Quality Education For Latinos And Latinas Print And Oral Skills And All Students K College:

Quality Education for Latinos and Latinas Rita Portales, Marco Portales, 2010-01-01 As educators and legislators across the country debate how to improve public schools the most vital factor often disappears from the equation the relationship between the teacher and the student According to veteran educators Rita and Marco Portales this relationship is the central issue in the education of students especially Latino a students who often face serious barriers to school success because of the legacy of racism insufficient English language skills and cultural differences with the educational establishment To break down these barriers and help Latino a students acquire a quality education the Portaleses focus attention on the teacher student relationship and offer a proven method that teachers can use to strengthen the print and oral skills of their students They begin by analyzing the reasons why schools too often fail to educate Latino a students using eloquent comments from young Latinos as and their parents to confirm how important the teacher student relationship is to the student s success Then they show how all educational stakeholders teachers administrators state education agencies legislators and parents can work together to facilitate the teacher student relationship and improve student education By demonstrating how teachers can improve students reading critical thinking writing and oral communication skills across the curriculum they argue that learning can be made more relevant for students keeping their interest levels high while preparing them for academically competitive colleges Multicultural Literature for Latino Bilingual Children Ellen Riojas Clark, Belinda Bustos Flores, Howard L. Smith, Daniel Alejandro González, 2015-11-25 While there are volumes that fall into the category of children s literature there appears to be relatively few that explore the needs of bilingual learners and the linguistic and sociocultural context of Latino children s literature This volume makes a needed contribution by addressing the social cultural academic and linguistic needs of Latino bilingual learners who are still underserved through current school practices We aim to conceptualize different forms of social knowledge so that they can serve as cultural resources for learning acquiring knowledge and transforming self and identity This volume presents a balance of theory research and practice that speak to authentic multicultural Latino literature and helps ensure its availability for all students The intended outcome of this volume then is to create a heightened awareness of the cultural and linguistic capital held by the Latino community to increase Latino students social capital through the design of critical pedagogical practices and for the formulation of a new perspective that of Latino multicultural literature for children Educating Latino Boys David Campos, 2012-12-04 Bring out the best in your male Latino students Largely misunderstood and often underserved Latino boys miss out on key academic opportunities that hinder their achievement and success in school and beyond Educator David Campos a champion of higher education for Latino boys provides strategies to promote success for Latino boys This book demonstrates how to Enhance engagement and achievement by addressing Latino boys needs Explore personal and school wide beliefs to better understand how to serve this population Develop strategies for motivating Latino boys to pursue higher

education Address challenges that Latino boys face in the home and at school **Chicano School Failure and Success**

Richard R. Valencia, 2011-02-01 The third edition of the best selling collection Chicano School Failure and Success presents a complete and comprehensive review of the multiple and complex issues affecting Chicano students today Richly informative and accessibly written this edition includes completely revised and updated chapters that incorporate recent scholarship and research on the current realities of the Chicano school experience It features four entirely new chapters on important topics such as la Chicana two way dual language education higher education and gifted Chicano students Contributors to this edition include experts in fields ranging from higher education bilingual education special education gifted education educational psychology and anthropology In order to capture the broad nature of Chicano school failure and success contributors provide an in depth look at topics as diverse as Chicano student dropout rates the relationship between Chicano families and schools and the impact of standards based school reform and deficit thinking on Chicano student achievement Committed to understanding the plight and improvement of schooling for Chicanos this timely new edition addresses all the latest issues in Chicano education and will be a valued resource for students educators researchers policy makers and community activists alike **Handbook of Research on Cross-Cultural Approaches to Language and Literacy**

Development Smith, Patriann, Kumi-Yeboah, Alex, 2015-08-04 With rapid technological and cultural advancements the 21st century has witnessed the wide scale development of transnationalist economies which has led to the concurrent evolution of language and literacy studies expanding cross cultural approaches to literacy and communication Current language education applies new technologies and multiple modes of text to a diverse range of cultural contexts enhancing the classroom experience for multi lingual learners The Handbook of Research on Cross Cultural Approaches to Language and Literacy Development provides an authoritative exploration of cross cultural approaches to language learning through extensive research that illuminates the theoretical frameworks behind multicultural pedagogy and its myriad applications for a globalized society With its comprehensive coverage of transnational case studies trends in literacy teaching and emerging instructive technologies this handbook is an essential reference source for K 20 educators administrators in school districts English as a Second Language ESL teachers and researchers in the field of Second Language Acquisition SLA This diverse publication features comprehensive and accessible articles on the latest instructional pedagogies and strategies current empirical research on cross cultural language development and the unique challenges faced by teachers researchers and policymakers who promote cross cultural perspectives **Geographies of Girlhood in US Latina Writing** Andrea

Fernández-García, 2019-12-20 This book is an in depth study of Latina girls portrayed in five coming of age narratives by using spaces and places as hermeneutical tools The texts under study here are Julia Alvarez s Return to Sender 2009 Norma E Cant s Can cula Snapshots of a Girlhood en la Frontera 1995 Mary Helen Ponce s Hoyt Street An Autobiography 1993 and Esmeralda Santiago s When I Was Puerto Rican 1993 and Almost a Woman 1998 Unlike most representations of Latina girls

which are characterized by cultural inaccuracies tropes of exoticism and a tendency to associate the host society with modernity and their girls cultures of origin with backwardness and oppression these texts contribute to reimagining the social differently from what the dominant imagery offers By illustrating the vexing phenomena the characters have to negotiate on a daily basis such as racism sexism and displacement these narratives open avenues for a critical exploration of the legacies of colonial modernity This book therefore not only enables an analysis of how the girls development is shaped by these structures of power but also shows how such legacies are reversed as the characters negotiate their identities It breaks with the longstanding characterization of young people and especially Latina girls as voiceless and deprived of agency showing readers that this youth group also has say in controlling their lifeworlds

Mathematics for Equity Na'ilah Suad Nasir, Carlos Cabana, Barbara Shreve, Estelle Woodbury, Nicole Louie, 2014-12-04 In this book nationally renowned scholars join classroom teachers to share equity oriented approaches that have been successful with urban high school mathematics students Compiling for the first time major research findings and practitioner experiences from Railside High School the volume describes the evolution of a fundamentally different conception of learners and teaching The chapters bring together research and reflection on teacher collaboration and professional community student outcomes and mathematics classroom culture reform curricula and pedagogy and ongoing teacher development Mathematics for Equity will be invaluable reading for teachers schools and districts interested in maintaining a focus on equity and improving student learning while making sense of the new demands of the Common Core State Standards Book Features Core principles of an equity centered mathematics program Examples of how to focus and organize the collaborative work of a math department to develop a shared pedagogy Student experiences with an equity pedagogy that focuses on building perseverance flexibility in thinking and deep conceptual understanding Connections between reconceptualizing learners and teaching and achieving deep mathematics learning and equitable outcomes Contributors include Jo Boaler Ilana Seidel Horn Judith Warren Little and Rachel Lotan Mathematics for Equity provides a kaleidoscopic view in the voices of teachers researchers and students themselves of one of the nation's most ambitious and successful attempts at teaching mathematics for equity It shows what it takes to create a climate that supports students and teachers in engaging in meaningful mathematical activity and alas how vulnerable such environments are to the wrong kinds of accountability Read it and learn Alan H Schoenfeld University of California at Berkeley Want to fix what's wrong with mathematics instruction in your school Read this book with your colleagues and do what it inspires you to do Written by the brave teachers and former students who did it as well as researchers Phil Daro writing team Common Core Standards Strategic Education Research Partnership

The Routledge Companion to Gender and Childhood Mary Zaboriskis, 2025-06-30 The Routledge Companion to Gender and Childhood brings together scholars practitioners and activists to explore the diversity of children's gender identities expressions and embodiments across historical geographical and cultural contexts This volume investigates how historical institutional and

cultural forces have shaped children's relationship to gender the pivotal role children have played in the construction of gendered categories as well as children's responses to these forces and constructions The book is divided into six sections Responding to Gendered Histories and Presents of Policing Pathologization and Trauma Images of and Imaginings for Trans Non Binary and Queer Youth's Futures Global Perspectives on Training and Assimilating Future Citizens Gender Development in Material and Digital Cultures Shifting and Persisting Gendered Representations in Cultural Landscapes and Approaching Issues of Gender and Childhood from Adult Perspectives Considering the multiplicity of gendered childhoods alongside the intense preoccupation with children's relationship to gender across a range of fields that span the globe The Routledge Companion to Gender and Childhood will be an essential resource for students of social sciences humanities and STEM

Promising Practices for Engaging Families in STEM Learning Margaret Caspe, Taniesha Woods, Joy Lorenzo Kennedy, 2018-05-01 The technology revolution has made it critical for all children to understand science technology engineering and math STEM or risk being left behind Promising Practices for Engaging Families in STEM Learning explores how families schools and communities can join together to promote student success in STEM by building organized and equitable pathways for family engagement across all of the settings in which students learn including schools early childhood programs homes libraries and museums from the earliest years through adolescence This thought provoking monograph includes three main sections with chapters from leading thinkers in the field The first section provides the theoretical and research base for the importance of family engagement in STEM and draws out the challenges and opportunities that exist from the transmission of adults anxiety and lack of confidence in their own STEM skills to inequalities in out of school learning opportunities to biases and misconceptions about the kinds of STEM supports offered by families from low income and immigrant homes The second section builds on this research by presenting success stories best practices and approaches to engaging families in STEM The final section focuses on how policies at the local state and federal level can support the promotion of family engagement in STEM Taken together the monograph shows that STEM is a powerful mechanism to connect engage and empower families STEM provides opportunities for parents and children to spend time together asking fun and meaningful questions that link in and out of school learning STEM creates new experiences for families to co construct and support learning with their children from the earliest years throughout formal schooling and onto college and career pathways STEM also presents possibilities for families to build confidence and agency in supporting children's interests especially those families who might be marginalized because of their economic or language status race or culture

NACLA Report on the Americas ,2005 *Latino Sun, Rising* Marco Portales, 2007-08-28 Now that Latinos are the most numerous ethnic minority in the United States and a growing part of the middle and professional classes a Mexican American educator takes stock Latinos can see that their sun is rising Marco Portales knows his life has been lived under that rising sun On the beach at Corpus Christi in class at SUNY Buffalo waiting tables in Chicago traveling to London teaching at

Berkeley raising a family near NASA headquarters in Houston Portales gives readers a view of the private world and public significance of Latinos By vividly recreating his parents generation as well as his own Marco Portales encourages readers to consider Latino progress since the days of his happy youth during the Eisenhower fifties years that coalesced into the gradual but steady unfurling of his ethnic consciousness Working within a traditional Aztec framework of suns or days Portales looks through the window of individual life onto the morning sol naciente of growing up as a minority member of American society the noontime sol ardiente of private adult life and the transmission of identity to a new generation and the full heat of afternoon sol radiante when public business is done and the larger polity is addressed In the compelling details of a life truly lived and a balanced lively intellect that articulates itself in a society that often asks people such as him to choose between their American and Mexican identities Portales inscribes himself into his people s experience At the same time he remains fully aware and helps raise our awareness that no one person s story can embody and represent the ancestral histories and the great worth and potential of all U S Latinos *Teaching Strategies for Ethnic Studies* James A. Banks,2009 Presents resources and strategies teachers may use to incorporate content and concepts about racial ethnic and cultural groups into their mainstream curriculums and provides information on the major ethnic groups in the U S **The Unfinished Agenda of Brown v. Board of Education** James Anderson,Dara N. Byrne,2008-04-21 Praise for The Unfinished Agenda of Brown V Board of Education My father Oliver L Brown for whom Brown v Board of Education is named was a proud member of a group of a few hundred people across the country who took risks by taking a stand for what they believed He died in 1961 just seven years after the case so he didn t live long enough to know that Brown would become the foundation on which so much of this country s civil and human rights initiatives would rest Brown v Board became important for every citizen not just African Americans It shows that the founding documents of our country provided us with sovereign rights that cannot be restricted by state and local governments That decision impacted the lives of women persons with disabilities blacks whites Hispanics Asians and everyone living in this country Brown was significant in attacking the silence It opened up a dialogue and forced the country to take on greater responsibility we at every level had to start addressing the issue of race In many ways once the dialogue started we finally began to under stand the depths of racism This case was about gaining access to educational resources the resources were and remain where the white children are The Unfinished Agenda of Brown v Board of Education is about renewing and continuing the promise of Brown Cheryl Brown Henderson president of the Brown Foundation for Educational Equity Excellence and Research and daughter of Oliver L Brown one of the thirteen plaintiffs in Brown v Board of Education *Linguistics and Language Behavior Abstracts* ,2008-02 **Latin American Research Review** ,2005 An interdisciplinary journal that publishes original research and surveys of current research on Latin America and the Caribbean [Understanding the Language Development and Early Education of Hispanic Children](#) Eugene E. García,Ermininda H. Garcia,2012-06-11 Young Hispanic children are the largest and fastest

growing ethnic minority population in the United States representing diverse racial linguistic and cultural backgrounds Educational skills and achievement lag significantly for this population creating an unacceptable achievement gap at the beginning of kindergarten that grows even further by the end of third grade What can we learn from the empirical literature theory programs and policies associated with language and early learning for young Hispanics What are the home and school factors important to differences in early cognitive development and educational well being In this timely collaboration a renowned researcher and a seasoned practitioner explore these questions with a focus on specific instructional interventions that are associated with reducing the achievement gap for young Hispanic children Chapters emphasize educational practices including teacher competencies instructional strategies curricular content parent involvement and related policy The text includes teacher friendly artifacts instructional organizers and lesson descriptions *MultiCultural Review* ,2006

The Latino Education Crisis Patricia Gándara,Frances Contreras,2009-01-15 Drawing on both extensive demographic data and compelling case studies this book reveals the depths of the educational crisis looming for Latino students the nation s largest and most rapidly growing minority group **Handbook of U.S. Latino Psychology** Francisco Villarruel,2009-07-29 Emphasizing the importance of cultural sensitivity and competence in research and intervention approaches this handbook offers unrivalled coverage of the psychology of all Latino groups in the United States

Developing Reading and Writing in Second-Language Learners Diane August,Timothy Shanahan,2007-10-10 A Co Publication of Lawrence Erlbaum Associates Inc and The International Reading Association This book is a shorter version of the full volume Developing Literacy in Second Language Learners reporting the findings of the National Literacy Panel on Language Minority Children and Youth The Panel a distinguished group of expert researchers in reading language bilingualism research methods and education was appointed to identify assess and synthesize research on the literacy education of language minority children and youth In this book chapters adapted from the original report concisely summarize what is known from empirical research about the development of literacy in language minority children and youth including development environment instruction and assessment
