Rodolfo Severino,2011 Where in the world is the Philippines is a question that has been deftly and consistently dodged by our politicians at the expense of clearly defining the Philippines territorial and maritime jurisdictions Severino s scholarly work lays out what has happened in the past and what must be done in the future and does so just as newly elected President Benigno S Aquino begins his term in office With the help of this timely and comprehensive study it is imperative that Aquino and the Congress confront and resolve territorial issues once and for all Roberto R Romulo former Secretary of Foreign Affairs of the Philippines *Readings on Philippine History* S. S. Aragon,1950 A History of the Philippines Samuel K. Tan,2008 Briefly describes the human history and culture of the Philippines focusing on three Filipino cultural communities the Moros the Indios and the Infeles and examining how these groups reflect the country s history and development **Historical Dictionary of the Philippines** Artemio R. Guillermo,2012 The Historical Dictionary of the Philippines Third Edition contains a chronology an introductory essay an extensive bibliography and several hundred cross referenced dictionary entries **A History of the Philippines** Renato Constantino,Letizia R. Constantino,1975 Unlike other conventional histories the unifying thread of A History of the Philippines is the struggle of the peoples themselves against various forms of oppression from Spanish conquest and colonization to U S imperialism Constantino provides a penetrating analysis of the productive relations and class structure in the Philippines and how these have shaped and been shaped by the role of the Filipino people in the making of their own history Additionally he challenges the dominant views of Spanish and U S historians by exposing the myths and prejudices propagated in their work and in doing so makes a major breakthrough toward intellectual decolonization This book is an indispensable key to the history of conquest and resistance in the Philippine White Love and Other Events in Filipino History Vicente L. Rafael,2014-06-18 In this wide ranging cultural and political history of Filipinos and the Philippines Vicente L Rafael examines the period from the onset of U S colonialism in 1898 to the emergence of a Filipino diaspora in the 1990s Self consciously adopting the essay form as a method with which to disrupt epic conceptions of Filipino history Rafael treats in a condensed and concise manner clusters of historical detail

and reflections that do not easily fit into a larger whole *White Love and Other Events in Filipino History* is thus a view of nationalism as an unstable production as Rafael reveals how under what circumstances and with what effects the concept of the nation has been produced and deployed in the Philippines With a focus on the contradictions and ironies that suffuse Filipino history Rafael delineates the multiple ways that colonialism has both inhabited and enabled the nationalist discourse of the present His topics range from the colonial census of 1903 1905 in which a racialized imperial order imposed by the United States came into contact with an emergent revolutionary nationalism to the pleasures and anxieties of nationalist identification as evinced in the rise of the Marcos regime Other essays examine aspects of colonial domesticity through the writings of white women during the first decade of U S rule the uses of photography in ethnology war and portraiture the circulation of rumor during the Japanese occupation of Manila the reproduction of a hierarchy of languages in popular culture and the spectral presence of diasporic Filipino communities within the nation state A critique of both U S imperialism and Filipino nationalism *White Love and Other Events in Filipino History* creates a sense of epistemological vertigo in the face of former attempts to comprehend and master Filipino identity This volume should become a valuable work for those interested in Southeast Asian studies Asian American studies postcolonial studies and cultural studies
