The Gospel of John and Jewish-Christian Relations Adele Reinhartz, 2018-10-15 The Fourth Gospel is at the same time a sublime work that has inspired and enriched the faith of countless Christians and a problematic text that has provided potent anti Jewish imagery exploited in anti Jewish and anti Semitic discourse over the course of two millennia The Fourth Gospel contains approximately 70 references to *hoi ioudaioi* a designation most often and best translated as the Jews Several of these references are neutral or descriptive referring to Jewish festivals or specific practices and some depict individual Jews or Jewish groups as interested in Jesus message The vast majority however express a negative or even hostile stance towards the Jews These passages express several themes that became central to Christian anti Jewish and anti Semitic discourse These include the charge of deicide killing God and the claim that the Jews have the devil as their father 8 44 The essays in this book address both the Gospel s stance towards the Jews and the Gospel s impact on Jewish Christian relations from antiquity to the present day in a range of media including sermons iconography art music and film A short volume of collected essays cannot hope to address the full history of the Fourth Gospel s impact on Jewish Christian relations Nevertheless it is hoped that this volume will contribute to the efforts of Christians and Jews alike to find ways to appreciate what is good and life affirming about the Gospel of John while also acknowledging the damaging impact of its portrayal of Jews as the children of Satan and the killers of Christ Only when Christians disavow this portrayal can the Gospel of John continue to be a true source of inspiration and perhaps even a path forward in the relationships between Jews and Christians in the modern world

The Ties that Bind Esther Kobel, Meredith Warren, Jo-Ann A. Brant, 2023-06-15 Friendship and other intimate but not always amicable relationships have received some attention in the greater field of research on early Judaism and Christianity though not as much as deserved This volume celebrates and builds upon the life long work of Adele Reinhartz covering the various permutations of relationships that can be found in the Gospel of John the wider corpus of early Jewish and Christian literature and cinematic re imaginings thereof While the issue of whether one can befriend the Fourth Gospel in light of the book s legacy of antisemitism is central to many of the essays in this volume others address

other more or less likely friendships Pilate Paul Lazarus Judas or Mary Magdalene Likewise the bonds between ancient texts and contemporary retellings of their stories feature prominently with contributors asking what kinds of relationships filmmakers encourage their audiences to have with their subjects This volume explores some of the rich variety of relationships in the ancient world and unpacks the intricate and dynamic processes and interactions by which human relationships and societies are generated maintained and dissolved Ecology, Liturgy, and the Sacraments Irwin, Kevin W.,2023 This book is based on the principle that the liturgy is the enactment of the work of our redemption through the raising up acknowledging and revering elements of the cosmos the earth and our fellow creatures in our common home It is inspired by Pope Francis s encyclical *Laudato Si On Care for Our Common Home* in its entirety not just the sections on the Eucharist and liturgy because it presents a world view and requires respecting and caring for all creatures who share this planet It is illuminated by research into the history of sacramental theologies and the contemporary context of concern for the environment In effect there is no such thing as one Roman Catholic theology of the sacraments and more often than not differing contexts in the life of the church and the world required differing contents for sacramental theology The author argues that concern for the environment is a traditional Catholic premise based on the goodness of creation and that God is creator of heaven and earth He also argues that an ecological approach to sacramental theology can help to understand underlying factors and principles in the enactment of the liturgy of the sacraments about how and where God is discovered in the world in general and in the liturgy and sacraments in an intense and focused way through engagement with all who dwell in our common home Gesenius's Hebrew Grammar with Reading Book Wilhelm Gesenius,Edward Cushing Mitchell,1880

The Jewish Pesach and the Origins of the Christian Easter Clemens Leonhard,2012-02-14 The study assesses the main issues in the current debate about the early history of Pesach and Easter and provides new insights into the development of these two festivals The author argues that the prescriptions of Exodus 12 provide the celebration of the Pesach in Jerusalem with an etiological background in order to connect the pilgrim festival with the story of the Exodus The thesis that the Christian Easter evolved as a festival against a Jewish form of celebrating Pesach in the second century and that the development of Easter Sunday is dependent upon this custom is endorsed by the author s close study of relevant texts such as the Haggada of Pesach the Poem of the four nights in the Palestinian Targum Tradition the structure of the Easter vigil **Liturgy and Life Study Bible** Paul Turner,John W. Martens,2023-06-23 How does the Bible form our worship practices How does liturgy incorporate the Bible The Liturgy and Life Study Bible explores these questions and provides answers for today s church This indispensable guide includes essays from the world s top liturgical and biblical scholars on a variety of subjects including Jewish liturgical traditions Psalms as liturgical prayer early church worship social justice sacraments the Last Supper and more Throughout the biblical text brief comments flag passages that contain something of liturgical or personal prayer interest A correlation chart highlights the intersection between biblical passages

and the Catholic liturgy listing every place where a verse of the Bible appears in any liturgical book the Missal the orders of sacramental rites even the Roman Gradual and the Martyrology This one of a kind tool will serve researchers catechists preachers and anyone studying the Bible for the purposes of prayer and meditation Uses the New American Bible Revised Edition Cover art by Jan Richardson Includes eight full color map images *The Literary churchman* ,1880 The Restoration and Organic Development of the Roman Rite Laszlo Dobszay,2010-01-17 This is a serious scholarly analysis of liturgy combining historical philosophical and musicological aspects
