A Primer on the Book of Revelation Ted Noel,2010-01-01 Revelation is sooo complicated Wait a minute If a Jewish fisherman understood what his Rabbi showed him then it shouldn t be hard for us either We just need his tools Fortunately God left them for us in the same place John found them the Bible This Primer uses the rest of the Bible to explain Revelation in plain language We ve banned the big words professors use We ve thrown out their multi part sentences and we don t waste time explaining why we disagree with somebody Instead we try to let the text speak for itself When you read this Primer you ll see that it was written for you with great respect for God s word By the way Revelation isn t that complicated After all it s the revealing of Jesus Christ *The Witch's Guide to Life* Kala Trobe,2003 Pre Pub Discount Earn an extra 5% discount on orders before 5 1 03 minimum 4 copies **Your Guardian Angel and You** Denny Sargent,2004-02-15 Have you ever wondered why you don t feel entirely alone even when you are Maybe it s because you really aren t And if you attune yourself to that being of light that resides beside you behind you and in front of you you will meet your constant companion whose sole purpose is to guide you through life your very own Guardian Angel The time spent with your Guardian Angel here on earth can help you to reap great benefits during this lifetime Denny Sargent writes In my academic and personal research I came upon the concept of the Guardian Angel a number of times over the years I was amazed to discover instructions on how to meet your Guardian Angel that were thousands of years old This changed my entire life I no longer had to look to others for spiritual authority or wisdom Then I discovered that every culture had within it the concept of a Guardian Angel or Guardian Spirit or Ally The idea transcends time and culture it is universal I felt that this secret should not be left hidden and obscure but should be dusted off simplified and offered to all *Your Guardian Angel and You* is a thoroughly intriguing read about the fascinating history of the Guardian Angel why you need one and how to prepare to meet yours In fact if a feeling of dread ever kept you from taking a turn down a certain road getting in a car or taking a certain flight you may already have met your Guardian Angel Once you establish nurture and expand your relationship with your Guardian Angel you can expect terrific things in return Ask specific questions and receive specific answers Define and refine your dreams Lean on the wisdom and insight of your Guardian Angel to give you a form of heaven on Earth right now where your dreams can be lived **The Qabalah** Papus,2000-11-01 Papus Dr Ge rard Encausse 1865 1916 was one of the great occultists of France and was instrumental in developing and popularizing Eliphas Le vi s earlier suggestions of a link between
