Raising Alex Teaching A Child To Make Smart Choices:

Raising Alex Steve Reilly, 1998-01-01

Wired for Wealth Brad Klontz, Ted Klontz, Rick Kahler, 2010-01-01

Neuroscience and money are being bandied about from Wall Street to Main Street with people realizing that what goes on in their brain directly impacts their bank account As financial stress mounts and an economic crash looms the *Wired for Wealth* authors show that the biggest threat to your financial health is not a recession it s your mindset Markets fluctuate but one fact holds true People s money scripts the unconscious core beliefs they hold about money will determine whether they win or lose With *Wired for Wealth* three respected experts explain their proven Money Makeover Program that has helped clients break through excessive debt financial stress self sabotage money avoidance and more *Making Choices* Mark W.

Fraser, 2000 Offers a cognitive problem solving approach to the urgent need for children to acquire competence in meeting the demands of childhood within social school and family parameters Designed for children from kindergarten through middle school this book is especially appropriate for children whose behavior is impulsive oppositional or aggressive Because a great deal of children s behavior is tied to problem solving the authors give practitioners a program to help children solve instrumental and relational issues in differing social settings Using a wealth of examples role plays games and activities this volume guides children in formulating goals for better social intervention from publisher information *The Family That*

Never Was Jacque Lynn Singer, 2011-02-16 This highly emotional novel follows six generations of one family from the eighteen hundreds to the present The main thrust of the story revolves around Jacob and Esther their unabashed love for one another and their total lack of love care and nurturing of four children whom they brought into the world The four children of whom I am the oldest grow up fending for themselves or relying on me their Cinderella without glass slippers The novel chronicles life and death passionate love rape and incest childbirth and abortion open heart surgery and more including some fun and fascinating experiences as well as our innumerable attempts to bring our family together Along with being a novel abounding with emotion and incredulous happenstances it hopes to disprove a long standing adage that people live what they learn as the four siblings around whom the novel is built have all risen above *The Family That Never Was* to being successful loving and caring individuals with thriving families of their own *The Oxford Handbook of Developmental and Life-Course*

Criminology David P. Farrington, Lila Kazemian, Alex R. Piquero, 2018-11-23 Developmental and life course criminology are both concerned with the study of changes in offending and problem behaviors over time Developmental studies in criminology focus on psychological factors that influence the onset and persistence of criminal behavior while life course studies analyze how changes in social arrangements like marriage education or social networks can lead to changes in offending Though each perspective is clearly concerned with patterns of offending and problem behavior over time the literature on each is spread across various disciplines including criminology criminal justice psychology and sociology The *Oxford Handbook on Developmental and Life Course Criminology* offers the first comprehensive survey of these two

approaches together Edited by three noted authorities in the field the volume provides in depth critical reviews of the development of offending developmental and life course theories development correlates and risk protective factors life transitions and turning points and effective developmental interventions from the world s leading scholars In the first two sections the contributors provide overviews of specific criminal career parameters including age crime curve prevalence frequency of offending and co offending and review the main theoretical frameworks in the developmental and life course criminology areas They further summarize some of the empirical literature on known developmental correlates and risk protective factors associated with longitudinal patterns of offending in the next section The fourth section focuses on life transitions and turning points as they may relate to persistence in or desistance from criminal activity into adulthood while the final section examines the genesis of antisocial delinquent and criminal activity its maintenance and its cessation A state of the art overview on the topic this Handbook aims to be the most authoritative resource on all issues germane to developmental and life course criminologists and provides next steps for further research Foundations of Health and Social Care Robert Adams,2007-07-20 Written specifically for students and practitioners in health and social care taking foundation degrees or further professional qualifications this textbook offers a wealth of material on contexts knowledge bases skills and practices as well as dealing with work carried out by those involved in treatment therapy advocacy and management Written in very accessible style this very comprehensive book is set to become a core text for all Foundation Degree students within the health and social care field and a very valuable resource for tutors and practitioners in the field

Essential Dads Jennifer M. Randles, 2020-10-13 In *Essential Dads* sociologist Jennifer Randles shares the stories of more than 60 marginalized men as they sought to become more engaged parents through a government supported responsible fatherhood program Dads' experiences serve as a unique window into long standing controversies about the importance of fathering its connection to inequality and the state's role in shaping men's parenting With a compassionate and hopeful voice Randles proposes a more equitable political agenda for fatherhood one that carefully considers the social and economic factors shaping men's abilities to be involved in their children's lives and the ideologies that rationalize the necessity of that involvement
