interpretations communities of production repertoire and genres technologies of performance and knowledge transmission

*Historical Dictionary of Contemporary American Theater: 1930-2010* James Fisher, 2011-06-01 From legends like Eugene O'Neill Tennessee Williams and Arthur Miller to successful present day playwrights like Neil LaBute Tony Kushner and David Mamet some of the most important names in the history of theater are from the past 80 years Contemporary American theater has produced some of the most memorable beloved and important plays in history including *Death of a Salesman* *A Streetcar Named Desire* *Barefoot in the Park* *Our Town* *The Crucible* *A Raisin in the Sun* and *The Odd Couple* *Historical Dictionary of Contemporary American Theater* presents the plays and personages movements and institutions and cultural developments of the American stage from 1930 to 2010 a period of vast and almost continuous change It covers the ever changing history of the American theater with emphasis on major movements persons plays and events This is done through a chronology an introductory essay an extensive bibliography and over 1 500 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the history of American theater

*Playing Underground* Stephen J. Scott-Bottoms, 2009-11-10 Scrupulously researched critically acute and written with care *Playing Underground* will become a classic account of an era of hard won free expression William Coco At last a book documenting the beginnings of Off Off Broadway theater *Playing Underground* is an insightful illuminating and honest appraisal of this important period in American theater Rosalyn Drexler author of *Art Does Not Exist* and *Occupational Hazard* An epic movie of an epic movement *Playing Underground* is a book the world has waited for without knowing it How precisely it captures the evolution of our revolution I am amazed by the book's scope and scale and I bless its author especially for giving two greats Paul Foster and H M Koutoukas their proper polar places and for memorializing such unjustly forgotten masterpieces as Irene Fornes's *Molly's Dream* and Jeff Weiss's *A Funny Walk Home* Stephen Bottoms's vivid evocation of the grand adventure of Off Off Broadway has woken and broken my heart It is difficult to believe that he was not there alongside me to breathe the caffeine nicotine alkaloid steeped air Robert Patrick author of *Kennedy's Children* and Temple Slave Few books address the legendary age of 1960s off off Broadway theater Fortunately Stephen Bottoms fills that gap with *Playing Underground* the first comprehensive history of the roots of off off Broadway This is a theater whose legacy is still felt today it was the launching pad for many leading contemporary theater artists including Sam Shepard Maria Irene Fornes and others and it was a pivotal influence on improv comedy and shows like *Saturday Night Live* Off off Broadway groups such as the Living Theatre La Mama and Caffe Cino captured the spirit of nontraditional theater with their edgy unscripted boundary crossing subjects Yet as Bottoms discovers there is no one set of truths about off off Broadway to uncover the entire scene was always more a matter of competing perceptions than a singular concrete reality No other author has managed to illuminate this shifting tableau as Bottoms does Through interviews with dozens of the era's leading playwrights performers directors and critics he unearths a countercultural theater movement that was both influential and

transforming yet ephemeral and quintessentially of its moment *Playing Underground* will be a definitive work on the subject offering a complete picture of an important but little studied period in American theater *Murder Most Queer* Jordan Schildcrout, 2023-06-20 A fascinating look at the shifting meanings of murderous gay characters in American theater over a century

Acts of Gaiety Sara Warner, 2012-10-26 Against queer theory's long suffering romance with mourning and melancholia and a national agenda that urges homosexuals to renounce pleasure if they want to be taken seriously *Acts of Gaiety* seeks to reanimate notions of gaiety as a political value for LGBT activism by recovering earlier mirthful modes of political performance The book mines the archives of lesbian feminist activism of the 1960s 70s highlighting the outrageous gaiety including camp kitsch drag guerrilla theater zap actions rallies manifestos pageants and parades alongside legitimate theater at the center of the social and theatrical performances of the era Juxtaposing figures such as Valerie Solanas and Jill Johnston with more recent performers and activists including Hothead Paisan Bitch and Animal and the Five Lesbian Brothers Sara Warner shows how reclaiming this largely discarded and disavowed past elucidates possibilities for being and belonging *Acts of Gaiety* explores the mutually informing histories of gayness as politics and as joie de vivre along with the centrality of liveliness to queer performance and protest

Great North American Stage Directors Volume 6 Ann M. Shanahan, 2024-01-25 This volume assesses the work of Meredith Monk Richard Foreman and Robert Wilson three artists who have revolutionized the craft of directing and the art of theatre in both related and unique ways Though their early artistic backgrounds differ ranging from architecture music and dance to writing they are similar in that none of them began their career as a director per se or

received formal training as such They each assumed the director's role based on the demands of their complex artistic visions which combine art forms but resist synthesis finding expression in the differences and tensions between the forms The essays in this volume explore how these auteur directors combine text movement film sound and music installation and visual arts to achieve their visions employing multi perceptual modes to evoke full and rich theatrical experiences The Great North American Stage Directors series provides an authoritative account of the art of directing in North America by examining the work of twenty four major practitioners from the late 19th century to the present Each of the eight volumes examines three directors and offers an overview of their practices theoretical ideas and contributions to modern theatre The studies chart the life and work of each director placing his or her achievement in the context of other important theatre practitioners and broader social history Written by a team of leading experts the series presents the genealogy of directing in North America while simultaneously chronicling crucial trends and championing contemporary interpretation
