Right Destination Wrong Road:

The Way of the Ant Ikechi Ahamefula Nwogu (KSC), 2016-08-26 Man as a creature is superior to other lesser elements of our ecosystem Superior in wisdom mannerism conduct and lifestyle and should of course instruct all nature in terms of leadership and dominion It becomes amazing however that ALMIGHTY MAN would be asked to stoop so low as to GO TO THE ANT CONSIDER HER WAYS AND BE WISE Proverbs 6 6 This rather imposing statement clearly spotlights the ant as tiny and frail as it is as an unusual agent of wisdom an embodiment of strength and a master of leadership coordination Our study of the ant presents some strong lessons to us on the preferred approach to life and judgement of issues in a way that will inspire the much needed change in our own thought process and overall view of life We will learn from the ant that life is about determination and the will to push through against all odds until we succeed We will acquire the never give up spirit of the ant we will cast less blames on our poor states of being our nation background and ecology for our present outcomes in life and we will develop a strong determination from within to try again and never retreat or surrender until we win The Way of the ANT is a book on National Transformation by mindset reengineering It is a book that will get us to see things from a standpoint of personal responsibility and collective positive delivery towards communal rebirth and social emancipation We each constitute a tiny part of our larger society and each individual must endeavour to play his her role and well enough to create the appropriate societal linkage that will eventually constitute grounds for national growth and global enhancement We are important We must create value We should not just exist but rather live in such a way that our own endpoints in life will stir up sufficient motivation in the man next door to effectively champion his own course to natural excellence This is the way of the ant *Public hearing of the U.S. National Alcohol Fuels Commission* U.S. National Alcohol Fuels
