## **Raped In The House Of God:**

**Raped in the House of God** Jim Parker, 2004-04 A professional business and personal coach tells of his sexual abuse by a Catholic priest when he was 12 years old how his parents request to keep the abuse secret contributed to his subsequent self destructive behavior and his eventual awakening into healing and recovery

### **Raped in the Church**

Mohadeebah, 2019-11-12 This book is not intended for everyone to read or for everyone to like it is for the millions of people who have been unjustly raped in the church without any type of human justice or foreseeable biblical justice This book is for those who have been hurt or abused in the natural psychological mental physical and the spiritual realm If you are a new convert do not read this book because some things may shock you or even shake your faith in your local lay members or clergy who do not deserve any unjust criticism Some stories may seem unreal but they are based on real life events of everyday people who you see or are seen in the sanctuary worshipping God never knowing what they are going through or why they leave the church today some even convert to other religions As a result of hurt and frustration many never return to the organized church and prefer a relationship with God through television evangelist I am not targeting Christianity but most of the stories and events are from people who are or once was a Christian I must say in all fairness I must say that I m a Christian and this book is written from a Christian point of view It s written to heal as well as inform that not everyone in the church is of the church meaning the kingdom of God To the clergy and lay members please remember this the Lord said woe unto the Shepherd that scatter MY Sheep he said that we are the sheep of his pasture Many people in leadership today seem to forget that very important fact that we are not theirs to command and bid as they see fit If you choose to read this book you will always have an awareness of what is going on with those who have been spiritually raped Some people may not believe you when you tell them what you have read and what you learned which is fine Remember they did not believe Jesus either Finally as one pastor once said to me many years ago that education stuff isn t going to get you anywhere he she didn t know that the bible has been translated by some of the best scholars of our time and our theology has had may contributors throughout history From the Quakers Shakers Lutheran Catholic Jews and even Mormons The lord said that knowledge would steadily increase and if a man lacks knowledge or wisdom let him ask God who gives limberly and upbraids not

Raped in the House of God Jim Parker, 2004-04-13 Raped in the House of God is an invaluable resource for anyone trying to understand the lifetime effects sexual abuse by priests has on a person s life Author Jim Parker tells his story of soul murder and his ongoing journey of recovery His story recounts not only the immediate catastrophic impact of a 12 year old boy being sexually abused but how his parents request to keep the abuse a secret led to over forty years of frustration and self destructive behavior Parker gives the reader details of how his life has been altered including His loss of purpose Inability to achieve in school Distrust of men Failed relationships with family and others Inability to set clear boundaries Years of isolation Three failed marriages Raped in the House of God is a must read for other survivors of clergy sexual abuse

their families concerned Catholics seeking to better understand the crisis facing their church today and health care professionals charged with the challenge of helping survivors      The Absence of God in Biblical Rape Narratives Leah Rediger Schulte, 2017-08-15 In this groundbreaking work to identify and address God's absence in three key rape narratives in the Hebrew Bible Leah Rediger Schulte finds a pattern that indicates a larger community crisis With a careful look at Genesis 34 Judges 19 and 2 Samuel 13 this study outlines God's absence a foreign presence and a persistent problem that is resolved incorrectly to highlight consequences of the Israelites breaking their covenant with God Using methodologies from literary criticism and gender studies and situating rape in its historical context this volume makes distinctions between modern constructs of rape and biblical rape Commentaries and studies on rape in the Bible often read a modern understanding of the victim and rapist back into the biblical text missing how it would have been understood in ancient Israel These biblical rape scenes are intimately connected to and assist in telling the story of Israel's history as a people and their covenantal relationship with their deity      *ODE TO ADOLF HITLER* alexander khamala opicho,      **The Altar** Debbie Vanderslice, 2021-01-13 The Altar is a ten chapter non fiction book that examines the parallel relationship between abuse that goes on in the church today and likens it to the act of rape By taking a metaphoric look at why God despises authoritative leadership abuse within the church the author will compare this abuse to the key Biblical text where Jesus drove out the moneylenders and priests for raping or abusing those trying to get to the altar or God By taking the reader through the actual example of rape itself part one is entitled The Intruder Within Part one of the book metaphorically uses the rapist as the intruder within the church who has unlimited and unquestionable position power and authority Part two of the book The Exposer Without brings into focus how Jesus is on the outside looking in Whereas part one of the book concentrated on how the intruder within the rapist gains unlimited positional authority part two reveals that Jesus seeks to bring healing to His church by exposing truth wherever necessary Readers will be comforted by the fact they are not alone and that God truly feels the pain as well as the rage when His children are raped at the altar God was close to the broken hearted during Jesus time on earth and continues to be today      Rape-Revenge Films Alexandra Heller-Nicholas, 2021-03-30 Often considered the lowest depth to which cinema can plummet the rape revenge film is broadly dismissed as fundamentally exploitative and sensational catering only to a demented regressive demographic This second edition ten years after the first continues the assessment of these films and the discourse they provoke Included is a new chapter about women directed rape revenge films a phenomenon that revitalized since MeToo exploded in late 2017 is a filmmaking tradition with a history that transcends a contemporary context Featuring both famous and unknown movies controversial and widely celebrated filmmakers as well as rape revenge cinema from around the world this revised edition demonstrates that diverse and often contradictory treatments of sexual violence exist simultaneously      *Pro-Life Pulpit* Stephen Tu, 2011-05-23 Over one million unborn children are intentionally aborted every year in North America Voiceless and helpless their blood cries out Will those

of us who serve as pastors and preachers respond from our pulpits Silence is not an option We cannot keep quiet while thousands of our neighbors made in the image of God are being led to the slaughter every day But neither should we condemn and vilify those who are complicit in their deaths A truly pro life pulpit ministry opposes the injustice of abortion with truth courage and understanding Tears mingled with hope overflowing with grace After all the Christian faith is rooted in the good news of a Messiah who was once an embryo Nine months before he was born Jesus was conceived by the Holy Spirit and for the next forty weeks he lived and grew in the womb of an unwed teenaged mother He is at the heart of our preaching and this book will show you how to confront the sin of abortion by proclaiming the God who became abortable in order to save sinners     The People of Harmony Baptist Church Bernadette Penelope Byrd,2012-09 The people in each chapter have gone through many problems physical and mental abuse death suicide murder alcoholism drugs marriage divorce children and adoption Sometime we as Christians forget that being a Christian means to forgive the inexcusable because God has forgiven the inexcusable in us Let the truth be told unless you let go unless you forgive yourself unless you forgive the people that did you wrong or harmed you in anyway unless you forgive the situation unless you realize that that situation is over you cannot move forward and God cannot bless you and we all want to be blessed Matthew 6 14 15 For if you forgive man and or woman when they sin against you your heavenly Father will also forgive you But if you do not forgive man and or woman their sins your Father will not forgive your sins The sense of the reality of spiritual things and the power to rest the thought upon them is as various as the power of flight in different birds See a great eagle soaring without effort high in the air or circling with undazzled eyes towards the sun A noble bird with such powers of flight and of sight pictures an affection for spiritual thought of the strongest most searching kind which rises highest above superficial appearances and takes the most comprehensive views of like the most in accord with the Divine wisdom Isaiah 40 31 But they that wait upon the LORD shall renew their strength they shall mount up with wings as eagles     In God's Image Tomer Persico,2025-07-22 The idea that all human beings were created in God s image was core to the creation of the modern West In God s Image examines the central role that the idea that all people were created in the image of God played in the development of Western civilization Focusing on five themes selfhood freedom conscience equality and meaning the book guides the reader through a cultural history of the West from ancient times through modernity It explains how each of these ideals was profoundly influenced by the central biblical conception of humanity s creation in God s image embracing an essential equality among all people while also emphasizing each human life s singularity and significance The book argues that the West and particularly Protestant Christianity grew out of ideas rooted deeply in this notion and that it played a core role in the development of individualism liberalism human rights discourse and indeed the secularization process Making the case for a cultural understanding of history the volume focuses on ideas as agents of change and challenges the common scholarly emphasis on material conditions Offering an innovative perspective on the shaping of global modernity In God s Image

examines the relationship between faith and society and posits the fundamental role of the idea of the image of God in the making of the moral ideals and social institutions we hold dear today      **Somalia - The Untold Story** Judith Gardner, Judy El Bushra, 2004 Explores the experiences of women in Somalia and how they have survived the trauma of war      **God is Back** John Micklethwait, Adrian Wooldridge, 2009 On the street and in the corridors of power religion is surging worldwide From Russia to Turkey to India nations that swore off faith in the last century or even tried to stamp it out are now run by avowedly religious leaders This book examines this new world from exorcisms in S o Paulo to religious skirmishing in Nigeria to televangelism in California and house churches in China Since the Enlightenment intellectuals have assumed that modernization would kill religion and that religious America is an oddity As these authors argue religion and modernity can thrive together and America is becoming the norm The failure of communism and the rise of globalism helped spark the global revival but above all 21st century religion is being fueled by a very American emphasis on competition and a customer driven approach to salvation and its destabilizing effects can already be seen far from Iraq or the World Trade Center From publisher description      *Incest, Raped and Battered* Phyllis S. Edwards, 2002-03-11      **The Unauthorized Guide to Sex and Church** Carmen Renee Berry, 2005-08-21 Is it possible to be a Christian and a sexual being At times it seems like the Church pits sexuality and spirituality against one another Yet the cost in creating such a dichotomy has resulted in harmful implications on spiritual growth sexual intimacy and moral credibility The Unauthorized Guide to Sex and the Church traces sexual attitudes and practices in Hebrew culture as presented in the Old Testament through the current issues that confront the church today It addresses questions such as How has the church become so notorious for sex scandals amongst its leadership Why is the church unable to present a united front on sexual issues such as marriage divorce premarital sex homosexuality and abortion and How can I make wise and informed choices about these important issues in light of my beliefs Blending historical facts with practical wisdom this lively exploration looks at how Christian views of sex have developed and changed based on doctrinal cultural medical scriptural and psychological understandings      **Kenya National Assembly Official Record (Hansard)** , 2006-04-27 The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya the House of Representatives of the Government of Kenya and the National Assembly of the Republic of Kenya      *Serpents In the Garden: True Accounts of Sexual Betrayal In The Church!* Christian Whistle Blower, 2013-07-09 The stories in this book are real as far as I know because not all of them came to me first hand Those that did or the ones I personally knew about I can vouch for As someone who went to Bible College and spent years as both a layman and ministerial worker in various churches I heard each of them first hand from either the victim or the perpetrator Be aware that although I have avoided the use of any sort of foul language or sexual slurs the accounts of sexual abuse you will read about are real and graphic I believe they must be in order to bring incidents like these to light and give them credibility Trust has come too easy in churches and many people have paid the price for that My own faith was tested

over and over again as I came across these horrifying incidents that occurred in churches where I worshiped and worked as well as others I learned about that occurred in other locations      Strangely Familiar Nancy Calvert-Koyzis, Heather E.
