'Environment' is a word which has two meanings, depending on how we use it. We can talk about our *local* environment or our *work* environment. In this usage, 'environment' means surroundings (the buildings, the people, the noises and smells, the atmosphere).

The second meaning is when we talk about the environment. When we say 'the' environment, then we are talking about the natural world (climate, forests, rivers, oceans, mountains).

Fill each gap with one of the eight words or phrases below.
