*the moral imagination in politics,  
literature, and everyday life*

VIGEN GURDIA

# Rallying The Really Human Things

**J. Harold Ellens**

## **Rallying The Really Human Things:**

Rallying the Really Human Things Vigen Guroian, 2005 In *Rallying the Really Human Things* Guroian combines a theologian's keen sensitivity to the things of the spirit with his immersion in the works of Burke Russell Kirk G K Chesterton Flannery O Connor St John Chrysostom and other exemplars of the religious humanist tradition to diagnose our cultural crisis Guroian's wide ranging analysis of these times provides a fresh and inimitable perspective on the practices and mores of contemporary life

*Rallying the Really Human Things* Vigen Guroian, 2005 For Vigen Guroian contemporary culture is distinguished by its relentless assault on the moral imagination In the stories it tells us in the way it has degraded courtship and sexualized our institutions of higher education in the ever more radical doctrines of human rights it propounds and in the way it threatens to remake human nature via biotechnology contemporary culture conspires to deprive men and women of the kind of imagination that Edmund Burke claimed allowed us to raise our perception of our own human dignity or to cover the defects of our own naked shivering nature In *Rallying the Really Human Things* Guroian combines a theologian's keen sensitivity to the things of the spirit with his immersion in the works of Burke Russell Kirk G K Chesterton Flannery O Connor St John Chrysostom and other exemplars of the religious humanist tradition to diagnose our cultural crisis But he also points the way towards a culture more solicitous of the really human things the Chesterton phrase from which he takes his title Guroian's wide ranging analysis of these times provides a fresh and inimitable perspective on the practices and mores of contemporary life

*A Chorus of Faith* Carrie Frederick Frost, 2025-03-10 In honor of his career his teaching and his scholarship and his wide influence among both scholars and nonacademic audiences comes this Festschrift for Orthodox Christian theologian and ethicist Vigen Guroian Guroian's depth and breadth are unique he has made singular contributions to the fields of ethics and theology as well as composed popular works on gardening He has compared Christian West and East in an irenic and illuminating fashion He has engaged with political theology as well as with the greats of children's literature To aptly honor Guroian this Festschrift includes both personal remembrances and topical reflections within the various fields he has influenced

**The Limits of Politics** Kyle Scott, 2016-09-21 As political units grow it becomes increasingly difficult to maintain a shared sense of humanity and to recognize people as individuals rather than anonymous beings To overcome our most pressing political issues we need to develop a moral imagination so that we may renew our sense of connectedness and responsibility to one another Bringing together politics and art is one way this can be accomplished This book draws upon political sources as well as works in literature film and theater to show the limits of politics and the need for a moral imagination

**Orthodox Christianity at the Crossroad: a Great Council of the Church - When and Why** George E. Matsoukas, 2009-04-07 Orthodox Christianity at the Crossroad A Great Council of the Church When and Why The purpose of publishing the papers presented at the Twentieth Annual Meeting of Orthodox Christian Laity is to improve lay and clergy literacy on the conference topic of The Need for a Great and Holy Council The

papers are presented with the hope that the information will motivate the faithful to participate in the conciliar decision making process that moves the Church forward on the issue of developing the council or another appropriate meeting The forces factors and history that inhibit calling a council are presented in these papers The hope of what can be accomplished when brothers work in synergy with each other and the Holy Spirit is also evident The renewal of Orthodox Christianity and the renewal of its witness in the contemporary world of global religious pluralism depend on such a meeting The calling of a council free of worldly political power turf ego and ethnic considerations will renew the Living Tradition of Orthodoxy which is its Apostolic calling The world is looking for this Living Tradition which cannot be well expressed by a fragmented Orthodox Church A council is a step toward renewing the Church and making it whole in order to teach this Living Tradition It is interesting to note as this collection of papers points out that the children of Orthodox Christians living in America have come together as Americans in order to remain Orthodox through campus ministry programs that they are developing The young adults are leading the way to Orthodox unity Is it not time for the Church elders the hierarchs the clergy and the faithful to look at the example of unity that the youth are providing and move ahead to do what is necessary to renew the Church through this conciliar council

ABOUT THE EDITOR George E Matsoukas Executive Director of Orthodox Christian Laity since 2000 recently published A Church in Captivity The Greek Orthodox Church of America He co authored and edited Project for Orthodox Renewal and continues to publish articles in various journals newspapers and local history publications He is an active member of his church and community Mission of OCL Orthodox Christian Laity OCL is a national voluntary movement dedicated to syndiaconia co ministry of clergy and laity who are concerned with the spiritual renewal accountability and transparency in Church governance OCL encourages the laity to exercise its legitimate responsibilities as part of the conciliar governance process OCL advocates the establishment of an administratively and canonically UNIFIED SELF GOVERNING Orthodox Church in North America which is in keeping with the theology and tradition in fulfilling its Apostolic mission

**Heaven, Hell, and the Afterlife** J. Harold Ellens, 2013-07-25 Christianity Islam and Judaism all feature ideas about heaven hell and afterlife and these concepts have evolved over time within these religions This work supplies a detailed and coherent understanding of the broad scope of spiritual thinking in the last 3 000 years within the Abrahamic traditions Heaven Hell and the Afterlife Eternity in Judaism Christianity and Islam provides an all encompassing examination of historic and contemporary perspectives on afterlife in Western religions In these three volumes Judaic Christian and Muslim scholars join forces providing an unprecedented review of their individual faith s traditions Every significant issue and major theme is discussed no controversial topic is avoided From ancient doctrines to modern day outlooks of conservatives progressives and liberals in all three religions all are analyzed and presented here The framework of the volumes underscores how the ethics and concepts of eternity in the Western action religions contrast with Eastern religions that tend to be characterized as passive or withdrawal religions in their ethics and their notions of afterlife as

absorption within universal spirit Nirvana or nonexistence This work is well suited for undergraduate and graduate students general readers interested in religion and professional scholars particularly those in fields corollary to religious study

*Orthodoxy and the Roman Papacy* Adam A. J. DeVille, 2011-03-15 Among the issues that continue to divide the Catholic Church from the Orthodox Church the two largest Christian bodies in the world together comprising well over a billion faithful the question of the papacy is widely acknowledged to be the most significant stumbling block to their unification For nearly forty years commentators theologians and hierarchs from popes and patriarchs to ordinary believers of both churches have acknowledged the problems posed by the papacy In *Orthodoxy and the Roman Papacy Ut Unum Sint* and the Prospects of East West Unity Adam A J DeVille offers the first comprehensive examination of the papacy from an Orthodox perspective that also seeks to find a way beyond this impasse toward full Orthodox Catholic unity He first surveys the major postwar Orthodox and Catholic theological perspectives on the Roman papacy and on patriarchates enumerating Orthodox problems with the papacy and reviewing how Orthodox patriarchates function and are structured In response to Pope John Paul II s 1995 request for a dialogue on Christian unity set forth in the encyclical letter *Ut Unum Sint* DeVille proposes a new model for the exercise of papal primacy DeVille suggests the establishment of a permanent ecumenical synod consisting of all the patriarchal heads of Churches under a papal presidency and discusses how the pope qua pope would function in a reunited Church of both East and West in full communion His analysis involving the most detailed plan for Orthodox Catholic unity yet offered by an Orthodox theologian could not be more timely **I Just Need Time to Think!** Mark D. Eckel, 2013-12

Everyone needs more time to think Choosing how to spend our thought time is crucial Mark Eckel brings thirty years of Christian reflective study experience to bear on the topic *I Just Need Time to Think* spotlights encouragement on the goal of thoughtful learning for every follower of Christ 52 brief essays support us to Slow down in a fast paced culture Replace distractions with peaceful focus Adjust schedules for retreat Discipline our minds Commit to reading Promote the vocation of student Sidestep the obstacles of study Continue down the path of learning Establish a place to think Change the character the core of our being *I Just Need Time to Think Reflective Study as Christian Practice* is a call for Christians everywhere to spend their thought time well applying the psalmist s wisdom Great are the works of the Lord studied by all who delight in them Psalm 111 2 *The Forgotten Faith* Philip LeMasters, 2013-11-08 There s more to Eastern Christianity than ethnic food bazaars enclaves of immigrants and clergy with beards The mystical theology spiritual disciplines and rich liturgical worship of the Orthodox Church provide sustenance for anyone seeking resources for growth in the Christian life Ancient teachings and practices persist in Eastern Christianity that hold together much of what Catholics and Protestants have separated Believers of all stripes increasingly resonate with Orthodoxy s healthy synthesis of prayer doctrine liturgy asceticism and call to holiness in all areas of life This ancient faith speaks with refreshing clarity to contemporary Christians who want to learn from a living tradition that is too little known in Western culture This volume presents profound insights

that will enrich challenge and inspire readers of all backgrounds It invites everyone to encounter a spiritual tradition that is ancient contemporary and fascinatingly different

**Material Eucharist** David Grumett,2016 This work surveys and identifies the most important liturgical and theological texts from the biblical Patristic medieval Reformation and modern periods in order to understand how the Eucharist has shaped and been shaped by texts ritual and doctrine

**The Vocation of the Child** Patrick M. Brennan,2008-10-07 The Vocation of the Child seeks to understand the child as a person in his or her own right as a member of family and of community and as a son or daughter of a God who came to earth as a child Distinguished jurist Patrick McKinley Brennan has gathered fifteen other respected scholars from various fields to consider seriously the vocation of the child Jacket

[Russell Kirk](#) Bradley J. Birzer,2015-11-09 Emerging from two decades of the Great Depression and the New Deal and facing the rise of radical ideologies abroad the American Right seemed beaten broken and adrift in the early 1950s Although conservative luminaries such as T S Eliot William F Buckley Jr Leo Strauss and Eric Voegelin all published important works at this time none of their writings would match the influence of Russell Kirk s 1953 masterpiece The Conservative Mind This seminal book became the intellectual touchstone for a reinvigorated movement and began a sea change in Americans attitudes toward traditionalism In Russell Kirk Bradley J Birzer investigates the life and work of the man known as the founder of postwar conservatism in America Drawing on papers and diaries that have only recently become available to the public Birzer presents a thorough exploration of Kirk s intellectual roots and development The first to examine the theorist s prolific writings on literature and culture this magisterial study illuminates Kirk s lasting influence on figures such as T S Eliot William F Buckley Jr and Senator Barry Goldwater who persuaded a reluctant Kirk to participate in his campaign for the presidency in 1964 While several books examine the evolution of postwar conservatism and libertarianism surprisingly few works explore Kirk s life and thought in detail This engaging biography not only offers a fresh and thorough assessment of one of America s most influential thinkers but also reasserts his humane vision in an increasingly inhumane time

**Orthodox Christians and the Rights Revolution in America** A. G. Roeber,2024-01-02 A distinctive and unrivaled examination of North American Eastern Orthodox Christians and their encounter with the rights revolution in a pluralistic American society From the civil rights movement of the 1950s to the culture wars of North America commentators have identified the partisans bent on pursuing different rights claims When religious identity surfaces as a key determinant in how the pursuit of rights occurs both the religious right and liberal believers remain the focus of how each contributes to making rights demands How Orthodox Christians in North America have navigated the rights revolution however remains largely unknown From the disagreements over the rights of the First Peoples of Alaska to arguments about the rights of transgender persons Orthodox Christians have engaged an Anglo American legal and constitutional rights tradition But they see rights claims through the lens of an inherited focus on the dignity of the human person In a pluralistic society and culture Orthodox Christians both converts and those with family roots

in Orthodox countries share with non Orthodox fellow citizens the challenge of reconciling conflicting rights claims Those claims do pit religious liberty rights claims against perceived dangers from outside the Orthodox Church But internal disagreements about the rights of clergy and people within the Church accompany the Orthodox Christian engagement with debates over gender sex and marriage as well as expanding political legal and human rights claims Despite their small numbers North American Orthodox remain highly visible and their struggles influential among the more than 280 million Orthodox worldwide Orthodox Christians and the Rights Revolution in America offers an historical analysis of this unfolding story **First Things** ,2005 **Formation for Life** Glen Stassen,Rodney L. Petersen,Timothy A. Norton,2013-08-16 From all corners of the world both inside cities and in the remote countryside the cry for just peace rings out loud and strong But as many will note in this book the cry for just peace isn't enough for just peace requires active faith working hands and willing hearts Gathered in this volume are essays written from a wide variety of perspectives religious traditions nationalities and ages from a sixteen year old high school student to an eighty four year old senior professor that seek to offer insight toward answering one question How are just peacemaking faith formation and discipleship connected within a twenty first century context *Theology for International Law* Esther D. Reed,2013-09-12 Whilst Christian theology is familiar with questions about the relation of church and state divine and human law little attention has been devoted to questions of international law Esther D Reed offers a systematic engagement with contemporary issues of international law and its relevance for modern theology Reed discusses numerous issue driven topics including challenges to classic just war thinking from so called fourth generation warfare peoples and nationhood within divine providence the ethics of territorial borders and the militarization of human intervention By discussing selected biblical texts Reed helps to move the issues of international law higher up the agenda of Christian theology ethics and moral reasoning **The Crossover Novel** Rachel Falconer,2008-10-21 Highly recommended by Choice While crossover books such as Rowling's Harry Potter series have enjoyed enormous sales and media attention critical analysis of crossover fiction has not kept pace with the growing popularity of this new category of writing and reading Falconer remedies this lack with close readings of six major British works of crossover fiction and a wide ranging analysis of the social and cultural implications of the global crossover phenomenon A uniquely in depth study of the crossover novel Falconer engages with a ground breaking range of sources from primary texts to child and adult reader responses to cultural and critical theory The Equal-Regard Family and Its Friendly Critics John Witte,M. Christian Green,Amy Wheeler,2007-10-17 This volume is both a celebration and an evaluation of the work on sex marriage and family life by Don S Browning the dean of modern family studies in theological ethics and practical theology Scholars probe a number of Browning's contributions particularly his call for an ethic of equal regard within the household and wider society This book is a true interdisciplinary effort with insights from psychology history law theology biology ethics feminist theology childhood studies and education theory The Equal Regard Family and Its Friendly

Critics includes seven honorary forewords ten original essays and a concluding essay by Don Browning himself Contributors Herbert Anderson Carol Browning Don S Browning Lisa Sowle Cahill M Christian Green Timothy P Jackson Martin E Marty Rebekah Miles Bonnie J Miller McLemore Richard Robert Osmer Garrett E Paul Stephen J Pope David Popenoe Stephen M Tipton Mary Stewart Van Leeuwen Linda J Waite John Wall Amy Wheeler Barbara Dafoe Whitehead John Witte Jr *Library Journal* ,2004 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **Karl Barth and Christian Ethics** William Werpehowski,2016-04-22 This critical study of Karl Barth s Christian theological ethics discusses Barth s controversial and characteristically misunderstood ethics of divine command The surprising relation of his divine command ethics to contemporary narrative theology and virtue ethics and specific moral themes concerning bonds between parents and children the nature of truth telling and the meaning of Christian love of God and neighbor are all discussed This book reveals Barth s richness depth and insight and places his work in constructive connection with salient themes in both Catholic and Protestant ethics Attentive to the fullness of Barth s Christological vision and to the purposes and limits of his reflections on the Christian life in pursuit of the good William Werpehowski also advances conversations in Christian ethics about the nature of practical deliberation and decision the orientation and dispositions that embody moral faithfulness and the question and features of natural morality
