Raptor Rescue An Eagle Flies Free:

Raptor Rescue! Sylvia A. Johnson,1995 A visit to the University of Minnesota's Gabbert Raptor Center focuses on a bald eagle from its arrival with a gunshot wound through surgery rehabilitation and release and discusses the threats to these majestic birds

Think Green, Take Action Daniel A. Kriesberg,2010-08-16 This book provides an annotated bibliography of age appropriate literature and activities showing children the importance of environmental issues and teaching them the skills to take action In past years teaching children about conservation and environmental issues might have been an optional side topic to complement an earth science curriculum but in today's educational climate being green is a subject with great relevance and importance This book combines a wide variety of techniques to help students understand environmental issues and gain the skills needed to take action The children's literature and classroom activities suggested in Think Green Take Action Books and Activities for Kids are appropriate for elementary school students from grades three through seven covering three major environmental issues endangered species resource depletion and pollution After students have a grasp of the causes of these environmental problems the final chapter presents ways to take easy action that can create ripples of change across the world Educators in museums and nature centers home schooled children and their parents comprise an appropriate secondary audience for this instructive text

The Raptor Release ,2001 **Return of the Eagle** Greg Breining,2008-02-26 This is the story of how a nation reversed a silent spring and saved the bald eagle from extinction This bird of prey was declared the national symbol in 1782 but by the 1960s pollution and development had wiped out all but a few dozen Grassroots movements started the American consciousness was raised to all environmental threats and federal laws were passed to keep the eagle population alive This stunning book of full color photographs and touching stories chronicles this inspiring success story with awe inspiring shots of eagles in flight There is also a one of a kind directory to more than 150 areas in the nation where eagles are likely to be seen in the wild soaring once again against the blue skies of freedom This book is a monument to the efforts that combined animal instinct for survival with the power of the human spirit to change the world

Eagles Patrick Merrick,2006-08 Describes the physical characteristics behavior habitat and life cycle of eagles discussing species including the African fish eagle bald eagle and Steller's sea eagle

 Grades K 8 **Making Facts Come Alive** Rosemary A. Bamford, Janice V. Kristo, 1998 **Bulletin**, 1936 **Picture This**
 Denise I. Matulka, 1997-12-09 Picture books for young adults can provide a unique introduction to curriculum related topics
 that will capture student interest This annotated bibliography of over 600 picture books for students in grades 8 through 12
 is organized by content area and will enable teachers and library media specialists to select appropriate books for use with
 students Picture books provide an extraordinary opportunity to combine illustration and thoroughly researched text to
 introduce topics in the arts health literature mathematics science and social science content areas They can be used together
 with companion titles or as springboards to stimulate student interest No longer just for children picture books have matured
 in the last decade to become a format for all ages The recommended fiction and nonfiction titles in this resource have been
 carefully selected as appropriate for older readers because of their sophisticated content Almost all have been published in
 the late 1980s through 1996 For ease of use by the teacher or young adult librarian the bibliography is arranged into six
 content areas the arts health literature and language mathematics science and nature and social studies and history Within
 each content area entries are organized alphabetically by author Each annotation includes the book's content subject
 breakdown artistic style and medium suggested companion titles and ideas for use in the classroom Annotations are
 numbered for ease of use and indexed by subject author and illustrator Appendixes include a glossary of terms used to
 describe picture books a checklist to guide teachers and students when using picture books and a list of professional sources
 that will assist teachers in exploring the picture book format This easy to use guide is an indispensable resource for teachers
 and librarians seeking to motivate students and stimulate their interest *Children's Books in Children's Hands* Charles A.
 Temple, 1998 Contents Part 1 Understanding Literature and the Child Reader Part 2 Exploring the Genres of Children's
 Literature Part 3 Creating the Literature Based Classroom **Children's Literature in Social Studies** DeAn M. Krey, 1998
 Graded annotated bibliography of children's books organized according to the NCSS's ten thematic strands of social studies
 culture time continuity and change people places and environments individual development and identity individuals groups
 and institutions power authority and governance production distribution and consumption science technology and society
 global connections civic ideals and practices Eagles Ann C. Cooper, 1992 The story of a Sioux Indian boy and an injured
 eaglet set in contemporary times serves as a fable about eagles as part of a fragile ecosystem and encourages the reader's
 participation in the rest of the book Through various activities children will learn the natural history of eagles from a
 scientific ethnographic and environmental perspective They'll also learn strategies for living in or near areas that eagles
 inhabit Ages 8-12 *Book Review Digest*, 1997 **Teaching Reading in Today's Middle Schools** Betty D. Roe, Sandy H.
 Smith, 2004-10 This text combines a research-based approach to reading instruction with the theories issues and strategies
 most relevant to prospective middle school teachers The authors promote a balanced approach to literacy instruction that

includes active learning cooperative learning and critical thinking strategies These strategies and their applications empower teachers to become key decision makers in their students literacy programs American Book Publishing Record ,1995
