Monumental Legacy Barbara Seaborn,2021-10-07 Every town has its lore and Hamburg South Carolina was no exception In its early days upstate farmers brought their crops to ship or sell and shop for supplies in this bustling waterfront town situated along the Savannah River Although many accomplishments of historic proportions were achieved in the town at least part of what we thought we knew about Hamburg may not really be what happened there In a well researched historical presentation Barbara Seaborn leads others through the fascinating past of the former nineteenth century trading town founded by Henry Shultz that existed for over one hundred years After detailing the town s inception and early history Seaborn reveals how after the Civil War the nearly empty Hamburg filled again when it became the new home for several hundred freed slaves and then rose once more during the recovering postwar South until events more than a decade later diminished the town that would eventually despite its downfalls create a lasting legacy Monumental Legacy highlights the history of a former nineteenth century trading town that became a home for freed slaves suffered racial and political violence during Reconstruction and now inspires twenty first century healing and correction Barbara Seaborn has done an accurate historical presentation of the town of Hamburg South Carolina its founder Henry Shultz and the important events that took place during the one hundred and eight years it existed as a town Milledge Murray member and former president Heritage Council of North Augusta

A Romantic Way to Die Bill Crider,2025-08-14 Dan Rhodes the sheriff of Blacklin County Texas has seen more than his share of strange events during his time in office most recently he exorcised a ghost from the county jail and he has always tolerated the banter between his elderly jailer and dispatcher However not even Hack and Lawton s friendly word play could have prepared him for the group of writers that have descended upon Blacklin County When Vernell Lindsey Clearview s newly published romance novelist decides to hold a romance writer s convention residents think this will finally get their town on the map They are even more excited when they learn that former Clearview resident Terry Don Coslin will headline the event Terry Don is now the most sought after male cover model for these very novels Rhodes doesn t understand why so many people are interested in writing but this becomes the least of his concerns when a local aspiring novelist is found dead in her room at the college Was her death the work of a jealous rival Or did her new book get a bit too close to certain people s real lives As he investigates Rhodes begins to learn more about the publishing industry and some sordid facts Terry Don Is he at all connected to the murder When another murder occurs Rhodes receives the unwelcome aid of two aspiring novelists eager to switch from romance to mysteries Their theories are a little too far from the truth but Rhodes does make some headway on

his own Relying on his trademark common sense and cunning and the help of his deputy sheriff Ruth Grady Rhodes is able to solve the murders although he still can't figure out why so many people want to write a novel **Country** Ivan

Bluegrass Unlimited , 1983 *Ty Cobb* Don Rhodes, 2008-02-26 Distantly related to a Confederate general Ty Cobb was a strapping Augusta youth who became a star for the Detroit Tigers Long revered as a great hitter and an incredibly fast baserunner Cobb often has been remembered as a hated athlete a bitter man who died nearly 50 years ago No biographer has explored the complex personality as deeply and meticulously as Don Rhodes in his new comprehensive biography Rhodes reveals the man as Cobb was in Augusta in the off season and as a retiree For the first time a biographer includes interviews with Cobb's two daughters whom Rhodes met before they died his granddaughter and close friends who offer insight and photos of Cobb's private life never seen before Many of Cobb's emotional troubles started early in life and

no doubt were compounded during his early seasons with the Tigers when his mother went on trial for murdering his father. The ugly side of this phenomenal athlete is not defended or explained away but readers learn to better understand a man who seemed so miserable when he had so much. Don Rhodes is an editor at Morris Communications in Augusta. He has written Ramblin Rhodes a music column for more than 37 years and his byline appears in many magazines and newspapers. In 1973 the Allman Brothers Band were one of the most popular in America. They headlined the Watkins Glen Summer Jam attended by 600,000 people and their album *Brothers and Sisters* was number one for five weeks. The group made the cover of *Newsweek* and *Rolling Stone* named them band of the year. Always a strong live draw in the two years prior to Watkins Glen they released one of the greatest live albums of all time and lost two founding members in motorcycle accidents including guitar genius Duane Allman. Drug use and a ruinous 1976 court case forced the band apart but a three album reunion between 1978 and 1982 rekindled some of the old fire. It was with their twentieth anniversary and second reformation in 1989 that provided a degree of stability. Their legacy of eleven studio albums and six contemporaneous live albums include classics such as their self-titled debut, the sophomore *Idlewild South*, the definitive live document *At Fillmore East* and the astounding final album *Hittin' The Note* from 2003. The music of the Allman Brothers is the pure distillation of the four main ingredients of American music: blues, rock, jazz, and country. At their best they transcended genre; they just were. Andrew Wild is an experienced writer, music collector, and film buff with many books to his name including recent publications about Queen, Pink Floyd, Dire Straits, and Crosby, Stills, and Nash. His comprehensive study of every song recorded and performed by The Beatles between 1957 and 1970 was published by Sonicbond in 2019. He lives in Rainow, Cheshire, UK. **On We Go--** Carl Baughman, 2007. *Georgia Icons* Don Rhodes, Jeff Barnes, 2011-02-01. *Georgia Icons* celebrates the Peach State through photographs and essays highlighting 50 of the best places, inventions, foods, buildings, and institutions the state has to offer. **Rackley, a Southern Colonial Family** Eloise F.
