and a growing state interest in religious instruction have changed the way the Islamic tradition is reproduced During the twentieth century new styles of religious education based not on the recitation of sacred texts but on moral indoctrination have been harnessed for use in economic political and social development programs More recently they have become part of the Egyptian government s strategy for combating Islamist political opposition But in the course of this struggle the western style educational techniques that were adopted to generate political stability have instead resulted in a rapid Islamization of public space the undermining of traditional religious authority structures and a crisis of political legitimacy Using historical textual and ethnographic evidence Gregory Starrett demonstrates that today s Islamic resurgence is rooted in new ways of thinking about Islam that are based in the market the media and the school *The Good Marriage: How and Why Love Lasts* Judith Wallerstein, 2019-08-09 When it first appeared in 1995 *The Good Marriage* became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment *The Good Marriage* explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about *The Good Marriage* is its modesty It doesn t pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women s marital roles and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on

the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead *The Atlantic* A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby *The New York Times Book Review* Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson *San Francisco Examiner Chronicle* Groundbreaking *Boston Globe* This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn *Newsday* Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using *The Good Marriage* by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford *Clinical Social Work Journal* In *The Good Marriage* Wallerstein's new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in *The Good Marriage* Elizabeth M Tully *M D Journal of Academy of Child and Adolescent Psychiatry* Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it *Wall Street Journal* With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out *Library Journal* Wallerstein's major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution *Readings A Journal of Reviews and Commentary in Mental Health* **Make Love to the Heart Every Day** D. Scott, Diane Perkins, 2024-07-01 *Make Love to the Heart Every Day* is a book to challenge and change the way you look at marriage There are specific instructions for marriage that God has spoken in His word on how you are to treat your spouse with much honor respect adoration and love It's about serving and submitting Oh and God talks about sex too This book is for married couples It will help you and your marriage even if you've been married for over 40 years This book is for

engaged couples It will prepare you to have the true Biblical marriage you have prayed about Don't you want that Are you ready **Love, Challenges, and their Faith** Adneal Green, 2023-03-27 Their love was strong They had many challenges happen in their family and with other families too Things were very shaky for all of them but they held on strong to their faith They still believe in miracles All who reads Love Challenges and Their Faith be blessed **Christian Marital Counseling** Everett L. Worthington Jr., 2000-10-03 Everett Worthington provides a Christian perspective and biblically based theory of marriage and marriage counseling With an analysis of the individual the couple and the family Everett uses techniques drawn from several psychological schools of thought combined with solid biblical principles to help guide counselors through the process of intervention assessment and implementation of methods for change [Sex and Love in the Home, Second Edition](#) David M. McCarthy, 2011-01-01 This book inaugurates a completely new way of thinking about the ethics of marriage and sex I know of no book on the subject more promising than what McCarthy has achieved here Stanley Hauerwas Gilbert T Rowe Professor of Theological Ethics Duke University Much has been written in Christian theology about sex love and procreation but their social meanings and contributions are much more rarely addressed McCarthy now takes this greatly neglected task eloquently connecting the Christian household to the common good All those who want to realize the social vocation of the Christian family will find in this work a rich and challenging resource for understanding and for life Lisa Sowle Cahill J Donald Monan Professor of Theology Boston College Drawing on his own experience of learning how to be a husband and father David Matzko McCarthy offers wonderfully incisive and readable reflections on the habits of the household a neighborly space which resists consumerism and enables sexual relationships to be ordinary meaningful and passionate If you think that all that Christian theology has to say about sex and relationships is twaddle about complementarity and family values then this is the book for you Gerard Loughlin Senior Lecturer in Religious Studies University of Newcastle upon Tyne

All You Need Is Love & Other Lies About Marriage John W. Jacobs, 2024-06-11 Why is it so difficult to remain married in the twenty first century and what can you do about it We all know that half of today's marriages end in divorce but we tend to believe that our own marriages are safe As psychiatrist John Jacobs explains in this fresh and impassioned book marriages today are incredibly fragile and unless a couple understands what is making contemporary marriage so vulnerable to dissolution the marriage is at risk Part of the problem is that people refuse to see how social and historical forces have changed the very meaning of marriage causing serious interpersonal unhappiness Because of increased longevity married people live together longer than at any time in history There's been an erosion of the social and cultural forces that traditionally kept marriages together Confusion over gender role responsibilities increased expectations of sexual satisfaction and intense time pressures on couples to work and be successful all create marital stress And yet most people don't acknowledge the problems in their marriage until it is too late We tend to believe in the lies of marriage such concepts as soul mates unconditional love that children improve a relationship that the sexual revolution has made marital sex more

pleasurable or that egalitarian marriage offers couples easy solutions and forget to engage in the constant hardwork required to keep our marriages alive Dr Jacobs believes that most marriages have significant problems at some time but until we recognize the new realities of marriage and develop the skills required to sustain a loving intimate relationship marriages are at risk Of course marriage is about love But that s just the beginning *Unlock the Mystery of Love: Guide to a Healthy Romance* Donna E. Knight,2018-04-11 Men and women believe their mate is going to come prepackaged in perfection of love However this theory is far from the truth It takes a conscious effort to build a solid foundation in any relationship and maintain the true essence of love Donna Knight founder of a nonprofit girl empowerment network is a passionate advocate for love While leading single love seekers on a journey of self evaluation and exploration she utilizes facts case studies Christian and New Age spirituality concepts and personal commentary to analyze why and how we love examine why marriage is misunderstood and provide hope that it is possible to create lasting love within a fulfilling romantic relationship Through it all Knight teaches that we hold the power within ourselves to create the reality we want not just in life but also in our relationships *Unlock the Mystery of Love* provides step by step guidance that helps single people attain their relationship goals and find the kind of love that lasts a lifetime **For the Love of Marriage** SK Bell,2016-03-06 Whether you re newly engaged enjoying your empty nest golden years or somewhere in the middle your marriage or marriage to be is something beautiful In a world that views marriage so negatively *For the Love of Marriage* reaches a little deeper This collection of essays celebrates the beauty of marriage a bond like no other **Love Without Borders** Godfred Mensah,Kofi Quaye,2015-05-13 Let us begin with the notion that there is nothing like a blueprint for a successful dating relationship or marriage No one can teach anyone how to enter into and maintain a perfect marriage or relationship or avoid the common mistakes people make that wreck marriages and relationships Not even a counselor psychologist or minister or anyone else can provide a plan that can guarantee a successful romance marriage love affair or a dating relationship There are just too many variables involved that make such a prediction impractical if not impossible Relationships marriages and love affairs work as a result of the time effort and energy put into it by those involved For some everything works out just fine and everybody is happy but sometimes the opposite happens and the question becomes why do some succeed while others fail It gets even more complicated when one of the two people involved is from another race country or culture **Marriage and the Love Myth** Sukhjiwan Singh,2021-04-01 Singh examines the subject of marriage and proves that making a successful marriage is a conscious choice She covers the topics of finding a like minded partner and implementing a code of behavior at the outset Then she delves into the tools necessary to meet challenges head on and getting back on track **Putting Love to the Test** Lynda Martin,2021-07-28 No female in the Nolan family shall ever marry Sisters Cheyenne Brianne and Roxanne grew up listening to family members whisper about the generations old curse No one knew who made the curse or why To the sisters it was nothing more than an old wives tale Each sister has found her soul mate and is looking forward to a life of

love happily ever after Unfortunately the path to happiness is littered with roadblocks The relationships are suddenly tested as each couple is faced with a situation that threatens to crumble what they thought was a strong love bond The sisters find themselves making war not love with their mates Will love win out or would the most damning oft forgotten part of the curse It will not last win out after all

Couples and the Art of Playing Keith Hackett,2003-11 Couples and the Art of Playing will help couples develop and nurture healthy relationships and heal troubled ones It is Short and can be read in about two hours Limited to three easy and life changing concepts 1 play 2 5 5 playful sharing and listening and 3 positive playful manipulation Illustrated with examples with which the reader can relate It offers immediate hope and healing in a playful way Keith has been working with couples for over thirty years and has been married to Joan since 1969 He is well equipped to share techniques that will help people enjoy each other and heal damaged relationships Without having to focus on sex they will find that their sexual pleasure is increased They discover they are better able to talk and resolve conflicts because they are focusing on play not work Above all Couples and the Art of Playing will help partners develop good habits and have hope for their future in a playful creative and empowering way These three easy techniques offer an alternative to violence and help to drastically lower the divorce rate
