Children will love this humorous tale and the messages of good sportsmanship and doing the right thing. *Ready, Set, Go!*

Sandra Rasmussen, 2015-02-10 This book is for people in recovery. We ask and answer basic questions about addiction, relapse, and recovery. We believe addiction is a primary chronic disease of brain reward, motivation, memory, and related circuitry, characterized by craving, loss of control, physical dependence, and tolerance. Genetics, together with bio-psycho-social-spiritual factors, account for the likelihood a person will develop an addiction or related disorder. Relapse happens: a return to drinking, using other addictive behavior, or an increase in harm from addiction. Yet recovery is an idea whose time has come. Recovery is a different, better way of life with purpose and meaning. We suggest addiction management as a way recovering people can maintain change, abstinence, or harm reduction, reduce risks for relapse, prevent relapse, develop a recovery lifestyle, confront relapse when necessary, and achieve well-being. Current research, recognized theories, and the lived experiences of hundreds of people in recovery ground and guide book content. The book has three parts and fifteen chapters. A person in recovery introduces each chapter. We show how to develop, implement, and evaluate addiction management plans. Each chapter ends with summary statements and addiction management applications. References and a list of websites complete the book. Family and friends of recovering people will find the material useful. Addiction professionals can use the book to help clients realize recovery and prevent relapse. Are you ready? Get set, Go! **Ready, Set, Go!** Michael S. Kuczala, Mike Kuczala, Traci Lengel, 2017-06 This extensively researched 4-part framework of activities promotes an energized learning environment where mental and emotional growth is met with physical, social, and cognitive engagement.

Ready, Set, Go! Davielle Jackson, 2018-04-27 One year after opening her first company, Davielle Jackson, at the young age of twenty-six, was partnered with Walmart, a retail giant which is deemed impossible. It was at that point that she decided she wanted full control over her own life, her own destiny, and wanted to make her own money. With that noted, she dropped out of medical school, resigned from her job, and followed her passions and dreams. In 2016, she was awarded Entrepreneur of the Year and graced the cover of the Atlanta Business Journal, leaving her mark in history as being one of the youngest to achieve both. Being approached by an overwhelming amount of people asking how she accomplished these things at such a young age and in such a short amount of time prompted Davielle to write *Ready Set Go*. Always being in negotiations for new business ventures and the formation of new companies didn't leave time to address everyone's questions, so she decided to instead give them the green print. *Ready Set Go* is the green print to her success. This is Jackson's way of paying it forward and inspiring others to live their dreams and live for themselves while also being financially free. *READY SET GO* Brian S.
