Rapture Question Answered Plain And Simple:

The Rapture Question Answered Robert Van Kampen,1997-05-01 Answers the question surrounding the Rapture of the church at Christ s second coming and the timing of the end time events as clearly taught in Scripture [Before God's Wrath](#) H. L. Nigro,2004-10 Biblical presentation of the timing of the rapture of the Church and provides many biblical and logical arguments for the prewrath rapture position *Three Views on the Rapture* Craig A. Blaising,Douglas J. Moo,2018-06-26 The rapture or the belief that Jesus living followers will at some point join him forever while others do not is an important but contested doctrine among evangelicals Scholars generally hold one of three perspectives on the timing and circumstances of the rapture all of which are presented in this important volume of the Counterpoints series *Three Views on the Rapture* Alan D Hultberg PhD Trinity International University and professor of New Testament at Talbot School of Theology explains the Pre Wrath view Craig Blaising PhD Dallas Theological Seminary and president of Southwestern Baptist Theological Seminary defends the Pre Tribulation view Douglas Moo PhD University of St Andrews and professor of New Testament at Wheaton College sets forth the Post Tribulation view Each author provides a substantive explanation of his position which is critiqued by the other two authors A thorough introduction gives a historical overview of the doctrine of the rapture and its effects on the church The interactive and fair minded format of the Counterpoints series allows readers to consider the strengths and weaknesses of each view and draw informed personal conclusions *The Rapture: Don't Be Deceived* Billy Crone,2016-07 If there s one thing you don t want to be deceived about in life it s the Biblical truth concerning the Rapture The Bible says that for those who are left behind after this next great event on God s end time prophetic calendar they will be thrust into the 7 year Tribulation which is not a party Rather it s an outpouring of God s wrath upon this wicked and rebellious planet which will soon turn into mankind s greatest nightmare Unfortunately there seems to be multitude of opinions out there concerning the purpose and timing of the Rapture which is starting to cause a lot of unnecessary confusion and division Therefore *The Rapture Don t Be Deceived* takes a detective s approach towards the Biblical teaching of the Rapture and examines the many Scriptural facts surrounding it [The Second Coming of Christ: Study Guide](#) Keith Thomas,2015-05-05 The purpose of doing this study is to focus on the coming of Christ and to better prepare us for His coming The early Christians in the first century would often talk of His coming and encourage one another by looking forward to the day when Christ would return If that was so for centuries ago how much more should we be anticipating His coming in the days in which we live Now more than ever it is important that we remember often to lift up our heads and say Come Lord Jesus *Doubt Busters* Steve Husting,2017-10-21 This massive compilation of 140 Christian questions and answers go from the interesting How can you believe a dead man came back to life to the incendiary Why does God hate homosexuals to the irritating How many angels can dance on the head of a pin These age old difficulties have caused many people to question the Christian faith They are tough questions but they have solid satisfying answers that can

banish your doubts This handy volume covers the material with a friendly readable style using personal anecdotes real life stories and analogies from nature The author drew from his years of teaching God s Word and writing devotionals to write plainly and root his answers in the Word of God This book will help you Confront hidden biases and see how our culture warps God s message Gain more confidence about the reasonableness of the Christian faith Remove crippling doubts about the trustworthiness of the Scriptures Share your faith and take a stand **Rapture or Tribulation** Richard W.

Daisy Rodriguez,2010-03 Warning Satan does not want believers in Jesus Christ to know the truth about the tribulation time and the Lord s second coming The enemy wants to keep the Christian church in deception and you may have been deceived with end time doctrine Before it gets too late let the mud be washed from your eyes A common belief is that Christians will be taken up in the rapture before the seven years of tribulation begin Many Christians believe Jesus will be coming for them secretly keeping them from the antichrist s terrible reign But is this belief scriptural That s the question E Daisy Rodriguez answers in this insightful thought provoking book She closely examines the Old and New Testament to open the eyes of Christians to the truth a truth the devil doesn t want you to know Discover what the tribulation will really be like when the man of sin is revealed Learn how Father God is going to provide for his children and protect them during the antichrist s reign if only they will open their eyes to his Word Arm yourself with the knowledge that will prove vital to entering God s kingdom when the Day of the Lord comes Jesus warned believers to be prepared for deception regarding his return Will the Mud on the Eyes of a Blind Man be cleared away in time *Navigating The End Times*: Rev. Svigel,2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the

history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this The Fathers on the Future uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaeian premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology The Fathers on the Future includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions The Fathers on the Future begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective *The Fourth Reich* Robert Van Kampen,1997-09-01 Combining international intrigue and romance with close adherence to biblical prophecy The Fourth Reich gives an intense fast paced and dramatic portrayal of the end times **En Route to the Mount of Olives (Matthew 24)** David R Rosen,2022-06-03 And now it is time And as God has arranged and prepared As the scriptures have been foretold for the crucifixion of Jesus is now but days away Jesus had been preparing His disciples for the time of this week And now we jump into the Word Jesus and His disciples are now leaving the Temple And they are heading across the way up towards the Mount of Olives For the time of Jesus last Passover observance with His Disciples is before Him And then He transforms His last Passover with His Disciples into The Last Supper Matt 26 17 19 So picture yourself standing in the courtyard in view is the Mount of Olives Jesus has just finished rebuking the Scribes and Pharisees in his telling the crowds and disciples the seven woes to their hypocritical faith as recorded within Matthew 23 and now Jesus and His disciples are preparing to leave the courtyard and you overhear the disciples note to Jesus the splendor of the Temple And in return reply Jesus offers an unexpected comment actually Jesus offers prophecy that He presents back to them And now the journey to cross over from the temple courtyard to the Mount of Olives begins *Captain America and the Crusade Against Evil* Robert Jewett,John Shelton Lawrence,2004-06-14 Grasping this vision honored by Judaism Christianity and Islam alike includes recognizing the dangers of zealous violence the illusions of current crusading and the promise of peaceful coexistence under international law *Eighty Years Behind the Masts* Miller,2011-01-10 The introduction was written 62

Howe,2008-06-01 In recent years there has been rise in popularity and visibility of the debate about the last things Preterists and Futurists have published books articles and even movies promoting their respective views This debate has elevated the interest of the Christian public in eschatological issues Along with the increased interest in eschatology there has been a rise in popularity of the Preterist view which holds that most or all of the prophecies about Christ s coming have already been fulfilled that the second coming took place in 70 AD Most of the discussion from those who espouse the Preterist view however revolves around certain passages in the New Testament and their treatment of Old Testament passages is sporadic and selective The importance of the book of Daniel in these discussions cannot be overstated However most commentaries on Daniel from a Futurist perspective have not dealt with the Preterists interpretations of the key prophetic passages There simply is no detailed commentary on the book of Daniel that addresses the Preterist interpretations of this important book This book is a commentary on the entire book of Daniel from a Futurist perspective that specifically addresses the Preterist interpretations of the key prophetic passages This is not a book that selects passages out of the context of the book and attempts to explain their prophetic significance Rather this is a commentary on the entire book of Daniel that places these critical prophetic passages in their literary and historical context and then deals with the various interpretations of these passages as they fit into the context of the book as a whole *Stolen Fragments* Roberta Mazza,2024-09-24 In 2012 Steve Green billionaire and president of the Hobby Lobby chain of craft stores announced a recent purchase of a Biblical artefact a

fragment of papyrus just discovered carrying lines from Paul's letter to the Romans and dated to the second century CE. Noted scholar Roberta Mazza was stunned. When was this piece discovered and how could Green acquire such a rare item? The answers which Mazza spent the next ten years uncovering came as a shock: the fragment had come from a famous collection held at Oxford University and its rightful owners had no idea it had been sold. The letter to the Romans was not the only extraordinary piece in the Green collection. They soon announced newly recovered fragments from the Gospels and writings of Sappho. Mazza's quest to confirm the provenance of these priceless fragments revealed shadowy global networks that make big business of ancient manuscripts from the Green's Museum of the Bible and world famous auction houses like Sotheby's and Christie's to antique shops in Jerusalem and Istanbul, dealers on eBay and into the collections of renowned museums and universities. Mazza's investigation forces us to ask what happens when the supposed custodians of our ancient heritage act in ways that threaten to destroy it. *Stolen Fragments* illuminates how these recent dealings are not isolated events but the inevitable result of longstanding colonial practices and the outcome of generations of scholars who have profited from extracting the cultural heritage of places they claim they wish to preserve. Where is the boundary between protection and exploitation between scholarship and larceny?
