Kuhn,2003 This engaging collection of verse captures the history and experience of the Mounties from the 1800s to the present day Ranging from humorous to poignant these poems reflect the moods and adventures of Arctic survivors plains horsemen vulnerable trainees and witty veterans Collectively they will entertain anyone who has ever been or known a Mountie The long and storied history of Canada s national police force is full of folklore mythology and good humour but also all too often sadness and tragedy Ed Kuhn s anthology captures all of those elements J P R Phil Murray Commissioner Rtd

L. Haydon,2016-06-22 Excerpt from The Riders of the Plains Adventures and Romance With the North West Mounted Police 1873 1910 To have had the opportunity of writing the record of the Royal North West Mounted Police is a great satisfaction and pleasure to me This fine force which has maintained the best tradition of the British race in doing its work silently unostentatiously and efficiently has not received its full measure of recognition at the hands of the public It is a characteristic of the Rider of the Plains that he does not waste

words upon his deeds to this is due the general ignorance of his solid achievements He has a manly aversion to the sentimentality that marks most of the descriptive magazine articles through which he has been introduced to the world at large and apart from these I know of only two volumes that purport to give any serious and reliable account of his activities It is time that an authoritative history of the Royal North West Mounted Police should be added to the regimental records of the British Empire To do this has been my object in the preparation of this book I have endeavoured to give a faithfully exact presentment of the wearer of the scarlet tunic of the man and his work without any more embellishment than he himself indulges in when telling his story unofficially About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Riders of the Plains* Frederick Faust,1961

Comrades of the Saddle; Or, The Young Rough Riders of the Plains Frank V. Webster,2023-08-12 In *Comrades of the Saddle Or The Young Rough Riders of the Plains* by Frank V Webster readers are transported to the rugged landscapes of the American West where they follow the adventures of a group of young men on horseback The novel is filled with thrilling horseback chases encounters with outlaws and tests of courage and loyalty Webster s writing style is direct and action packed typical of adventure novels of the early 20th century appealing to readers who enjoy stories of bravery and friendship in the wild frontier The vivid descriptions of the Western scenery immerse readers in the setting and bring the story to life Frank V Webster a prolific writer of adventure stories for young readers drew inspiration from the adventurous spirit of the American West to create this engaging tale His deep knowledge of the region and its history shines through his vivid storytelling *Comrades of the Saddle* is recommended for fans of classic adventure literature particularly those interested in the Wild West and tales of comradery and bravery The Riders of the Plains Arthur Lincoln Haydon,2018-11-08 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it
