Ready Willing And Available How God Uses Ordinary People To Accomplish His Purposes:

Ready, Willing & Available Justine A. Knight, 2000 American Book Publishing Record, 2000-07 When God Interrupts Your Plans with His Purpose Dr. Sally Smale, 2022-01-12 Our lives don't always turn out the way we anticipated. The future that looked so promising can become a daily grind of tedious monotony and exhaustion from the struggle to make ends meet. The dream of the future seems like a lost cause. Don't give up or throw in the towel. You were created on purpose for a purpose. If you are willing to surrender to God's purpose for your life, When God Interrupts Your Plans with His Purpose will give you insightful foundational steps to discovering pursuing and fulfilling your God-given purpose. *Reaching a Generation for Christ* Richard R. Dunn, Mark H. Senter III, 1997-03-05 Things have changed. The Truth has not. The 1950s are gone forever. The days of the Sunday school attendance award and the much-loved Sunday school picnic have faded into oblivion. Yet some youth ministries still operate as if today's kids are living in a vacuum unaffected by the changing morals of today's society. How can we reach these kids with the truth of the gospel? More than fifty of America's youth experts give advice and encouragement to those who long to see this generation know the love of Christ. They help readers think through their philosophies of youth ministry, break down barriers that impede progress, and maximize their own gifts and the gifts of those who work with them. They answer tough questions such as: How can leaders build a relational youth ministry? How can we find and support volunteers? What are the issues women face in youth ministry? How do we minister in ethnic communities? How should we respond to popular culture? How can we help hurting adolescents? You can have a vibrant youth ministry even in these uncertain times. You can reach this generation for Christ. Strong Women of Biblical Times Kathryn Charles, 2011-12-16 When recording the stories of daring human exploits, the authors of the Bible seemed to have concentrated on the heroic men of ancient times such as Moses, Joshua, Samuel, David, Jesus, Peter, Paul, and John, to name just a few. The stories of those courageous men are thrilling to hear and to read about. However, this narrative will consider the strong, brave, and valiant women in the Bible whose lives were not as embellished as their famous counterparts but still were influential in shaping the history of biblical times. According to Dr. Lockyer, in *All the Women of the Bible*, there are approximately two hundred named women in the Bible and an equal number of unnamed women. Out of the sixty-six books contained in the Holy Bible, there are only two of them named for women: Ruth and Esther. Nevertheless, women can be seen throughout the Old and the New Testaments being used by God in mighty ways. Despite the patriarchal society of biblical days, there were strong women who played significant roles in leadership, courage, humility, and compassion in ancient times. The purpose of this writing is to highlight a few of these women and to give the reader insight into the character of each individual. It will also tell of the motivation for the strength of each one and the consequences of her actions. *NIV, Revolution: The Bible for Teen Guys*, eBook Zondervan, 2012-06-19 Revolution is for every guy who wants to live a revolutionary life.
