Buss Professor of Psychology University of Michigan, Los Angeles Neil Malamuth Professor of Communication and Psychology and Chair of the Department of Communication and Speech University of California, 1996-03-21 Sexual harassment in the workplace date rape and domestic violence dominate the headlines and have recently sparked scholarly debates about the nature of the sexes Concurrently the scientific community is conducting research in topics of sex and gender issues Indeed more research is being done on the topics of sexual conflict and coercion than at any other time in the history of the social sciences Despite this attention it is clear that these issues are being addressed from two essentially different perspectives one is labeled feminist while the other viewed as antithetical to the feminist movement is called evolutionary psychology which emphasizes the history of reproductive

strategies in understanding conflict between the sexes This book brings together leading experts from both sides of the debate in order to discover how each could offer insights lacking in the other The editors overall goal is to show how the feminist and evolutionary approaches are complementary despite their evident differences then provide an integration and synthesis In fact several of the contributors to this unique volume consider themselves advocates of both approaches As a stimulating presentation of the dynamics of sex power and conflict and a pioneering rapprochement of the diverse tendencies within the scientific community this book will attract a wide audience in both psychology and women s studies fields

Heinous Crime Frederic G. Reamer, 2005 This book offers innovative perspectives on issues concerning a civilized society s response to offenders guilty of heinous crimes It considers specific cases and the chilling accounts of victims and the criminals themselves In providing detailed strategies for prevention and rehabilitation the author examines the psychological and social factors that lead individuals to commit reprehensible crimes arguing that a fuller understanding of different criminal types is crucial to developing successful answers to the problem of heinous crimes      *Cox's Clinical Application of Nursing Diagnosis* Susan A Newfield, Mittie D Hinz, Donna Scott-Tilley, 2007-05-07 Organized by Gordon s Functional Health Patterns this unique care plan text is packed with outstanding features it s the resource students will turn to again and again They ll find everything they need to create and implement great care plans across the lifespan      *Selected Resources on Elder Abuse* Billie H. Frazier, 1991      *The Human Rights of Children* Michael Freeman, 2022-03-16 For decades Professor Michael Freeman has without doubt been one of the world s most influential scholars in international children s rights His scholarship has been at the forefront of the field and has helped shape many of the developments within it This collection offers the reader a thought provoking snapshot of some of his most seminal essays written and or published over the past 30 years Together they highlight above all the interdisciplinary nature of the issues he discusses Legal doctrinal questions that make the case for recognising that children have rights are of course discussed But aspects of moral and political philosophy are dealt with as well in addition to among other other disciplines history theology psychology and antropology      **Special Reference Briefs** , 1983      *Social Psychology and Human Sexuality* Roy F. Baumeister, 2001 Presents a selected group of influential articles dealing specifically with the social aspects of sexuality topics covered include differences between male and female sexuality virginity harassment rape and coercion and jealousy      *Current Catalog* National Library of Medicine (U.S.), 1980 First multi year cumulation covers six years 1965 70      **California. Court of Appeal (1st Appellate District). Records and Briefs** California (State).,      **Preventing Crime and Violence** Brent Teasdale, Mindy S. Bradley, 2016-11-29 This insightful volume integrates criminological theories prevention science and empirical findings to create an up to date survey of crime prevention research and strategies Its interdisciplinary perspective expands on our knowledge of risk factors to isolate the malleable mechanisms that produce criminal outcomes and can therefore be targeted for intervention In addition the text identifies developmental lifespan and social areas for effective intervention Reviews of family community

and criminal justice based crime prevention approaches not only detail a wide gamut of successful techniques but also provide evidence for why they succeed And as an extra research dimension the book s chapters on methodological issues and challenges uncover rich possibilities for the next generation of crime prevention studies Included in the coverage Integrating criminology and prevention research Social disorganization theory its history and relevance to crime prevention Research designs in crime and violence prevention Macro and micro approaches to crime prevention and intervention programs Implications of life course approaches for prevention science Promising avenues for prevention including confronting sexual victimization on college campuses Spotlighting current progress and continuing evolution of the field Preventing Crime and Violence will enhance the work of researchers practitioners academicians and policymakers in public health prevention science criminology and criminal justice as well as students interested in criminology and criminal justice Topics in Emergency Medicine ,1980 *Bibliography of Agriculture* ,1987 **Deviance and Social Control** Michelle
