The MEMOIR of a HORSE TRANSPORT DRIVER, 1916 — 1919

JAMES ROBERT JOHNSTON

# Riding Into War The Memoir Of A Horse Transport Driver 1916 1919

**E Durkheim**

## **Riding Into War The Memoir Of A Horse Transport Driver 1916 1919:**

*Riding Into War : the Memoir of a Horse Transport Driver, 1916-1919*, 2011 On the ghastly battlefields of the First World War Jimmie Johnston drove teams or pack horses carrying ammunition and hauling guns to the front lines One night Johnston was hauling guns back from the front line Suddenly in the darkness and pouring rain he his team the wagon and the guns pitched into an old trench After disentangling the horses from their harness Johnston found a trenching tool dug away the side of the trench and led the horses out of what had become a sea of mud Then he harnessed them again took them back to camp cleaned them up and returned to the trench to find the wagon blown to bits by German fire Jimmie Johnston the farm boy endured nearly three years under constant artillery fire Two decades after the war ended he wrote this memoir of his wartime experiences on a trip back to Vimy Ridge and Passchendaele In *Riding into War* Johnston marvels at how jokes and pranks and the funny side of even the most terrible events have stuck in his mind Yet even in the face of horror and suffering his sense of humour rarely deserted him The scenes he relates destroyed many men s sanity but Johnston s ability to laugh and the practical need to care for his horses no doubt contributed to his recovery After the war he says my nerves were not too good and I remember a lot of nights I would get up when no one else was around and have to go for a long walk But he concludes After some time this seemed to wear off and soon back to a new life again

**Riding Into War** James Robert Johnston, New Brunswick Military Heritage Project, 2004 James Robert Johnston discusses his life and time serving for the Canadian Army in World War I

*Riding to Arms* Charles Caramello, 2022-01-18 Horses and horsemen played central roles in modern European warfare from the Renaissance to the Great War of 1914 1918 not only determining victory in battle but also affecting the rise and fall of kingdoms and nations When Shakespeare s Richard III cried A horse a horse my kingdom for a horse he attested to the importance of the warhorse in history and embedded the image of the warhorse in the cultural memory of the West In *Riding to Arms A History of Horsemanship and Mounted Warfare* Charles Caramello examines the evolution of horsemanship the training of horses and riders and its relationship to the evolution of mounted warfare over four centuries He explains how theories of horsemanship navigating between art and utility eventually settled on formal man ge equitation merged with outdoor hunting equitation as the ideal combination for modern cavalry He also addresses how the evolution of firepower and the advent of mechanized warfare eventually led to the end of horse cavalry *Riding to Arms* tracks the history of horsemanship and cavalry through scores of primary texts ranging from Federico Grisone s *Rules of Riding* 1550 to Lt Colonel E G French s *Good Bye to Boot and Saddle* 1951 It offers not only a history of horsemen horse soldiers and horses but also a survey of the seminal texts that shaped that history

**Soldiers and Their Horses** Jane Flynn, 2020-01-14 The soldier horse relationship was nurtured by The British Army because it made the soldier and his horse into an effective fighting unit *Soldiers and their Horses* explores a complex relationship forged between horses and humans in extreme conditions As both a social history of Britain in the early twentieth century and a history of the British Army *Soldiers and*

their Horses reconciles the hard pragmatism of war with the imaginative and emotional By carefully overlapping the civilian and the military by juxtaposing sense and sentimentality and by considering institutional policy alongside individual experience the soldier and his horse are re instated as co participators in The Great War Soldiers and their Horses provides a valuable contribution to current thinking about the role of horses in history The Canadian Experience of the Great War Brian Douglas Tennyson,2013-05-01 Although the United States did not enter the First World War until April 1917 Canada enlisted the moment Great Britain engaged in the conflict in August 1914 The Canadian contribution was great as more than 600 000 men and women served in the war effort 400 000 of them overseas out of a population of 8 million More than 150 000 were wounded and nearly 67 000 gave their lives The war was a pivotal turning point in the history of the modern world and its mindless slaughter shattered a generation and destroyed seemingly secure values The literature that the First World War generated and continues to generate so many years later is enormous and addresses a multitude of cultural and social matters in the history of Canada and the war itself Although many scholars have brilliantly analyzed the literature of the war little has been done to catalog the writings of ordinary participants men and women who served in the war and wrote about it but are not included among well known poets novelists and memoirists Indeed we don t even know how many titles these people published nor do we know how many more titles were added later by relatives who considered the recollections or collected letters worthy of publication Brian Douglas Tennyson s The Canadian Experience of the Great War A Guide to Memoirs is the first attempt to identify all of the published accounts of First World War experiences by Canadian veterans

**The Secret History of Soldiers** Tim Cook,2018-09-18 There have been thousands of books on the Great War but most have focused on commanders battles strategy and tactics Less attention has been paid to the daily lives of the combatants how they endured the unimaginable conditions of industrial warfare the rain of shells bullets and chemical agents In The Secret History of Soldiers Tim Cook Canada s foremost military historian examines how those who survived trench warfare on the Western Front found entertainment solace relief and distraction from the relentless slaughter These tales come from the soldiers themselves mined from the letters diaries memoirs and oral accounts of more than five hundred combatants Rare examples of trench art postcards and even song sheets offer insight into a hidden society that was often irreverent raunchy and anti authoritarian Believing in supernatural stories was another way soldiers shielded themselves from the horror While novels and poetry often depict the soldiers of the Great War as mere victims this new history shows how the soldiers pushed back against the grim war refusing to be broken in the mincing machine of the Western Front The violence of war is always present but Cook reveals the gallows humour the soldiers employed to get through it Over the years both writers and historians have overlooked this aspect of the men s lives The fighting at the front was devastating but behind the battle lines another layer of life existed one that included songs skits art and soldier produced newspapers With his trademark narrative abilities and an unerring eye for the telling human detail Cook has created another landmark history of Canadian military life

as he reveals the secrets of how soldiers survived the carnage of the Western Front      **Horses, Howitzers, and Hymns** Marianne S. Goodfellow, 2025-01-16 Upon his arrival in France in February of 1917 twenty one year old Lieut Warren Skey purchased a small Au Jour le Jour to record his day to day experiences as a gunner who packed ammunition loaded on horses to the guns at the front He was serving with the 48th Howitzer Battery of the 2nd Brigade Canadian Field Artillery during World War One Almost a hundred years later author Marianne Goodfellow would discover her great uncle Warren s wartime diary forgotten among some family memorabilia and so she set out to read it Exhaustively researched richly supplemented with visual documentation and sensitively written *Horses Howitzers and Hymns* tells of the courage and the suffering of the men and horses of an artillery brigade But it is also the remarkable personal story of one young man and his family Warren s father the Reverend Skey served in France as a military chaplain during the last year of the war and their abiding ties to St Anne s Anglican Church in Toronto And it is above all the story of the author s deeply felt connection to the great uncle she never knew I like to think of him now not with his fellow lieutenant or signaller shot dead beside him but rather riding his horse over the French countryside in springtime or hearing those hymns on church parades that reminded him of home Lieut Skey was awarded the Military Cross for his rescue of wounded men and horses at Passchendaele Both Warren and his father returned home safely after the war      **At the Sharp End Volume One** Tim Cook, 2016-08-16 The first comprehensive history of Canadians in WWI in forty years and already hailed as the definitive work on Canadians in the Great War *At the Sharp End* covers the harrowing early battles of 1914 16 Tens of thousands and then hundreds of thousands died before the generals and soldiers found a way to break the terrible stalemate of the front Based on eyewitness accounts detailed in the letters of ordinary soldiers Cook describes the horrible struggle first to survive in battle and then to drive the Germans back *At the Sharp End* provides both an intimate look at the Canadian men in the trenches and an authoritative account of the slow evolution in tactics weapons and advancement Featuring never before published photographs letters diaries and maps this recounting of the Great War through the soldiers eyes is moving engaging and thoroughly engrossing      *A Nation in Conflict* Andrew Iarocci, Jeffrey Keshen, 2016-01-27 The First and Second World Wars were two of the most momentous events of the twentieth century In Canada they claimed 110 000 lives and altered both the country s domestic life and its international position *A Nation in Conflict* is a concise comparative overview of the Canadian national experience in the two world wars that transformed the nation and its people With each chapter military historians Jeffrey A Keshen and Andrew Iarocci address Canada s contribution to the war and its consequences Integrating the latest research in military social political and gender history they examine everything from the front lines to the home front Was conscription necessary Did the conflicts change the status of Canadian women Was Canada s commitment worth the cost Written both for classroom use and for the general reader *A Nation in Conflict* is an accessible introduction to the complexities of Canada s involvement in the twentieth century s most important conflicts      **Muleskinner** William Hesler, 2010 Based on the experiences of an

ammunition driver in the Canadian Artillery this book will give the reader a quick understanding of Canada's involvement in World War One Follow Driver Hesler as he moves up to the line and back during the battles of the Somme Vimy Ridge Lens Passchendaele and the Allied advance during the last hundred days of the war At each step the author zooms out to the bigger picture to capture the folly and the tragedy of the war itself a war which would have lasted longer without the enormous sacrifice of a young country which had no chance to stay out of it The term muleskinner was an epithet which although originally intended to malign both the animal and the man ironically became a proud boast by the latter What both had to go through in the course of World War I explains why In the First World War territorial designs were secondary and the civilian populations were largely spared except for famine and disease It was a war characterized by stupidity It was not the oppression of one people by another It was a war in which each side preyed upon itself      *Lifesavers and Body Snatchers* Tim Cook, 2022-09-13 WINNER OF THE 2023 OTTAWA BOOK AWARD SHORTLISTED FOR THE 2022 TEMPLER MEDAL FOR BEST BOOK From Canada's top war historian a definitive medical history of the Great War illuminating how the carnage of modern battle gave birth to revolutionary life saving innovations It brings to light shocking revelations of the ways the brutality of combat and the necessity of agonizing battlefield decisions led to unimaginable strain for men and women of medicine who fought to save the lives of soldiers Medical care in almost all armies during the Great War and especially in the Canadian medical services was sophisticated and constantly evolving Vastly more wounded soldiers were saved than lost Doctors and surgeons prevented disease from decimating armies confronted ghastly wounds from chemical weapons remade shattered bodies and struggled to ease soldiers battle haunted minds After the war the hard lessons learned by doctors and nurses were brought back to Canada A new Department of Health created guidelines in the aftermath of the 1918 1919 influenza pandemic which had killed 55 000 Canadians and millions around the world In a grim irony the fight to improve civilian health was furthered by the most destructive war up to that point in human history But medical advances were not the only thing brought back from Europe *Lifesavers and Body Snatchers* exposes the disturbing story of the harvesting of human body parts in medical units behind the lines Tim Cook has spent over a decade investigating the history of Canadian medical doctors removing the body parts of slain soldiers and transporting their brains lungs bones and other organs to the Royal College of Surgeons RCS in London England Almost 800 individual body parts were removed from the dead and sent to London where they were stored treated and presented in exhibition galleries After being exhibited there the body parts were displayed in Canada This uncovered history has never been told before and is part of the hidden legacy of the medical war Based on deep archival research and unpublished letters of soldiers and medical personnel *Lifesavers and Body Snatchers* is a powerful narrative told in Cook's literary style which reveals how the medical services supported the soldiers at the front and forged a profound legacy in shaping Canadian public health in the decades that followed      *The New Breed* Kate Darling, 2021-04-20 For readers of *The Second Machine Age* or *The Soul of an Octopus* a bold exciting exploration of how

building diverse kinds of relationships with robots inspired by how we interact with animals could be the key to making our future with robot technology work There has been a lot of ink devoted to discussions of how robots will replace us and take our jobs But MIT Media Lab researcher and technology policy expert Kate Darling argues just the opposite suggesting that treating robots with a bit of humanity more like the way we treat animals will actually serve us better From a social legal and ethical perspective she shows that our current ways of thinking don't leave room for the robot technology that is soon to become part of our everyday routines Robots are likely to supplement rather than replace our own skills and relationships So if we consider our history of incorporating animals into our work transportation military and even families we actually have a solid basis for how to contend with this future A deeply original analysis of our technological future and the ethical dilemmas that await us *The New Breed* explains how the treatment of machines can reveal a new understanding of our own history our own systems and how we relate not just to nonhumans but also to one another *Other Selves* Janice Fiamengo, 2007-07-12

*Other Selves* Animals in the Canadian Literary Imagination begins with the premise first suggested by Margaret Atwood in *The Animals in That Country* 1968 that animals have occupied a peculiarly central position in the Canadian imagination Unlike the longer settled countries of Europe or the more densely populated United States in Canada animals have always been the loved and feared co-inhabitants of this harsh beautiful land From the realistic animal tales of Charles G D Roberts and Ernest Thompson Seton to the urban animals of Marshall Saunders and Dennis Lee to the lyrical observations of bird enthusiasts John James Audubon Thomas McIlwraith and Don McKay animals have occupied a key place in Canadian literature focusing central aspects of our environmental consciousness and cultural symbolism *Other Selves* explores how and what the animals in this country have meant through all genres and periods of Canadian writing focusing sometimes on individual texts and at other times on broader issues Tackling more than a century of writing from 19th century narrative of women travellers to the natural conversion of Grey Owl to the award winning novels of Farley Mowat Marian Engel Timothy Findley Barbara Gowdy and Yann Martel these essays engage the reader in this widely acknowledged but inadequately explored aspect of Canadian literature *Hold the Oxo!* Marion Fargey Brooker, 2011-08-03

Short listed for the 2014 Forest of Reading White Pine Award for Non Fiction Canada was young during the First World War and with as many as 20 000 underage soldiers leaving their homes to join the war effort the country's army was too Jim at 17 was one of them and he penned countless letters home But these weren't the writings of an ordinary boy They were the letters of a lad who left a small farming community for the city on July 15 1915 a boy who volunteered to serve with the 79th Queen's Own Cameron Highlanders Jim's letters home gloss over the horrors of war focusing instead on issues of the home front of harvesting training the horses and the price of hogs Rarely do these letters especially those to his mother and father mention the mud and rats the lice and stench of the trenches or the night duty of cutting barbed wire in no man's land For 95 years his letters remained in a shoebox decorated by his mother Jim was just 18 when he was wounded and died during the Battle of the

Somme Hold the Oxo tells the story that lies between the lines of his letters filling in the historical context and helping us to understand what it was like to be Jim

**War on the Home Front** Daniel MacMillan, 2006 Daniel MacMillan never saw the battlefields of Passchendaele or Vimy Ridge A farmer in the tiny New Brunswick community of Williamsburg he experienced the Great War entirely from the home front War on the Home Front The Farm Diaries of Daniel MacMillan 1914 1927 is a portrait of the other side of war from the perspective of a man who like countless families across North America had no choice but keep on going with his life as sons nephews brothers and fathers fought and died on battlefields worlds away As MacMillan s moving wartime diaries reveal these years took a terrible toll on him his family his farm and his community A fascinating chronicle of wartime life Daniel MacMillan expressed the fear anxiety and uncertainty as well as the sense of duty and fortitude that characterized the war experience on an individual level making the tragic four year event much clearer in diary form than in second hand reports His insider s account of supplying money men equipment and especially food for the country and the troops documents the often unnoticed sacrifices of rural people in wartime and their post war struggles to recover The diary is also a testament to the loyalty of the people of Stanley parish who mobilized the churches women s groups and other institutions to provide aid to the troops overseas the Red Cross and other war related issues A unique historical document War on the Home Front encompasses entries written between 1914 and 1927 in which MacMillan describes the hardships of running a farm in the face of acute labour shortages and the anguish of losing friends and neighbours in battle War on the Home Front is Volume 7 in the New Brunswick Military Heritage Series

**Canadian Books in Print. Author and Title Index** ,1975 Uncle Cy's War Cyrus F. Inches, 2009 At 31 years of age Cyrus F Inches set off to fight in the Great War soon afterwards joining the First Canadian Heavy Battery He was determined to survive without losing his sense of humour and love of story despite the horrors and deprivations that he witnessed By the time the War had concluded he had written hundreds of letters detailed diary entries and a short history of the battles and movements of his artillery unit Undisturbed for more than 90 years Cyrus Inches s voluminous papers compiled and edited for Uncle Cy s War provide a compelling human and sometimes humorous portrait of life on the front lines during the First World War including first person observations of the battles at Ypres the Somme and Mons

## **Riding Into War The Memoir Of A Horse Transport Driver 1916 1919 Introduction**

In today's digital age, the availability of *Riding Into War The Memoir Of A Horse Transport Driver 1916 1919* books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of *Riding Into War The Memoir Of A Horse Transport Driver 1916 1919* books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of *Riding Into War The Memoir Of A Horse Transport Driver 1916 1919* books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing *Riding Into War The Memoir Of A Horse Transport Driver 1916 1919* versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, *Riding Into War The Memoir Of A Horse Transport Driver 1916 1919* books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing *Riding Into War The Memoir Of A Horse Transport Driver 1916 1919* books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for *Riding Into War The Memoir Of A Horse Transport Driver 1916 1919* books and manuals is Open Library. Open Library is an

initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Riding Into War The Memoir Of A Horse Transport Driver 1916 1919 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Riding Into War The Memoir Of A Horse Transport Driver 1916 1919 books and manuals for download and embark on your journey of knowledge?

### **FAQs About Riding Into War The Memoir Of A Horse Transport Driver 1916 1919 Books**

**What is a Riding Into War The Memoir Of A Horse Transport Driver 1916 1919 PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Riding Into War The Memoir Of A Horse Transport Driver 1916 1919 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Riding Into War The Memoir Of A Horse Transport Driver 1916 1919 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Riding Into War The Memoir Of A Horse Transport Driver 1916 1919 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc.

Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Riding Into War The Memoir Of A Horse Transport Driver 1916 1919 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
