Mediterranean world **Making Amulets Christian** Theodore de Bruyn,2018-01-26 *Making Amulets Christian Artefacts Scribes and Contexts* examines Greek amulets with Christian elements from late antique Egypt in order to discern the processes whereby a customary practice the writing of incantations on amulets changed in an increasingly Christian context It considers how the formulation of incantations and amulets changed as the Christian church became the prevailing religious institution in Egypt in the last centuries of the Roman empire Theodore de Bruyn investigates what we can learn from incantations and amulets containing Christian elements about the cultural and social location of the people who wrote them He shows how incantations and amulets were indebted to rituals or ritualizing behaviour of Christians This study analyzes different types of amulets and the ways in which they incorporate Christian elements By comparing the formulation and writing of individual amulets that are similar to one another one can observe differences in the culture of the scribes of

these materials It argues for conditioned individuality in the production of amulets On the one hand amulets manifest qualities that reflect the training and culture of the individual writer On the other hand amulets reveal that individual writers were shaped whether consciously or inadvertently by the resources they drew upon by what is called tradition in the field of religious studies

Women's Letters from Ancient Egypt, 300 BC-AD 800 Roger Bagnall, Raffaella Cribiore, 2015-07-16 The private letters of ancient women in Egypt from Alexander the Great to the Arab conquest [Canaan and Israel in Antiquity](#) K. L. Noll, 2001-01-01 This is a classroom tested introduction to academic study of the ancient world that produced the Bible It offers a general and yet flexible programme of study that enables a range of approaches to be understood and applied *Everyday Writing in the Graeco-Roman East* Roger S. Bagnall, 2012-04-23 This is the most important and original study of literacy and the function of writing in ancient society to have appeared in the last twenty years In a masterly and detailed survey of evidence from across the ancient Mediterranean world Bagnall shows how and why routine writing was essential to social and administrative infrastructures from the Hellenistic to the Byzantine periods Essential reading for anyone interested in understanding the role and function of the written text in human social behaviour Alan Bowman Camden Professor of Ancient History Oxford University This richly illustrated and annotated book takes the reader on an extended tour from North Africa to Afghanistan Bagnall's theme is the ubiquity and pervasiveness of writing in the long millennium from Alexander to the Arab conquests and beyond Briskly challenging the currently fashionable low estimates on the extent of literacy and the prevalence of writing in the ancient world Bagnall surveys and explains what has survived and what has been lost and why This is a book both for specialists and for the general reader sure to inspire admiration and reaction James G Keenan Professor of Classical Studies Loyola University Chicago Bagnall's book is not only a study of everyday writing in the Graeco Roman East but also an investigation into how our documentation has been distorted by patterns of conservation and discovery and the choices made by modern editors The sound reflections of an historian on the sources of history Jean Luc Fournet Ecole Pratique des Hautes Etudes Paris

The Roman Empire James W. Eder, 2018-05-01 Covering material from the time of Julius Caesar to the sack of Rome this topically arranged reference set provides substantive entries on people cities government institutions military developments material culture and other topics related to the Roman Empire The Roman Empire was one of the greatest and

most influential forces of the ancient world and many of its achievements endure in one form or another to this day Because of its geographic breadth cultural diversity and overall complexity it is also one of the most difficult organizations to understand This book focuses on the Roman Empire from the time of Julius Caesar to the sack of Rome While most references on the Roman world provide a series of alphabetically arranged entries this work is organized in broad topical chapters on government and politics administration individuals groups and organizations places events military developments and objects and artifacts Each section provides 20 to 30 substantive entries along with an overview essay The work also provides a selection of primary source documents and closes with a bibliography of important print and electronic resources

The Oxford Handbook of Social Relations in the Roman World Michael Peachin, 2011-01-04 The study of Roman society and social relations blossomed in the 1970s By now we possess a very large literature on the individuals and groups that constituted the Roman community and the various ways in which members of that community interacted There simply is however no overview that takes into account the multifarious progress that has been made in the past thirty odd years The purpose of this handbook is twofold On the one hand it synthesizes what has heretofore been accomplished in this field On the other hand it attempts to configure the examination of Roman social relations in some new ways and thereby indicates directions in which the discipline might now proceed The book opens with a substantial general introduction that portrays the current state of the field indicates some avenues for further study and provides the background necessary for the following chapters It lays out what is now known about the historical development of Roman society and the essential structures of that community In a second introductory article Clifford Ando explains the chronological parameters of the handbook The main body of the book is divided into the following six sections 1 Mechanisms of Socialization primary education rhetorical education family law 2 Mechanisms of Communication and Interaction 3 Communal Contexts for Social Interaction 4 Modes of Interpersonal Relations friendship patronage hospitality dining funerals benefactions honor 5 Societies Within the Roman Community collegia cults Judaism Christianity the army and 6 Marginalized Persons slaves women children prostitutes actors and gladiators bandits The result is a unique up to date and comprehensive survey of ancient Roman society

Christian Origins and Greco-Roman Culture Stanley E. Porter, Andrew W. Pitts, 2013 In *Christian Origins and Greco Roman Culture* Stanley Porter and Andrew Pitts assemble an international team of scholars whose work has focused on reconstructing the social matrix for earliest Christianity through the use of Greco Roman materials and literary forms Each essay moves forward the current understanding of how primitive Christianity situated itself in relation to evolving Hellenistic culture Some essays focus on configuring the social context for the origins of the Jesus movement and beyond while others assess the literary relation between early Christian and Greco Roman texts

Rethinking the Mediterranean W. V. Harris, 2006-10-27 In this collection of essays an international group of renowned scholars attempt to establish the theoretical basis for studying the ancient and medieval history of the Mediterranean Sea and the lands around it

In so doing they range far afield to other Mediterraneans real and imaginary as distant as Brazil and Japan Their work is an essential tool for understanding the Mediterranean pre modern and modern alike It speaks to ancient and medieval historians to archaeologists anthropologists and all historians with environmental interests and not least to classicists
