Malone, 2012-12-20 Jimmy Whirlwind White is Britain s best loved snooker player A one time ragamuffin straight out of the pages of Charles Dickens he has enthralled audiences worldwide for three decades with his electrifying brilliance winning ten world ranking events although heartbreakingly he has lost six Crucible World Championship finals In this in depth warts and all biography die hard fan Aubrey Malone examines White s background his illiteracy drinking and tempestuous

relationship with his wife Maureen set against his incredible rise to the top in snooker's halcyon days of the 1980s. There are tales of Jimmy using a walking stick to make a century break at his local snooker hall, his battles with the twin demons of drink and the yips, and how he nearly lost the world trophy despite never having won it. But in the end it is White's obsession with winning and his astonishing ability on the baize often against all the odds that shines through. **The Onion Field** Joseph Wambaugh, 2008-11-26 NEW YORK TIMES BESTSELLER A fascinating account of a double tragedy, one physical the other psychological. Truman Capote. This is the frighteningly true story of two young cops and two young robbers whose separate destinies fatally cross one March night in a bizarre execution in a deserted Los Angeles field. A complex story of tragic proportions more ambitious than *In Cold Blood* and equally compelling. The New York Times. Once the action begins it is difficult to put the book down. Wambaugh's compelling account of this true story is destined for the bestseller lists. Library Journal. **When Flying Was Fun!** Bill Eads, 2007-01-15 *When Flying Was Fun* is an autobiographical collection of aviation anecdotes covering four decades of flying starting with the sixties. These humorous and sometimes poignant stories are told from a first person perspective by the author who was a Naval Aviator during the Vietnam War and spent over thirty years as an airline pilot with United Airlines. These memoirs relate to those days when pilots actually flew airplanes before the days of glass cockpits and computer operated flights. Those were the days when passengers dressed up in their Sunday finest for a trip to the airport to go on a flight that would take them on the adventure of their lives. This was a time when airline pilots and flight attendants looked and felt sharp as they strode to their airplanes with pride in their uniforms and the feeling that they truly were part of the most glamorous profession in America. **Explorations in Ethnic Studies**, 1988 PTL John H. Wigger, 2017 PTL traces the lives of Jim and Tammy Faye Bakker from humble beginnings to wealth, fame, and eventual disgrace after revelations of a sex scandal and massive financial mismanagement. Adapted from book jacket. **In the Houses of the Holy** Susan Fast, 2001-09-20 This volume examines the powerful ways in which identity can be shaped by rock music. Through the music imagery and discourse surrounding one of the most innovative and commercially successful rock bands ever, Susan Fast probes such issues as constructions of gender and sexuality, the creation of myth, and the use of ritual, the appropriation of Eastern musics and the blues, the physicality of the music, and the use of the body in performance. The band's influence is examined through socially situated musical analysis as well as an ethnographic study of Led Zeppelin fans. Fast draws on academic and journalistic writing as well as a new interview with band member John Paul Jones. Specific pieces examined include *Dazed and Confused*, *Kashmir*, *Stairway to Heaven*, and *Whole Lotta Love*. **Freehand Drawing and Discovery, Enhanced Edition** James Richards, 2013-04-10 **Freehand Drawing and Discovery** James Richards, 2013-02-04 Features access to video tutorials. Designed to help architects, planners, and landscape architects use freehand sketching to quickly and creatively generate design concepts. *Freehand Drawing and Discovery* uses an array of cross-disciplinary examples to help readers develop their drawing skills.
