Riel And The Rebellion 1885 Reconsidered

David Kirk

Riel And The Rebellion 1885 Reconsidered:

Riel and the Rebellion Thomas Flanagan, 1983 A re examination of the evidence surrounding the North West Rebellion Author claims to disprove the now conventional views that the Rebellion was provoked by government ineptitude or malice and that Riel was unjustly punished for treason Concludes that the Metis grievances were partly of their own making

Riel's Defence Hans V. Hansen, 2014-06-01 In 1885 Louis Riel was charged with high treason found guilty and consequently executed for his role in Saskatchewan's North West Rebellion During his trial the Metis leader gave two speeches passionately defending the interests of the Metis in western Canada as well as his own life Riel's Defence studies these speeches demonstrating the range of Riel's political and personal concerns The first and better known of the two speeches addresses the jury while Riel's second speech rarely reprinted addresses the court following his guilty verdict Both orations have been edited annotated and reprinted and are followed by essays from diverse perspectives including philosophy law history political science religion and communication studies Through the course of their inquiry contributors come to understand more about Riel's personal character and political thought as well as his arguments supporting Metis land claims grievances against the federal government and his immigration plan for the North West Evaluating the rhetorical quality legal merit and cultural stakes of his speeches Riel's Defence reveals the significance of the last public statements made by a man who indelibly shaped Canada's history by combining his personal vision with a national vision **Becoming Native in**

a Foreign Land Gillian Poulter, 2010-01-01 How did British colonists in Victorian Montreal come to think of themselves as native Canadian This incisive richly illustrated work reveals that colonists adopted Aboriginal and French Canadian activities hunting lacrosse snowshoeing and tobogganing and appropriated them while imposing British ideologies of order discipline and fair play In the process they constructed visual icons that were recognized at home and abroad as distinctly Canadian national symbols The new Canadian nationality mimicked indigenous characteristics but ultimately rejected indigenous players instead championing the interests of white middle class Protestant males who used their newly acquired identity to dominate the political realm Becoming Native in a Foreign Land demonstrates that English Canadian identity was not formed solely by emulating what was British In fact it gained enormous ground by usurping what was indigenous in the fertile landscape of a foreign land A vital and original study it will appeal to scholars and enthusiasts of Canadian history identity and culture

Forging Alberta's Constitutional Framework Richard Connors, John M. Law, University of Alberta. Centre for Constitutional Studies, 2005-11 Forging Alberta's Constitutional Framework analyzes the principal events and processes that precipitated the emergence and formation of the law and legal culture of Alberta from the foundation of the Hudson's Bay in 1670 until the eve of the centenary of the Province in 2005 The formation of Alberta's constitution and legal institutions was by no means a simple process by which English and Canadian law was imposed upon a receptive and passive population Challenges to authority latent lawlessness interaction between indigenous and settler societies periods pre and post 1905 of

jurisdictional confusion and demands for individual group and provincial rights and recognitions are as much part of Alberta's legal history as the heroic and mythic images of an emergent and orderly Canadian west patrolled from the outset by red coated mounted police and peopled by peaceful and law abiding subjects of the Crown Papers focus on the development of criminal law in the Canadian west in the nineteenth century the Natural Resources Transfer Agreement of 1930 the National Energy Program of the 1980s Federal Provincial relations and the role and responsibilities of the offices of Justices of the Peace and of the Lieutenant Governor and the legacies of the Lougheed and Klein governments **Gabriel Dumont in Paris** Jordan Zinovich, 1999-08 The troubles of 1885 are a topic of enduring fascination Gabriel Dumont in Paris is a fictional retelling of the events leading up to the Northwest Rebellion focussing on the thoughts and actions of Metis leader Gabriel Dumont Jordan Zinovich reconstructs the man from a multiplicity of voices leaving us to draw our own understanding of Riel's charismatic lieutenant *The Encyclopedia of War, 5 Volume Set* Gordon Martel, 2012-01-17 This ground breaking 5 volume reference is a comprehensive print and electronic resource covering the history of warfare from ancient times to the present day across the entire globe Arranged in A Z format the Encyclopedia provides an overview of the most important events people and terms associated with warfare from the Punic Wars to the Mongol conquest of China and the War on Terror from the Ottoman Sultan Suleiman the Magnificent to the Soviet Military Commander Georgi Konstantinovich Zhukov and from the crossbow to chemical warfare Individual entries range from 1 000 to 6 000 words with the longer essay style contributions giving a detailed analysis of key developments and ideas Drawing on an experienced and internationally diverse editorial board the Encyclopedia is the first to offer readers at all levels an extensive reference work based on the best and most recent scholarly research The online platform further provides interactive cross referencing links and powerful searching and browsing capabilities within the work and across Wiley Blackwell's comprehensive online reference collection Learn more at www.encyclopediaofwar.com Selected by Choice as a 2013 Outstanding Academic Title Recipient of a 2012 PROSE Award honorable mention *Canada Transformed* Sarah Gibson, Arthur Milnes, 2014-12-09 To coincide with the bicentennial of Sir John A Macdonald's birth this is the first ever selected collection of his most important and defining speeches Published in collaboration with The Sir John A Macdonald Bicentennial Commission and endorsed by all of our living Prime Ministers this is a beautifully produced book that deserves to be in all Canadian homes schools and libraries The Sir John A Macdonald Bicentennial Commission set out several years ago to collect annotate and footnote all of our first Prime Minister's speeches Rather shockingly this had not been done before the speeches of even the most minor of US presidents are available in print and e book form Obviously such a collection is a must for libraries and educational institutions across the country as a matter of historical record but the speeches also make for great reading His words have a Churchillian feel to them direct decisive visionary and very often funny Sir John A is marvellously quotable and through these speeches you understand how our country was formed what its challenges were and often continue to be and why our first

Honoré Jaxon Donald B. Smith, 2023-11-01 Born in 1861 to a Methodist family William Henry Jackson grew up in Ontario before moving to Prince Albert Saskatchewan where he sympathized with the M tis and became personal secretary to Louis Riel After the M tis defeat a Regina court committed the young English Canadian idealist to the lunatic asylum at Lower Fort Garry He eventually escaped to the United States joined the labour union movement and renounced his race Self identifying as M tis he changed his name to the French sounding Honor Jaxon and devoted the remainder of his life to fighting for the working class and the Indigenous peoples of North America In Honor Jaxon Donald B Smith draws on extensive archival research and interviews with family members to present a definitive biography of this complex political man The book follows Jaxon into the 1940s where his life mission became the establishment of a library for the First Nations in Saskatchewan collecting as many books newspapers and pamphlets relating to the M tis people as possible In 1951 at age ninety he was evicted from his apartment and his library discarded to the New York City dump In poor health and broken in spirit he died one month later Heavily illustrated Honor Jaxon recounts the complicated story of a young English Canadian who imagined a society in which English and French Indigenous and M tis would be equals

A Line of Blood and Dirt Benjamin Hoy, 2021-02-02 The untold history of the multiracial making of the border between Canada and the United States Often described as the longest undefended border in the world the Canada US border was born in blood conflict and uncertainty At the end of the American Revolution Britain and the United States imagined a future for each of their nations that stretched across a continent They signed treaties with one another dividing lands neither country could map much less control A century and a half later Canada and the United States had largely fulfilled those earlier ambitions Both countries had built nations that stretched from the Atlantic to the Pacific and had made an expansive international border that restricted movement The vision that seemed so clear in the minds of diplomats and politicians never behaved as such on the ground

Both countries built their border across Indigenous lands using hunger violence and coercion to displace existing communities and to disrupt their ideas of territory and belonging The border s length undermined each nation s attempts at control Unable to prevent movement at the border s physical location for over a century Canada and the United States instead found ways to project fear across international lines They aimed to stop journeys before they even began

Persona Non Grata Tom Flanagan,2015-03-03 Now in paperback a passionate and edgy defense of free speech in Canada and the role the internet plays in the issue from an acclaimed writer and former advisor to Prime Minister Stephen Harper On February 28th 2013 Tom Flanagan well known author University of Calgary professor and former advisor to Prime Minister Stephen Harper made comments about the punishment for viewing child pornography that were tweeted from the event he was speaking at and broadcast worldwide Following the event in the two and a half hours it took to drive from Lethbridge to his home in Calgary Flanagan s career and reputation came under siege Every media outlet made the story front page news most of them deriding Flanagan and casting him as a pariah His university the Prime Minister s Office other influential politicians and much of the media including the CBC made him persona non grata before he even had a chance to explain the comments he made Persona Non Grata is a superb and convincing defense of free speech not just in Canada but everywhere in the age of the Internet a double edged sword when it comes to freedom of expression

Colonialism and Capitalism: Canada's Origins 1500-1890 BRYAN D. PALMER,2024-09-17 In the past decade Canadian history has become a hotly contested subject Iconic figures notably Sir John A Macdonald are no longer unquestioned nation builders The narrative of two founding peoples has been set aside in favour of recognition of Indigenous nations whose lands were taken up by the incoming settlers An authoritative and widely respected Truth and Reconciliation Commission together with an honoured Chief Justice of the Supreme Court have both described long standing government policies and practices as cultural genocide Historians have researched and published a wide range of new research documenting the many complex threads comprising the Canadian experience As a leading historian of labour and social movements Bryan Palmer has been a major contributor to this literature In this first volume of a major new survey history of Canada he offers a narrative which is based on the recent and often specialized research and writing of his historian colleagues One major theme in this book is the colonial practices of the authorities as they pushed aside the original peoples of this country While the methods varied the result was opening up Canada s rich resources for exploitation by the incoming European settlers The second major theme is the role of capitalism in determining how those resources were exploited and who would reap the enormous power and wealth that accrued The first volume of this challenging and illuminating new survey history covers the period that concludes in the 1890s after the creation out of Britain s northern colonies of the semi autonomous federal Canadian state Volume II to be published in spring 2025 takes the narrative to the present **Nation Maker** Richard J. Gwyn,2012-08-21 1 NATIONAL BESTSELLER John A Macdonald Canada s first and most important prime

minister is the man who made Confederation happen who built this country over the next quarter century and who shaped what it is today From Confederation Day in 1867 where this volume picks up Macdonald finessed a reluctant union of four provinces in central and eastern Canada into a strong nation despite indifference from Britain and annexationist sentiment in the United States But it wasn't easy Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang Indelibly Gwyn shows us Macdonald's love of this country and his ability to joust with forces who would have been just as happy to see the end of Canada before it had really begun creating a must read for all Canadians **Skyscrapers Hide the Heavens** J.R.

Miller, 2018-03-01 First published in 1989 *Skyscrapers Hide the Heavens* continues to earn wide acclaim for its comprehensive account of Native newcomer relations throughout Canada's history Author J R Miller charts the deterioration of the relationship from the initial mutually beneficial contact in the fur trade to the current displacement and marginalization of the Indigenous population The fourth edition of *Skyscrapers Hide the Heavens* is the result of considerable revision and expansion to incorporate current scholarship and developments over the past twenty years in federal government policy and Aboriginal political organization It includes new information regarding political organization land claims in the courts public debates as well as the haunting legacy of residential schools in Canada Critical to Canadian university level classes in history Indigenous studies sociology education and law the fourth edition of *Skyscrapers* will be also be useful to journalists and lawyers as well as leaders of organizations dealing with Indigenous issues Not solely a text for specialists in post secondary institutions *Skyscrapers Hide the Heavens* explores the consequence of altered Native newcomer relations from cooperation to coercion and the lasting legacy of this impasse *The Government and Politics of the Alberta Metis Settlements* Thomas C. Pocklington, University of Regina. Canadian Plains Research Center, 1991 This study of the eight Metis settlements in northern Alberta examines their history legal status government and politics external and internal organizations the issue of self government and the opinions and attitudes of residents on a number of topics and presents an unconventional approach to native self government *The Prairie West: Historical Readings* R. Douglas Francis, Howard Palmer, 1992 This collection of 35 readings on Canadian prairie history includes overview interpretation and current research on topics such as the fur trade native peoples ethnic groups status of women urban and rural society the Great Depression and literature and art
