to join them It is a book that every home should own **Covenants Without Swords** Jeanne Morefield, 2016-06-28 Covenants without Swords examines an enduring tension within liberal theory that between many liberals professed commitment to universal equality on the one hand and their historic support for the politics of hierarchy and empire on the other It does so by examining the work of two extremely influential British liberals and internationalists Gilbert Murray and Alfred Zimmern Jeanne Morefield mounts a forceful challenge to disciplinary boundaries by arguing that this tension on both the domestic and international levels is best understood as frequently arising from the same l **Outdoor Activities.** Negligence and the Law Julian Fulbrook, 2017-03-02 Recent years have witnessed several tragedies during school and youth expeditions This in turn has led to legislation and the tight regulation of Outdoor Activity Centres with successive governments issuing guidelines for teachers and others supervising such activities Inevitably there will always be risk in relation to adventurous pursuits in the outdoors but the law in this area seeks a balance between the educational benefits gained and the need to safeguard against potential hazards Mythologies have arisen including the suggestion that a blame culture is so overwhelming that no youth worker or teacher can sensibly engage anymore in such activities This succinct guide to the legal position refers to a wide range of outdoor activities and recent legal cases It demolishes some of the myths pointing out common pitfalls noted in the research and in the litigation together with an outline of robust safety features to combat potential hazards The Corporate Cult Rich Zubaty, 2001-10 Are corporations cults Do they control our behavior thoughts information and emotions Zubaty makes a pretty good case for that Should the legal status of corporate persons be challenged as a religious violation a gross infringement of the supposed boundary between church and state He makes a pretty good case for that Have we done a good job of keeping religion out of government but a miserable job of keeping government out of religion He makes a pretty good case for that Is Darwinism a science Or a religion You ll get vertigo over his take on that Copyright Libri GmbH All rights reserved **Ralph Nader** Patricia Cronin Marcello, 2004-09-30 Traces the life and career of consumer advocate Ralph Nader discussing his run for the presidency and his role in protecting the Today's White Collar Crime Hank J. Brightman, 2011-04-06 Written as a text for undergraduate courses this consumer book appeals to instructors interested in teaching the field of white collar crime both from a matter of fact investigative perspective as well as a decidedly academic endeavor Accordingly it goes beyond discussing the basic theories and typologies of commonly encountered offenses such as fraud forgery embezzlement and currency counterfeiting to include the legalistic aspects of white collar crime It also explores the investigative tools and analytical techniques needed if students wish to pursue careers in this field Because of the inextricable links between abuse of trust crimes such as misuse of government office nepotism and bribery and the realm of corporate corruption these issues are also included The text also maintains a connection between white collar crime and acts of international terrorism as well as the more controversial aspects of possible abuses of power within the public arena posed by the USA Patriot Act of 2001 and the asset forfeiture
