ARTICLE A

Swedish climate activist Greta Thunberg has accepted a ride across the Atlantic by boat to attend two key climate conferences.

The teenager will make the journey aboard the Malizia II, a high-speed 18-metre (60ft) yacht built to race around the globe.

"We'll be sailing across the Atlantic Ocean from the UK to New York in mid August," she tweeted.

Thunberg refuses to fly because of the environmental impact of air travel.

In a Facebook post, Team Malizia said they were "honoured to sail Greta Thunberg emission free across the Atlantic".

Now, the 16-year-old will be able to attend the New York conference. She will later journey by train and by bus south to the annual **Santiago Climate Change Conference in December.**

Three people have been killed and 15 injured after a gunman attacked a food festival in California.

The gunman was shot dead by police shortly after he began firing, although police are investigating reports that a second suspect may still be at large.

The Gilroy Garlic Festival was about to end for the weekend on Sunday evening, when shots were fired at the site.

Six-year-old Stephen Romero is the first of the dead to be identified. His mother and grandmother were wounded.

It was the 246th mass shooting in the US this year, according to US tracking website Gun Violence Archive.

The killer has been identified as 19-year-old Santino William Legan, according to CBS News.

Witnesses say he was wearing camouflage, and used a rifle during the attack.

The suspect entered the festival after cutting through a perimeter fence, Gilroy Chief of Police Scot Smithee told reporters. He said witnesses reported that a second suspect may have been involved, possibly in a support role.

Parliament,1980 Levels and Spread of HIV Seroprevalence and Associated Factors ,2009 This report summarizes HIV prevalence and the associations between HIV serostatus and several key characteristics and behaviors of adult women and men in 22 developing countries using data from nationally representative DHS and AIS surveys conducted between 2001 and 2006 The countries included are by region Sub Saharan Africa Burkina Faso Cameroon C te d Ivoire Ethiopia Ghana Guinea Kenya Lesotho Malawi Mali Niger Rwanda Senegal Tanzania Uganda Zambia Zimbabwe Latin America and Caribbean the Dominican Republic Haiti Asia Cambodia India Vietnam the Hi Phong province **Voting in Old and New Democracies** Richard Gunther,Paul A. Beck,Pedro C. Magalhães,Alejandro Moreno,2015-08-11 Voting in Old and New Democracies examines voting behavior and its determinants based on 26 surveys from 18 countries on five continents between 1992 and 2008 It systematically analyzes the impact on voting choice of factors rooted in the currently dominant approaches to the study of electoral behavior but adds to this analysis factors introduced or reintroduced into this field by the Comparative National Elections Project CNEP socio political values and political communication through media personal discussion and organizational intermediaries It demonstrates empirically that these long neglected factors have significant political impact in many countries that previous

studies have overlooked while economic voting is insignificant in most elections once long term partisan attitudes are taken into consideration Its examination of electoral turnout finds that the strongest predictor is participation by other family members demonstrating the importance of intermediation Another chapter surveys cross national variations in patterns of intermediation and examines the impact of general social processes such as socioeconomic and technological modernization country specific factors and individual level attitudinal factors as determinants of those patterns Complementing its cross national comparative analysis is a detailed longitudinal case study of one country over 25 years Finally it examines the extent of support for democracy as well as significant cross national differences in how democracy is understood by citizens Written in a clear and accessible style Voting in Old and New Democracies significantly advances our understanding of citizen attitudes and behavior in election settings

The Toronto School of Communication Theory Rita Watson, Menahem Blondheim, 2008-02-23 While never formally recognized as a school of thought in its time the work of a number of University of Toronto scholars over several decades most notably Harold Adams Innis and Marshall McLuhan formulated a number of original attempts to conceptualize communication as a phenomenon and launched radical and innovative conjectures about its consequences This landmark collection of essays re assesses the existence and re evaluates the contribution of the so called Toronto School of Communication While the theories of Innis and McLuhan are notoriously resistant to neat encapsulation some general themes have emerged in scholarly attempts to situate them within the discipline of communications studies that they helped to define Three such themes focus on the effects and consequences of communications emphasis on communications as a process rather than as structure and a sharp focus on the technology of communication or the medium are the most fundamental in characterizing the unique perspective of the Toronto School This collection not only represents a crucial step in defining the Toronto School it also provides close analysis of the ideas of its individual members

psychology family studies personal relationships linguistics and language studies Advertising And Sales Promotion S H H Kazmi, Satish K Batra, 2008-04-30 Advertising is a brilliant form of art that has become an indispensable part of our lives As the business scene has transformed for the better in our country much is happening on the advertising front To tap the progress of Indian Advertising in this changed scenario a third edition of the book Advertising and Sales Promotion has been prepared for the students In this new edition all the chapters have been revised and some moderately updated with more relevant text figures boxes exhibits and references Following are the highlights of this edition Matter on Segmentation now includes current framework of Values and Lifestyle and Positioning topic has been re written text on Brand Personality and Image has been updated New Appendices have been added at the end of Part I and Part IV respectively some new Boxes with insightful contents have been added and some of the old exhibits have been replaced with the new ones The book essentially deals with the dynamic concept of Sales Promotion and its effect on the consumer Particularly meant for the students of management specialising in marketing the book provides a thoroughly educative and interesting reading **The Wilopo Cabinet, 1952-1953** Herbert Feith, 2009-04 The Wilopo Cabinet was something of a watershed in post revolutionary Indonesian politics During its fourteen months of existence important changes developed in the constellation of political power among the major political parties the President and the army And within one of the major parties there occurred a shift in the relative strength of leadership groups of such importance as to bring about significant changes in the party's political posture and in its relationship with several of the other parties It was during this period that cabinet government was seriously undermined and parliament lost much of its prestige and power and it was during these fourteen months that were set in train many of the developments which have dominated Indonesian political life in the last few years The key political events of this period are complex and confusing and have generally been but imperfectly understood outside of Indonesia Yet failure to understand them can result in more than inability to understand the period itself It will also make difficult any full and sound comprehension of the important developments of the past few years Herbert Feith in my judgment has probed much further into the events of this period than any other non Indonesian scholar He has searched out a great deal of significant new data which he has analyzed with tools sharpened by long residence and research in Indonesia interviews with many knowledgeable Indonesians and a full mastery of the Indonesian language I believe he has presented as clear a picture of an important period of Indonesian history and of its shaping of subsequent events as is likely to emerge for some time George McT Kahin ABOUT THE AUTHOR Herbert Feith 1930 2001 became familiar with Indonesia during 1951 53 and 1954 56 when he was an English Language Assistant with the Ministry of Information of the Republic of Indonesia A citizen of Australia he received an M A degree from the University of Melbourne in 1955 and a Ph D from Cornell University in 1961 He was a Research Fellow in the Department of Pacific History Australian National University from 1960 to 1962 and was Chair of Politics at Monash University from 1968 until 1974 **The Russian People and Foreign Policy** William

Zimmerman,2009-02-09 Since the fall of communism public opinion in Russia including that of a now more diverse elite has become a substantial factor in that country s policymaking process What this opinion might be and how it responds to American actions is the subject of this study William Zimmerman offers important and sometimes disturbing insight into the thinking of citizens in America s former Cold War adversary about such matters as NATO expansion Drawing on nearly a decade of unprecedented surveys he conducted with a wide spectrum of the Russian public he gauges the impact of Russia s opening on its foreign policy and how liberal democrats orient themselves to foreign policy He also shows that insights from the study of American foreign policy are often portable to the study of Russian foreign policy attitudes As Zimmerman shows the general public which had a modest but real role in foreign policy decision making tended much more toward isolationism than did the predominant elites who steered Russia s foreign policy in the 1990s Interspersing smooth prose with a wide array of richly informative tables the book represents an invaluable opportunity to discern probable shifts in Russian foreign policy that domestic political changes would bring And it powerfully suggests that the West by forging its own policies toward Russia with more prudence can have a say in the outcome of the great choice facing Russia whether to forge ahead with democracy or slip back into authoritarianism Online Journalistic Services: Are Digital Newspapers Complementary to Traditional Press?
