Secrets We Kept: Three Women of Trinidad Krystal A.

Sital, 2018-02-20 An eloquent new Caribbean literary voice reveals the hidden trauma and fierce resilience of one Trinidadian family There in a lush landscape of fire petaled immortelle trees and vast plantations of coffee and cocoa where the three hills along the southern coast act as guardians against hurricanes Krystal A Sital grew up idolizing her grandfather a wealthy Hindu landowner Years later to escape crime and economic stagnation on the island the family resettled in New Jersey where Krystal s mother works as a nanny and the warmth of Trinidad seems a pretty yet distant memory But when her grandfather lapses into a coma after a fall at home the women he has terrorized for decades begin to speak and a brutal past comes to light In the lyrical patois of her mother and grandmother Krystal learns the long held secrets of their family s past and what it took for her foremothers to survive and find strength in themselves The relief of sharing their stories draws the three women closer the music of their voices and care for one another easing the pain of memory Violence a rigid ethnic and racial caste system and a tolerance of domestic abuse the harsh legacies of plantation slavery permeate the history of Trinidad On the island s plantations in its growing cities and in the family s new home in America *Secrets We Kept* tells a story of ambition and cruelty endurance and love and most of all the bonds among women and between generations that help them find peace with the past Billboard ,1997-08-09 In its 114th year Billboard remains the world s premier weekly music
