**A Study of James** Pat Floyd, 2001-03 BRS James Student Part of BRS series [A Study of the Letter of James](#) Dennis Dinger, 2014-07-14 The main purpose of the epistle of James is to teach about practical faith Each person needs to come to Jesus Christ in faith to obtain eternal life Faith in each believer will be accompanied by good works If faith is present good works will follow Without faith and without God's help good works will never happen This is a wonderful letter which is enormously helpful to all who believe having put their faith in the Lord Jesus Christ *Serving the Lord: the Book of James* Marci Ogrosky, 2015-11-12 No matter where you are on your faith journey you are invited to kick it up a notch with *Serving the Lord* an evangelical Bible study guide on the book of James There is no better way to grow in spiritual maturity than faithfully serving God and His people and no better example of a devoted servant than James the brother of Jesus James makes it clear that serving the Lord means putting faith into action in tangible ways that produce healthy fruit Faith that consists merely of good intentions or intellectual assent is incomplete or dead Authentic faith always produces evidence of holy living and good deeds by the grace and power of the Holy Spirit such as Mercy ministry to the poor Protecting the defenseless Rejecting worldliness Praying for the sick and much much more Christians are to let all kinds of trials become tests that strengthen their faith and yield righteous works not to earn salvation but to give evidence of it The result is spiritual perseverance that leads to eternal glory It may not make sense to the rest of the world but believers count troubles as pure joy because in Christ their troubles ultimately have a redemptive purpose Today is the day to see for yourself what a practical difference *Serving the Lord* can make in your walk with God [An African Commentary on the Letter of James](#) J. Ayodeji Adewuya, 2023-01-19 Africa is a necessary but an often neglected continent So also is the letter of James necessary but neglected Yet there is perhaps no biblical text that speaks to the life situation in Africa in the twenty first century more directly than the book of James *An African Commentary on the Letter of James* is an attempt to hear the message of James's letter from a non Western social and cultural setting It seeks to demonstrate how one's worldview language culture economic status and religion make a significant difference in appropriating the message of the biblical text The commentary explores how the written word impacts the readers in a predominantly oral culture It attempts to hear what James is saying from a different context but in doing so explains James with a different voice Like the letter of James itself the commentary uses pithy sayings proverbs and aphorisms to explain the meaning of the text [A Yearlong Bible Study Guide - 52 Weeks Scripture Summary for Beginners](#) Minton, 2024-08-05 Are you new to the Bible and feeling overwhelmed This comprehensive guide is your perfect companion to embark on a transformational journey through God's Word Designed specifically for
