Individualizing Professional Development

Vicki R. Husby, 2005-03-10 Developed around an unassailable conceptual framework of adult learning theory self directed learning action research critical reflection and group learning Husby pointedly addresses the interests and standards of society her individualized professional development program provides for professional accountability because individuals goals must impact student achievement and it adheres to professional standards as explicated by the National Staff Development Council From the Foreword by Jo Blase Professor of Educational Leadership University of Georgia This book makes a distinct contribution to the field by stressing ownership of growth by the adult learner and the role of the facilitator in creating a fertile environment for growth It fills an unmet need on the market Mike Ford Superintendent of Schools Phelps Clifton Springs Central School District NY I was completely engrossed with this book Husby hit on all the important steps in establishing a staff development program and explains not only the how but also the why Catherine Kilfoyle Duffy English Language Arts Chairperson Three Village Central School District East Setauket NY Provide learner focused professional development that builds organizational capacity When teachers direct their own professional growth activities learning is more meaningful and effective But how can a program

capitalize on this fact while remaining focused on larger school and district performance goals Individualizing Professional Development explains how to satisfy both individual needs and preferences of teachers and organizational demands for accountability and improved student achievement Author Vicki R Husby integrates best practices of adult learning action research and self directed learning into a job embedded professional development process that successfully joins these sometimes competing goals Designed as a how to manual this accessible resource includes Step by step directions for designing and implementing a program Mini lesson directions and materials A reproducible learning plan template Examples of participants individualized learning plans Typical teacher commentary in response to the program Considering today s high stakes educational environment the need for this flexible sustainable and inexpensive professional development program has never been greater Discover the tools and strategies to facilitate individualized teacher learning and improve academic performance

The Kinderchat Guide to the Classroom Heidi Echternacht,Amy Murray,2021-08-19 From the founders of Kinderchat this book provides a comprehensive friendly guide to teaching in the early childhood classroom Organized around the same core topics as Kinderchat conversational yet authoritative chapters cover everything a novice teacher needs to know from setting up your classroom to establishing routines and engaging with parents Learn how to effectively incorporate play meet the needs of diverse learners and cover curriculum like a pro With helpful tips for working with a range of program structures this is a must have read for anyone new to the kindergarten or pre K classroom *Left Behind* Edward P. St. John,Victoria J. Milazzo Bigelow,Kim Callahan Lijana,Johanna C. Massé,2015-11-30 Urban schools are falling short of preparing students for college In *Left Behind* a team of education scholars led by Edward P St John argues that American cities have been engaged for the past three decades in a radical but failing effort to transform general and vocational high schools into college preparatory institutions By examining the educational reforms in four urban charter schools across the United States and four public high schools in New York City *Left Behind* reveals how educators contend with the challenge of developing new courses while providing social support for students to build college going cultures The research shows that district schools struggle to comply with standards that leave little room to develop advanced thematic curricula and that charter schools have not succeeded in substantially raising student test scores Many students who start in rigorous charter schools transfer back to public schools while both public and charter schools struggle to prepare their students for college level work *Left Behind* provides crucial insights into the troubling trajectory of public policy while offering teachers and administrators effective strategies for overcoming barriers

Early Years ,1983 **Handbook of Research on Data Science and Cybersecurity Innovations in Industry 4.0 Technologies** Murugan, Thangavel,E., Nirmala,2023-09-21 Disruptive innovations are now propelling Industry 4 0 I4 0 and presenting new opportunities for value generation in all major industry segments I4 0 technologies innovations in cybersecurity and data science provide smart apps and services with accurate real time monitoring and control Through enhanced access to real time information it also aims to
