Shakespeare and Historical Formalism Stephen Cohen, 2016-04-01 Located at the intersection of new historicism and the new formalism historical formalism is one of the most rapidly growing and important movements in early modern studies taking seriously the theoretical issues raised by both history and form it challenges the anti formalist orthodoxies of new historicism and expands the scope of historicist criticism Shakespeare and Historical Formalism is the first volume devoted exclusively to collecting and assessing work of this kind With essays on a broad range of Shakespeare's works and engaging topics from performance theory to the emergence of the literary and from historiography to pedagogy the volume demonstrates the value of historical formalism for Shakespeare studies and for literary criticism as a whole Shakespeare and Historical Formalism begins with an introduction that describes the nature and potential of historical formalism and traces its roots in early modern literary theory and its troubled relationship with new historicism The volume is then divided into two sections corresponding to the two chief objectives of historical formalism a historically informed and politically astute formalism and a historicist criticism revitalized by attention to issues of form The first section Historicizing Form explores from a variety of perspectives the historical and political sources meanings and functions of Shakespeare's dramatic forms The second section Re Forming History uses questions of form to rethink our understanding of historicism and of history itself and in doing so challenges some of our fundamental literary critical pedagogical and epistemological assumptions Concluding with suggestions for further reading on historical formalism and related work Shakespeare and Historical Formalism invites scholars to rethink the familiar categories and principles of formal and historical criticism

Shakespeare Studies in Colonial Bengal Hema Dahiya, 2014-07-03 Shakespeare Studies in Colonial Bengal The Early Phase represents an important direction in the area of historical research on the role of English education in India

particularly with regards to Shakespeare studies at the Hindu College the first native college of European education in Calcutta the capital city of British India during the nineteenth century Focusing on the developments that led to the introduction of English education in India Dr Dahiya s book highlights the pioneering role that the eminent Shakespeare teachers at Hindu College namely Henry Derozio D L Richardson and H M Percival played in accelerating the movement of the Bengal Renaissance Drawing on available information about colonial Bengal the book exposes both the angular interpretations of Shakespeare by fanatical scholars on both sides of the cultural divide and the serious limitations of the present day reductive theory of postcolonialism emphasizing how in both cases such interpretations led to distorted readings of Shakespeare Offering a comprehensive account of how English education in India came to be introduced in an atmosphere of clashing ideas and conflicting interests emanating from various forces at work in the early nineteenth century Shakespeare Studies in Colonial Bengal places in a normative perspective the part played by each major actor in this highly contested historical context including the Christian missionaries British orientalist Macaulay s Minute the secular duo of Rammohan Roy and David Hare and above all the Shakespeare teachers at Hindu College the first native institution of European education in India
