language English abstract This piece of work clearly puts together a report on Ervin Laszlo s scientific research and
explanation in a framework and his sense of oneness As a philosopher of science Laszlo uses quantum physics to present a
holistic perspective of the as it were the emerging new world He presents people as change agents anchoring his argument
on the effects of peoples activities on nature In his change and shift discourse Laszlo presents two approaches That of
Business as usual and that of Timely Transformation In his critical reasoning of what he has described as macroshift Laszlo
presents four phases of the shift process The Trigger Phase The Transformation Phase The critical chaotic phase where he
lays emphasis on the three Cs Communication consciousness and connections and the breakdown phase
