[Slaying the Dragon](#) Ben Riggs, 2022-07-19

Role playing game historian Ben Riggs unveils the secret history of TSR the company that unleashed imaginations with Dungeons Dragons was driven into ruin by disastrous management decisions and then saved by their bitterest rival Ben Riggs manages to walk the fine line between historical accuracy and fun about as well as anyone and SLAYING THE DRAGON is equal parts historical accuracy and entertainment It was an essential read for me while directing and producing the Official D D documentary but I d recommend it to anyone regardless of the subject material It s a wild and fun ride through the turbulent history of one the most influential brands in our lifetime JOE MANGANIELLO Co created by wargame enthusiasts Gary Gygax and Dave Arneson the original Dungeons Dragons role playing game released by TSR Tactical Studies Rules in 1974 created a radical new medium the role playing game For the next two decades TSR rocketed to success producing multiple editions of D D numerous settings for the game magazines video games New York Times bestselling novels by Margaret Weis Tracy Hickman and R A Salvatore and even a TV show But by 1997 a series of ruinous choices and failed projects brought TSR to the edge of doom only to be saved by their fiercest competitor Wizards of the Coast the company behind the collectible card game Magic The Gathering Unearthed from Ben Riggs s own adventurous campaign of in depth research interviews with major players and acquisitions of secret documents Slaying the Dragon reveals the true story of the rise and fall of TSR Go behind the scenes of their Lake Geneva headquarters where innovative artists and writers redefined the sword and sorcery genre managers and executives sabotaged their own success by alienating their top talent ignoring their customer fanbase accruing a mountain of debt and agreeing to deals which by the end made them into a publishing company unable to publish so much as a postcard As epic and fantastic as the adventures TSR published Slaying

the Dragon is the legendary tale of the rise and fall of the company that created the role playing game world *Choosing Models of Society and Social Norms* Adolfo Critto,1999 Choosing Models of Society and Social Norms offers an innovative approach to social norms and decision making that encourages the identification of social norms along with their causes and consequences Adolfo Critto points out that social norms condition behavior but are also conditioned by human decisions He notes that social norms generally only provide partial and temporary solutions to human needs and problems so must be critically analyzed in order to understand their relationship to decision making Critto approaches this relationship through sacred focused on transcendent ends and expedient focused on efficient means value orientations warning that a one sided focus on either of these orientations leads to inconsistency He stresses the importance of language communication and education showing how they relate to social norms Through his analysis the author provides an understanding of the creation of social norms what influences them and the evaluation of those that already exist **Max Explains Everything: Puppy Expert**
