Criminal Violence and Race, 1982 **Critical Race Judgments** Bennett Capers, Devon W. Carbado, R. A. Lenhardt, Angela

Onwuachi-Willig, 2022-04-21 By re writing US Supreme Court opinions that implicate critical dimensions of racial justice Critical Race Judgments demonstrates that it is possible to be judge and a critical race theorist Specific issues covered in these cases include the death penalty employment voting policing education the environment justice housing immigration sexual orientation segregation and mass incarceration While some rewritten cases Plessy v Ferguson which constitutionalized Jim Crow and Korematsu v United States which constitutionalized internment originally focused on race many of the rewritten opinions Lawrence v Texas which constitutionalized sodomy laws and Roe v Wade which constitutionalized a woman's right to choose are used to incorporate racial justice principles in novel and important ways This work is essential for everyone who needs to understand why critical race theory must be deployed in constitutional law to uphold and advance racial justice principles that are foundational to US democracy

The Bible as Political Artifact Susanne Sholza, 2017-10-15 Biblical studies and the teaching of biblical studies are clearly changing though it is less clear what the changes mean and how we should evaluate them Susanne Scholz casts a feminist eye on the politics of pedagogy higher education and wider society decrypting important developments in the architecture of educational power She also examines how the increasingly intercultural interreligious and diasporic dynamics in society inform the hermeneutical and methodological possibilities for biblical exegesis Taken as a whole the fourteen chapters demonstrate that the foregrounding of gender placed into its intersectional contexts offers intriguing and valuable alternative ways of seeing the world and the Bible's place in it

Race Relations at the Margins Jeff Forret, 2006-07-01 Covering a broad geographic scope from Virginia to South Carolina between 1820 and 1860 Jeff Forret scrutinizes relations among rural poor whites and slaves a subject previously unexplored and certainly under reported Forret's findings challenge historians long held assumption that mutual violence and animosity characterized the two groups interactions he reveals that while poor whites and slaves sometimes experienced bouts of hostility often they worked or played in harmony and camaraderie Race Relations at the Margins is

remarkable for its focus on lower class whites and their dealings with slaves outside the purview of the master Race and class Forret demonstrates intersected in unique ways for those at the margins of southern society challenging the belief that race created a social cohesion among whites regardless of economic status As Forret makes apparent colonial era flexibility in race relations never entirely disappeared despite the institutionalization of slavery and the growing rigidity of color lines His book offers a complex and nuanced picture of the shadowy world of slave poor white interactions demanding a refined understanding and new appreciation of the range of interracial associations in the Old South Slave Emancipation and Racial Attitudes in Nineteenth-Century South Africa R. L. Watson, 2012-02-20 Examines the significance of the abolition of slavery in South Africa s Cape Colony in 1834 and the subsequent development of race relations Of One Blood, a Short Study of the Race Problem Robert Elliott Speer, 1924 *The Labyrinth Of Families* Martin Patrick, 2022-09-01 Two Black Brits who fear that going to America will cost them their lives inspire former Rogue Agents and the British Government to set up a Protection Service Sir Albert Collins is England s greatest Black Shakespearean actor who has been offered the starring role of Othello on Broadway but he fears that he ll be killed by cops in America so he s reluctant to go Dominic Harris is a successful Black British sales manager who has to fight to stop his vicious boss from sending him to America where he hopes Dominic will be killed by the cops Both men rely on the Bankol s Britain s most powerful Black family who have a relationship with Anglo American Secret Service rogue agents headed by Lord Mowbray one of the top men in British Intelligence This results in sexual entrapment robbery covert deceptions public humiliations and death **Reconstructions** Thomas J. Brown, 2008-09-23 The pivotal era of Reconstruction has inspired an outstanding historical literature In the half century after W E B DuBois published *Black Reconstruction in America* 1935 a host of thoughtful and energetic authors helped to dismantle racist stereotypes about the aftermath of emancipation and Union victory in the Civil War The resolution of long running interpretive debates shifted the issues at stake in Reconstruction scholarship but the topic has remained a vital venue for original exploration of the American past In *Reconstructions New Perspectives on the Postbellum United States* eight rising historians survey the latest generation of work and point to promising directions for future research They show that the field is opening out to address a wider range of adjustments to the experiences and effects of Civil War Increased interest in cultural history now enriches understandings traditionally centered on social and political history Attention to gender has joined a focus on labor as a powerful strategy for analyzing negotiations over private and public authority The contributors suggest that Reconstruction historiography might further thrive by strengthening connections to such subjects as western history legal history and diplomatic history and by redefining the chronological boundaries of the postwar period The essays provide more than a variety of attractive vantage points for fresh examination of a major phase of American history By identifying the most exciting recent approaches to a theme previously studied so ably the collection illuminates the creative process in scholarly historical literature Race Traits and Tendencies of the American Negro Frederick Ludwig
